3

4 **BE IT ENACTED** by the Senate and General Assembly of the State  
5 of New Jersey:

6

7 1. (New section) Findings.

8 The Legislature finds and declares that:

9 a. It is the intent of the people of New Jersey to adopt a new  
10 approach to our marijuana policies by taxing, controlling and  
11 legalizing marijuana like alcohol for adults;

12 b. It is the intent of the people of New Jersey that the  
13 provisions of this act will prevent the sale or distribution of  
14 marijuana to persons under 21 years of age;

15 c. This act is designed to eliminate the problems caused by the  
16 unregulated manufacture, distribution, and use of marijuana within  
17 New Jersey;

18 d. This act will divert funds from marijuana sales from going to  
19 illegal enterprises, gangs, and cartels;

20 e. New Jersey law enforcement officers made over 24,000 arrests  
21 for marijuana possession in 2012, more than in the previous 20  
22 years;

23 f. In 2012, a person was arrested for marijuana possession in  
24 New Jersey approximately every 22 minutes;

25 g. Black New Jerseyans are nearly three times more likely to be  
26 arrested for marijuana possession than white New Jerseyans, despite  
27 similar usage rates;

28 h. Marijuana possession arrests constituted three out of every  
29 five drug arrests in New Jersey in 2012;

30 i. New Jersey spends approximately \$127 million per year on  
31 marijuana possession enforcement costs;

32 j. Taxing, controlling, and legalizing marijuana for adults like  
33 alcohol will free up precious resources to allow our criminal justice  
34 system to focus on serious crime and public safety issues;

35 k. Taxing, controlling, and legalizing marijuana for adults like  
36 alcohol will strike a blow at the illegal enterprises that profit from  
37 New Jersey's current, unregulated marijuana illegal market;

38 l. New Jersey must strengthen our support for evidence-based,  
39 drug prevention programs that work to educate New Jerseyans,  
40 particularly young New Jerseyans, about the harms of drug abuse;

41 m. New Jersey must enhance State-supported programming that  
42 provides appropriate, evidence-based treatment for those who suffer  
43 from the illness of drug addiction;

44 n. Controlling and regulating the manufacture, distribution, and  
45 sale of marijuana will strengthen our ability to keep marijuana away  
46 from minors;

**EXPLANATION** – Matter enclosed in bold-faced brackets **[thus]** in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

- 1 o. A controlled system of marijuana manufacturing, distribution,  
2 and sale must be designed in a way that enhances public health and  
3 minimizes harms to New Jersey communities and families;
- 4 p. The regulated marijuana system in New Jersey must be  
5 regulated so as to prevent persons younger than 21 years of age  
6 from accessing or purchasing marijuana;
- 7 q. A marijuana arrest in New Jersey can have a debilitating  
8 impact on a person's future, including consequences for one's job  
9 prospects, housing access, financial health, familial integrity,  
10 immigration status, and educational opportunities;
- 11 r. The tax revenue generated from a controlled marijuana  
12 manufacture, distribution, and retail sales system in New Jersey will  
13 generate hundreds of millions of dollars to bolster effective,  
14 evidence-based drug treatment and education, and to reinvest in  
15 New Jersey communities;
- 16 s. New Jersey cannot afford to sacrifice its public safety and  
17 civil rights by continuing its ineffective and wasteful marijuana  
18 enforcement policies.

39 three, the tax rate shall be 15 percent; and in year four the tax rate  
40 shall be 20 percent and in year five and beyond, the tax shall be 25  
41 percent.

42 b. The division shall regularly review the tax levels established  
43 under this section and make recommendations to the Legislature as  
44 appropriate regarding adjustments that would further the goals of  
45 discouraging use, particularly by those under the age of 21;  
46 undercutting illegal market prices; and maximizing taxation  
47 revenue.

1 c. Statements as to quantities sold. At such periods to be  
2 established by the Department of the Treasury, but no more than  
3 once per calendar month, every marijuana producer shall file with

6 and immature marijuana plants sold by the marijuana producer  
7 during the preceding period.

