22 (d) "Net worth" shall mean the aggregate of the values disclosed
23 by the books of the corporation for (1) issued and outstanding capital
24 stock, (2) paid-in or capital surplus, (3) earned surplus and undivided
25 profits, and (4) surplus reserves which can reasonably be expected to
26 accrue to holders or owners of equitable shares, not including
27 reasonable valuation reserves, such as reserves for depreciation or
28 obsolescence or depletion. Notwithstanding the foregoing, net worth
29 shall not include any deduction for the amount of the excess
30 depreciation described in paragraph (2)(F) of subsection (k) of this
31 section. The foregoing aggregate of values shall be reduced by 50%
32 of the amount disclosed by the books of the corporation for investment
33 in the capital stock of one or more subsidiaries, which investment is
34 defined as ownership (1) of at least 80% of the total combined voting

2 foreign corporation. In calculating the net worth of a taxpayer entitled
3 to reduction for investment in subsidiaries, the amount of liabilities of
4 the taxpayer shall be reduced by such proportion of the liabilities as
5 corresponds to the ratio which the excluded portion of the subsidiary
6 values bears to the total assets of the taxpayer.

7 In the case of banking corporations which have international
8 banking facilities as defined in subsection (n), the foregoing aggregate

12 of dividends paid and federal income taxes paid or payable during the
13 tax year.

14 If in the opinion of the commissioner, the corporation's books do
15 not disclose fair valuations the commissioner may make a reasonable
16 determination of the net worth which, in his opinion, would reflect the
17 fair value of the assets, exclusive of subsidiary investments as defined
18 aforesaid, carried on the books of the corporation, in accordance with
19 sound accounting principles, and such determination shall be used as
20 net worth for the purpose of this act.

22 (f) "Investment company" shall mean any corporation whose

2 this act.

3 (k) "Entire net income" shall mean total net income from all

14 provided, however, that in the determination of such entire net income,

15 (1) Entire net income shall exclude for the periods set forth in
16 paragraph (2)(F)(i) of this subsection, any amount, except with respect
17 to qualified mass commuting vehicles as described in section

43 purposes of computing federal taxable income in accordance with
44 section 168 of the Internal Revenue Code in effect after December 31,
45 1980, exceeds the amount of depreciation determined in accordance
46 with the Internal Revenue Code provisions in effect prior to January

1 1, 1981, but only with respect to a taxpayer's accounting period ending
2 after December 31, 1981; provided, however, that where a taxpayer's
3 accounting period begins in 1981 and ends in 1982, no modification
4 shall be required with respect to this paragraph (F) for the report filed

11 (ii) For the periods set forth in subparagraph (F)(i) of this
12 subsection, any amount, except with respect to qualified mass
13 commuting vehicles as described in section 168(f)(8)(D)(v) of the
14 Internal Revenue Code as in effect immediately prior to January 1,

27 and any interest earned on the penalty or fine, and any economic
28 benefits having accrued to the violator as a result of a violation, which
29 benefits are assessed and recovered in a civil, civil administrative, or
30 criminal action, or pursuant to an administrative consent order. The
31 provisions of this paragraph shall not apply to a penalty or fine
32 assessed or collected for a violation of a State or federal
33 environmental law, or local environmental ordinance or resolution, if
34 the penalty or fine was for a violation that resulted from fire, riot,
35 sabotage, flood, storm event, natural cause, or other act of God
36 beyond the reasonable control of the violator, or caused by an act or
37 omission of a person who was outside the reasonable control of the
38 violator.

39 (ii) The amount of treble damages paid to the Department of
40 Environmental Protection pursuant to subsection a. of section 7 of
41 P.L.1976, c.141 (C.58:10-23.11f), for costs incurred by the
42 department in removing, or arranging for the removal of, an

45 of, the discharge.

46 (H) The amount of any sales and use tax paid by a utility vendor

1 pursuant to section 71 of P.L.1997, c.162.

2 (3) The commissioner may, whenever necessary to properly reflect
3 the entire net income of any taxpayer, determine the year or period in
4 which any item of income or deduction shall be included, without
5 being limited to the method of accounting employed by the taxpayer.

6 (4) There shall be allowed as a deduction from entire net income
7 of a banking corporation, to the extent not deductible in determining
8 federal taxable income, the eligible net income of an international
9 banking facility determined as follows:

10 (A) The eligible net income of an international banking facility shall
11 be the amount remaining after subtracting from the eligible gross
12 income the applicable expenses;

13 (B) Eligible gross income shall be the gross income derived by an
14 international banking facility, which shall include, but not be limited to,
15 gross income derived from:

16 (i) Making, arranging for, placing or carrying loans to foreign
17 persons, provided, however, that in the case of a foreign person which
18 is an individual, or which is a foreign branch of a domestic corporation
19 (other than a bank), or which is a foreign corporation or foreign
20 partnership which is controlled by one or more domestic corporations
21 (other than banks), domestic partnerships or resident individuals, all
22 the proceeds of the loan are for use outside of the United States;

23 (ii) Making or placing deposits with foreign persons which are
24 banks or foreign branches of banks (including foreign subsidiaries) or
25 foreign branches of the taxpayers or with other international banking
26 facilities;

27 (iii) Entering into foreign exchange trading or hedging transactions
28 related to any of the transactions described in this paragraph; or

29 (iv) Such other activities as an international banking facility may,
30 from time to time, be authorized to engage in;

31 (C) Applicable expenses shall be any expense or other deductions
32 attributable, directly or indirectly, to the eligible gross income
33 described in subparagraph (B) of this paragraph.