8 d. Estimate by Division of Taxation when statement not filed or  
9 false statement filed. If any marijuana producer fails, neglects, or  
10 refuses to file a statement required by subsection c. of this section  
11 or files a false statement, the Department of the Treasury shall  
12 estimate the quantities of marijuana flowers, marijuana leaves, and  
13 immature marijuana plants sold by the marijuana producer and  
14 assess the taxes thereon. The marijuana producer shall be estopped  
15 from complaining of the quantities so estimated.

16 e. Lien created by the tax. The tax required to be paid by this  
17 section constitutes a lien upon, and has the effect of an execution  
18 duly levied against, any and all property of the marijuana retailer,  
19 attaching at the time the marijuana flowers, marijuana leaves, and  
20 immature marijuana plants subject to the tax were sold, and  
21 remaining until the tax is paid. The lien created by this section is  
22 paramount to all private liens or encumbrances.

23 f. The Department of the Treasury shall establish procedures for  
24 the collection of all taxes levied.

25 No tax established by this section shall be levied upon marijuana  
26 intended for sale at medical marijuana centers pursuant to the "New  
27 Jersey Compassionate Use Medical Marijuana Act," P.L.2009,  
28 c.307 (C.24:6I-1 et seq.).

29 g. The tax revenue shall be collected by the Director of the  
30 Division of Taxation and shall be deposited by the Director of the  
31 Division of Taxation into the nonlapsing fund established pursuant  
32 to section 38 of P.L. , c. (C. ) (pending before the  
33 Legislature as this bill), and shall be used to fund the Division of  
34 Marijuana Enforcement, except that during the first year the tax is  
35 collected one percent shall be allocated to the local governmental  
36 entity in which the marijuana establishment is located; during year  
37 two, two percent shall be allocated to the local governmental entity  
38 in which the marijuana establishment is located; and in year three  
39 and each subsequent year thereafter, three percent shall be allocated  
40 to the local governmental entity in which the marijuana  
41 establishment is located.

42  
43 11. (New section) Local governmental entity regulation or  
44 ordinance.

45 a. Not later than one year following the effective date of  
46 P.L. , c. (C. ) (pending before the Legislature as this  
47 bill), each local governmental entity shall enact an ordinance or  
48 regulation specifying the entity within the local governmental entity

1 that is responsible for processing applications submitted for a  
2 license to operate a marijuana establishment within the boundaries  
3 of the local governmental entity and for the issuance of such  
4 licenses should the issuance by the local governmental entity  
5 become necessary because of a failure by the Division to adopt  
6 regulations or because of a failure by the Division to process and  
7 issue licenses.

8 b. A local governmental entity may enact ordinances or  
9 regulations, not in conflict with the provisions of P.L. ,

10 c. (C. ) (pending before the Legislature as this bill):

11 (1) governing the time, place, manner, and number of marijuana  
12 establishment operations;

13 (2) establishing procedures for the issuance, suspension, and  
14 revocation of a license issued by the local governmental entity;

15 (3) establishing a schedule of annual operating, licensing, and  
16 application fees for marijuana establishments, provided, the  
17 application fee shall only be due if an application is submitted to a  
18 local governmental entity in accordance with the provisions section  
19 12 of P.L. , c. (C. ) (pending before the Legislature as  
20 this bill) and a licensing fee shall only be due if a license is issued  
21 by a local governmental entity; and

22 (4) establishing civil penalties for violation of an ordinance or  
23 regulation governing the time, place, and manner of a marijuana  
24 establishment that may operate in such local governmental entity.

25 c. A local governmental entity may prohibit the operation of  
26 marijuana cultivation facilities, marijuana product manufacturing  
27 facilities, marijuana testing facilities, or marijuana retailers through  
28 the enactment of an ordinance. The failure of a local governmental  
29 entity to enact an ordinance prohibiting the operation of a marijuana  
30 establishment within one year following the effective date of  
31 P.L. , c. (C. ) (pending before the Legislature as this bill)  
32 shall thereby permit the operation of a marijuana retail  
33 establishment within the local governmental entity for a period of  
34 five years, at the end of which five year period, and every five year  
35 period thereafter, the local governmental entity shall again be  
36 permitted to prohibit the operation of a marijuana establishment.

37

38 12. (New section) Application. a. Each application for an  
39 annual license to operate a marijuana establishment shall be  
40 submitted to the division. A separate license shall be required for  
41 each location at which a marijuana establishment seeks to operate.  
42 Renewal applications may be filed up to 90 days prior to the  
43 expiration of the establishment's license. The division shall:

44 (1) begin accepting and processing applications one year  
45 following the effective date of P.L. , c. (C. ) (pending  
46 before the Legislature as this bill);

1 (2) immediately forward a copy of each application to the local  
2 governmental entity in which the applicant desires to operate the  
3 marijuana establishment;

4 (3) upon the approval of a license application and collection of  
5 the annual license fee, issue an annual license to the applicant  
6 between 45 and 90 days after receipt of an application unless the  
7 division finds the applicant is not in compliance with regulations  
8 enacted pursuant to the provisions of section 8 of P.L. ,  
9 c. (C. ) (pending before the Legislature as this bill) or the  
10 division is notified by the relevant local governmental entity that  
11 the applicant is not in compliance with ordinances and regulations  
12 made pursuant to the provisions of section 11 of P.L. ,  
13 c. (C. ) (pending before the Legislature as this bill) and in  
14 effect at the time of application, provided, where a local  
15 governmental entity has enacted a numerical limit on the number of  
16 marijuana establishments and a greater number of applicants seek  
17 licenses, the division shall solicit and consider input from the local  
18 governmental entity as to the local governmental entity's preference  
19 or preferences for licensure; and

20 (4) upon denial of an application, notify the applicant in writing  
21 of the specific reason for its denial.

22 b. If the division does not issue a license to an applicant within  
23 90 days of receipt of the completed application filed pursuant to  
24 subsection a. of this section, and does not notify the applicant of the  
25 specific reason for its denial, in writing and within such time  
26 period; or, if the division has adopted regulations pursuant to  
27 subsection a. of section 8 of P.L. ,c. , (C. ) (pending before  
28 the Legislature as this bill) and has accepted applications pursuant  
29 to subsection a. of this section but has not issued any licenses 90  
30 days after one year following the effective date of P.L. ,  
31 c. (C. ) (pending before the Legislature as this bill), the  
32 applicant may resubmit its application directly to the local  
33 governmental entity, and the local governmental entity may issue an  
34 annual license to the applicant unless the local governmental entity  
35 has enacted an ordinance prohibiting the operation of a marijuana  
36 establishment. A local governmental entity issuing a license to an  
37 applicant shall do so within 90 days of receipt of the resubmitted  
38 application unless the local governmental entity finds and notifies  
39 the applicant that the applicant is not in compliance with ordinances  
40 and regulations in effect at the time the application is resubmitted.  
41 The local governmental entity shall notify the division if an annual  
42 license has been issued to the applicant. If an application is  
43 submitted to a local governmental entity under this subsection, the  
44 division shall forward to the local governmental entity the  
45 application fee paid by the applicant to the division upon request by  
46 the local governmental entity. A license issued by a local  
47 governmental entity in accordance with this subsection shall have  
48 the same force and effect as a license issued by the division and the

1 holder of such license shall not be subject to regulation or  
2 enforcement by the division during the term of that license. A  
3 subsequent or renewed license may be issued under this subsection  
4 on an annual basis only upon resubmission to the local  
5 governmental entity of a new application submitted to the division.

6 c. If the division does not adopt regulations required by  
7 subsection a. of section 8 of P.L. , c. (C. ) (pending before  
8 the Legislature as this bill), an applicant may submit an application  
9 directly to a local governmental entity one year following the  
10 effective date of P.L. , c. (C. ) (pending before the  
11 Legislature as this bill), and the local governmental entity may issue  
12 an annual license to the applicant. A local governmental entity  
13 issuing a license to an applicant shall do so within 90 days of  
14 receipt of the application unless it finds and notifies the applicant  
15 that the applicant is not in compliance with ordinances and  
16 regulations in effect at the time of application and shall notify the  
17 division if an annual license has been issued to the applicant. A  
18 license issued by a local governmental entity in accordance with  
19 this subsection shall have the same force and effect as a license  
20 issued by the division and the holder of such license shall not be  
21 subject to regulation or enforcement by the division during the term  
22 of that license. A subsequent or renewed license may be issued  
23 under this subsection on an annual basis if the division has not  
24 adopted regulations required by section 8 of P.L. ,  
25 c. , (C. ) (pending before the Legislature as this bill) at least  
26 90 days prior to the date upon which such subsequent or renewed  
27 license would be effective.