34 (5) Entire net income shall exclude 100% of dividends which were
35 included in computing such taxable income for federal income tax
36 purposes, paid to the taxpayer by one or more subsidiaries owned by
37 the taxpayer to the extent of the 80% or more ownership of investment
38 described in subsection (d) of this section. With respect to other
39 dividends, entire net income shall not include 50% of the total included
40 in computing such taxable income for federal income tax purposes.

41 (6) (A) Net operating loss deduction. There shall be allowed as
42 a deduction for the taxable year the net operating loss carryover to
43 that year.

44 (B) Net operating loss carryover. A net operating loss for any
45 taxable year ending after June 30, 1984 shall be a net operating loss
46 carryover to each of the seven years following the year of the loss. The

1 entire amount of the net operating loss for any taxable year (the "loss
2 year") shall be carried to the earliest of the taxable years to which the
3 loss may be carried. The portion of the loss which shall be carried to
4 each of the other taxable years shall be the excess, if any, of the
5 amount of the loss over the sum of the entire net income, computed
6 without the exclusions permitted in paragraphs (4) and (5) of this
7 subsection or the net operating loss deduction provided by
8 subparagraph (A) of this paragraph, for each of the prior taxable years
9 to which the loss may be carried.

10 (C) Net operating loss. For purposes of this paragraph the term
11 "net operating loss" means the excess of the deductions over the gross
12 income used in computing entire net income without the net operating
13 loss deduction provided for in subparagraph (A) of this paragraph and
14 the exclusions in paragraphs (4) and (5) of this subsection.

15 (D) Change in ownership. Where there is a change in 50% or more
16 of the ownership of a corporation because of redemption or sale of
17 stock and the corporation changes the trade or business giving rise to
18 the loss, no net operating loss sustained before the changes may be
19 carried over to be deducted from income earned after such changes.
20 In addition where the facts support the premise that the corporation
21 was acquired under any circumstances for the primary purpose of the
22 use of its net operating loss carryover, the director may disallow the
23 carryover.

24 (7) The entire net income of gas, electric and gas and electric
25 public utilities that were subject to the provisions of P.L.1940, c.5
26 (C.54:30A-49 et seq.) prior to 1998, shall be adjusted by substituting
27 the New Jersey depreciation allowance for federal tax depreciation
28 with respect to assets placed in service prior to January 1, 1998. For
29 gas, electric, and gas and electric public utilities that were subject to
30 the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998,
31 the New Jersey depreciation allowance shall be computed as follows:
32 All depreciable assets placed in service prior to January 1, 1998 shall
33 be considered a single asset account. The New Jersey tax basis of this
34 depreciable asset account shall be an amount equal to the carryover
35 adjusted basis for federal income tax purposes on December 31, 1997
36 of all depreciable assets in service on December 31, 1997, increased
37 by the excess, of the "net carrying value," defined to be adjusted book
38 basis of all assets and liabilities, excluding deferred income taxes,
39 recorded on the public utility's books of account on December 31,
40 1997, over the carryover adjusted basis for federal income tax
41 purposes on December 31, 1997 of all assets and liabilities owned by
42 the gas, electric, or gas and electric public utility as of December 31,
43 1997. "Books of account" for gas, gas and electric, and electric public
44 utilities means the uniform system of accounts as promulgated by the
45 Federal Energy Regulatory Commission and adopted by the Board of
46 Public Utilities. The following adjustments to entire net income shall

1 be made pursuant to this section:

2 (A) Depreciation for property placed in service prior to January 1,
3 1998 shall be adjusted as follows:

4 (i) Depreciation for federal income tax purposes shall be
5 disallowed in full.

6 (ii) A deduction shall be allowed for the New Jersey depreciation
7 allowance. The New Jersey depreciation allowance shall be computed
8 for the single asset account described above based on the New Jersey
9 tax basis as adjusted above as if all assets in the single asset account
10 were first placed in service on January 1, 1998. Depreciation shall be
11 computed using the straight line method over a thirty-year life. A full
12 year's depreciation shall be allowed in the initial tax year. No half-year
13 convention shall apply. The depreciable basis of the single account
14 shall be reduced by the adjusted federal tax basis of assets sold,
15 retired, or otherwise disposed of during any year on which gain or loss
16 is recognized for federal income tax purposes as described in
17 subparagraph (B) of this paragraph.