28 d. No employee of the division shall have any interest, directly  
29 or indirectly, in the producing, processing, or sale of marijuana,  
30 marijuana products, or marijuana paraphernalia, or derive any profit  
31 or remuneration from the sale of marijuana, marijuana products, or  
32 marijuana paraphernalia, other than the salary or wages payable to  
33 him or her in respect of his or her position, or receive any gratuity  
34 from any person in connection with the application for a license or  
35 the sale of marijuana, marijuana products, or marijuana  
36 paraphernalia.

37  
38 13. (New section) A marijuana producer must have a Class 1  
39 Marijuana Cultivation Facility license (Marijuana Producers  
40 license) issued by the division for the premises at which the  
41 marijuana is produced. The division shall determine the maximum  
42 number of licenses but, providing there exist qualified applicants,  
43 shall issue a sufficient number of licenses to meet the production  
44 demands that implementation of P.L. , c. (C. ) (pending  
45 before the Legislature as this bill) requires.

46 A person who has been convicted of a crime involving any  
47 controlled dangerous substance or controlled substance analog as

5 (pending before the Legislature as this bill) and was for a violation  
6 of federal law relating to possession or sale of marijuana for  
7 conduct that is authorized under P.L. , c. (C. ) (pending  
8 before the Legislature as this bill).

9 a. To hold a production license under this section, a marijuana

33 information shall be performed pursuant to this section unless the  
34 applicant has furnished his written consent to that check. An  
35 applicant who refuses to consent to, or cooperate in, the securing of  
36 a check of criminal history record background information shall not  
37 be considered for a production license. An applicant shall bear the  
38 cost for the criminal history record background check, including all  
39 costs of administering and processing the check.

40 (c) The director shall not approve an applicant for a Class 1  
41 Marijuana Cultivation facility license (Marijuana Producers license)  
42 if the criminal history record background information of the  
43 applicant reveals any disqualifying conviction.

44 (d) Upon receipt of the criminal history record background  
45 information from the Division of State Police and the Federal  
46 Bureau of Investigation, the director shall provide written  
47 notification to the applicant of his qualification for or  
48 disqualification for a Class 1 Marijuana Cultivation Facility license.

1 If the applicant is disqualified because of a disqualifying  
2 conviction pursuant to the provisions of this section, the conviction  
3 that constitutes the basis for the disqualification shall be identified  
4 in the written notice.

5 (e) The Division of State Police shall promptly notify the

36 marijuana plants made by a marijuana producer licensed under this  
37 section.

48 before the Legislature as this bill) and the requirements of this

1 section are met and the information contained in the application has  
2 been verified. The director shall approve or deny an application  
3 within 60 days after receipt of a completed application. The denial  
4 of an application shall be considered a final agency decision,  
5 subject to review by the Appellate Division of the Superior Court.

11 controlled dangerous substance or controlled substance analog as  
12 set forth in chapter 35 of Title 2C of the New Jersey Statutes except  
13 paragraph (4) of subsection a. of N.J.S.2C:35-10, or any similar law

35 quantity of five grams or more but less than one pound including  
36 any adulterants or dilutants, is guilty of a crime of the third degree

43 before the Legislature as this bill)

44 (13) Any other controlled dangerous substance classified in  
45 Schedule I, II, III or IV, or its analog, is guilty of a crime of the  
46 third degree, except that, notwithstanding the provisions of  
47 subsection b. of N.J.S.2C:43-3, a fine of up to \$25,000.00 may be  
48 imposed; or

1 (14) Any Schedule V substance, or its analog, is guilty of a

4 \$25,000.00 may be imposed.

5 c. Where the degree of the offense for violation of this section  
6 depends on the quantity of the substance, the quantity involved  
7 shall be determined by the trier of fact. Where the indictment or  
8 accusation so provides, the quantity involved in individual acts of  
9 manufacturing, distribution, dispensing or possessing with intent to  
10 distribute may be aggregated in determining the grade of the  
11 offense, whether distribution or dispensing is to the same person or  
12 several persons, provided that each individual act of manufacturing,  
13 distribution, dispensing or possession with intent to distribute was  
14 committed within the applicable statute of limitations.

16  
17 29. Section 1 of P.L.1987, c.101 (C.2C:35-7) is amended to read  
18 as follows:

19 1. Except as authorized by P.L. \_\_\_\_\_, c. \_\_\_\_\_ (C. \_\_\_\_\_) (pending  
20 before the Legislature as this bill):

21 a. Any person who violates subsection a. of N.J.S.2C:35-5 by  
22 distributing, dispensing or possessing with intent to distribute a  
23 controlled dangerous substance or controlled substance analog  
24 while on any school property used for school purposes which is  
25 owned by or leased to any elementary or secondary school or school  
26 board, or within 1,000 feet of such school property or a school bus,  
27 or while on any school bus, is guilty of a crime of the third degree  
28 and shall, except as provided in N.J.S.2C:35-12, be sentenced by  
29 the court to a term of imprisonment. Where the violation involves  
30 less than one ounce of marijuana, the term of imprisonment shall  
31 include the imposition of a minimum term which shall be fixed at,  
32 or between, one-third and one-half of the sentence imposed, or one  
33 year, whichever is greater, during which the defendant shall be  
34 ineligible for parole. In all other cases, the term of imprisonment  
35 shall include the imposition of a minimum term which shall be  
36 fixed at, or between, one-third and one-half of the sentence  
37 imposed, or three years, whichever is greater, during which the  
38 defendant shall be ineligible for parole. Notwithstanding the  
39 provisions of subsection b. of N.J.S.2C:43-3, a fine of up to  
40 \$150,000 may also be imposed upon any conviction for a violation  
41 of this section.

42 b. (1) Notwithstanding the provisions of N.J.S.2C:35-12 or  
43 subsection a. of this section, the court may waive or reduce the  
44 minimum term of parole ineligibility required under subsection a. of  
45 this section or place the defendant on probation pursuant to  
46 paragraph (2) of subsection b. of N.J.S.2C:43-2. In making this  
47 determination, the court shall consider:

1 (a) the extent of the defendant's prior criminal record and the  
2 seriousness of the offenses for which the defendant has been  
3 convicted;

4 (b) the specific location of the present offense in relation to the  
5 school property, including distance from the school and the  
6 reasonable likelihood of exposing children to drug-related activities  
7 at that location;

8 (c) whether school was in session at the time of the offense; and

9 (d) whether children were present at or in the immediate vicinity  
10 of the location when the offense took place.

11 (2) The court shall not waive or reduce the minimum term of  
12 parole ineligibility or sentence the defendant to probation if it finds  
13 that:

14 (a) the offense took place while on any school property used for  
15 school purposes which is owned by or leased to any elementary or  
16 secondary school or school board, or while on any school bus; or

17 (b) the defendant in the course of committing the offense used  
18 or threatened violence or was in possession of a firearm.

19 If the court at sentencing elects not to impose a minimum term of  
20 imprisonment and parole ineligibility pursuant to this subsection,  
21 imposes a term of parole ineligibility less than the minimum term  
22 prescribed in subsection a. of this section, or places the defendant  
23 on probation for a violation of subsection a. of this section, the  
24 sentence shall not become final for 10 days in order to permit the  
25 prosecution to appeal the court's finding and the sentence imposed.  
26 The Attorney General shall develop guidelines to ensure the  
27 uniform exercise of discretion in making determinations regarding  
28 whether to appeal a decision to waive or reduce the minimum term  
29 of parole ineligibility or place the defendant on probation.