18 (B) Gains and losses on sales, retirements and other dispositions
19 of assets placed in service prior to January 1, 1998 shall be recognized
20 and reported on the same basis as for federal income tax purposes.

21 (C) The Director of the Division of Taxation shall promulgate
22 regulations describing the methodology for allocating the single asset
23 account in the event that a portion of the utility's operations are
24 separated, spun-off, transferred to a separate company or otherwise
25 disaggregated.

26 (8) In the case of taxpayers that are gas, electric, gas and electric,
27 or telecommunication public utilities as defined pursuant to subsection
28 (q) of this section, the director shall have authority to promulgate rules
29 and issue guidance correcting distortions and adjusting timing
30 differences resulting from the adoption of P.L.1997, c.162
31 (C.54:10A-5.25 et al.).

32 (9) Notwithstanding paragraph (1) of this subsection, entire net
33 income shall not include the income derived by a corporation
34 organized in a foreign country from the international operation of a
35 ship or ships, or from the international operation of aircraft, if such
36 income is exempt from federal taxation pursuant to section 883 of the
37 federal Internal Revenue Code of 1986, 26 U.S.C.s.883.

38 (10) Entire net income shall exclude all income of an alien
39 corporation the activities of which are limited in this State to investing
40 or trading in stocks and securities for its own account, investing or
41 trading in commodities for its own account, or any combination of
42 those activities, within the meaning of section 864 of the federal
43 Internal Revenue Code of 1986, 26 U.S.C.s.864, as in effect on
44 December 31, 1998. Notwithstanding the previous sentence, if an
45 alien corporation undertakes one or more infrequent, extraordinary or
46 non-recurring activities, including but not limited to the sale of

1 tangible property, only the income from such infrequent, extraordinary
2 or non-recurring activity shall be subject to the tax imposed pursuant
3 to P.L.1945, c.162 (C.54:10A-1 et seq.), and that amount of income
4 subject to tax shall be determined without regard to the allocation to
5 that specific transaction of any general business expense of the
6 taxpayer and shall be specifically assigned to this State for taxation by
7 this State without regard to section 6 of P.L.1945, c.162
8 (C.54:10A-6). For the purposes of this paragraph, "alien corporation"

19 evidences of debt; buying and selling exchange; making of or dealing
20 in secured or unsecured loans and discounts; dealing in securities and
21 shares of corporate stock by purchasing and selling such securities and

36 banking or investment business and representing merely personal
37 investments not made in competition with the business of national
38 banks, shall not be deemed financial business. Nor shall "financial

35 36 37 STATEMENT

38
39 This bill closes a gap in the administration of the taxes imposed on
40 the owners of limited partnerships and limited liability companies.

41 Limited partnerships and limited liability companies are relatively
42 new forms of business entities that have become popular because they
43 combine some of the tax advantages of a pass-through entity such as
44 a general partnership (e.g., lack of an entity-level tax and a distributee-
45 level tax on distributed earnings) and the sort of limited liability for
46 owners that is provided by the corporate form of organization.

1 However, it appears that the use of some of these entities in New
2 Jersey that were created to avoid a double level of taxation is resulting
3 in the avoidance of even a single taxation of their income derived from
4 their New Jersey activities. When the tax rate on Subchapter S
5 corporations was lowered in New Jersey pursuant to P.L.1993, c.173,
6 an administrative mechanism was put in place to assure the fair
7 taxation of the owners of those corporations. The Subchapter S
8 corporation owners were given a choice of consenting to the normal
9 New Jersey taxation of the income they derived or, if they did not so
10 consent, of having the S corporation withhold their taxes,.

11 This bill provides a similar mechanism for the taxation of limited
12 corporate owners of limited liability companies and limited
13 partnerships. A limited liability company, foreign limited liability
14 company, limited partnership or foreign limited partnership that is
15 classified as a partnership for federal tax purposes is required to obtain
16 the consent of each of its owners that are not individuals, trusts or
17 estates subject to the "New Jersey Gross Income Tax Act",
18 N.J.S.54A:1-1 et seq. (for example, each owner that is itself a
19 corporation) that this State has the right and jurisdiction to tax the
20 entire income derived from the business. A business that does not
21 have the consent for one of that group of its owners must pay
22 corporation business tax on its nonconsenting owner's share of the
23 business' New Jersey income.

24 A limited liability company, foreign limited liability company,
25 limited partnership or foreign limited partnership (that is classified as
26 a partnership for federal tax purposes) that properly complies with the
27 requirement to obtain consents from its corporate owners and that
28 pays the taxes of any of its corporate owners that do not consent to
29 New Jersey taxation is relieved of any other obligations under the
30 corporation business tax. A business that does not comply with the
31 consent and payment requirements becomes a corporation business
32 taxpayer itself.