30 Nothing in this subsection shall be construed to establish a basis  
31 for overcoming a presumption of imprisonment authorized or  
32 required by subsection d. of N.J.S.2C:44-1, or a basis for not  
33 imposing a term of imprisonment or term of parole ineligibility  
34 authorized or required to be imposed pursuant to subsection f. of  
35 N.J.S.2C:43-6 or upon conviction for a crime other than the offense  
36 set forth in this subsection.

37 c. Notwithstanding the provisions of N.J.S.2C:1-8 or any other  
38 provisions of law, a conviction arising under this section shall not  
39 merge with a conviction for a violation of subsection a. of  
40 N.J.S.2C:35-5 (manufacturing, distributing or dispensing) or  
41 N.J.S.2C:35-6 (employing a juvenile in a drug distribution scheme).

42 d. It shall be no defense to a prosecution for a violation of this  
43 section that the actor was unaware that the prohibited conduct took  
44 place while on or within 1,000 feet of any school property. Nor  
45 shall it be a defense to a prosecution under this section, or under  
46 any other provision of this title, that no juveniles were present on  
47 the school property at the time of the offense or that the school was  
48 not in session.

1 e. It is an affirmative defense to prosecution for a violation of  
2 this section that the prohibited conduct took place entirely within a  
3 private residence, that no person 17 years of age or younger was  
4 present in such private residence at any time during the commission  
5 of the offense, and that the prohibited conduct did not involve  
6 distributing, dispensing or possessing with the intent to distribute or  
7 dispense any controlled dangerous substance or controlled  
8 substance analog for profit. The affirmative defense established in  
9 this section shall be proved by the defendant by a preponderance of  
10 the evidence. Nothing herein shall be construed to establish an  
11 affirmative defense with respect to a prosecution for an offense  
12 defined in any other section of this chapter.

13 f. In a prosecution under this section, a map produced or  
14 reproduced by any municipal or county engineer for the purpose of  
15 depicting the location and boundaries of the area on or within 1,000  
16 feet of any property used for school purposes which is owned by or  
17 leased to any elementary or secondary school or school board, or a  
18 true copy of such a map, shall, upon proper authentication, be  
19 admissible and shall constitute prima facie evidence of the location  
20 and boundaries of those areas, provided that the governing body of  
21 the municipality or county has adopted a resolution or ordinance  
22 approving the map as official finding and record of the location and  
23 boundaries of the area or areas on or within 1,000 feet of the school  
24 property. Any map approved pursuant to this section may be  
25 changed from time to time by the governing body of the  
26 municipality or county. The original of every map approved or  
27 revised pursuant to this section, or a true copy thereof, shall be filed  
28 with the clerk of the municipality or county, and shall be  
29 maintained as an official record of the municipality or county.  
30 Nothing in this section shall be construed to preclude the  
31 prosecution from introducing or relying upon any other evidence or  
32 testimony to establish any element of this offense; nor shall this  
33 section be construed to preclude the use or admissibility of any map  
34 or diagram other than one which has been approved by the  
35 governing body of a municipality or county, provided that the map  
36 or diagram is otherwise admissible pursuant to the Rules of  
37 Evidence.

39

40 30. Section 1 of P.L.1997, c.327 (C.2C:35-7.1) is amended to  
41 read as follows:

42 1. Except as authorized by P.L. \_\_\_\_\_, c. \_\_\_\_\_ (C. \_\_\_\_\_) (pending  
43 before the Legislature as this bill):

44 a. Any person who violates subsection a. of N.J.S.2C:35-5 by  
45 distributing, dispensing or possessing with intent to distribute a  
46 controlled dangerous substance or controlled substance analog  
47 while in, on or within 500 feet of the real property comprising a  
48 public housing facility, a public park, or a public building is guilty

1 of a crime of the second degree, except that it is a crime of the third  
2 degree if the violation involved less than one ounce of marijuana.

3 b. It shall be no defense to a prosecution for violation of this  
4 section that the actor was unaware that the prohibited conduct took  
5 place while on or within 500 feet of a public housing facility, a  
6 public park, or a public building.

7 c. Notwithstanding the provisions of N.J.S.2C:1-8 or any other  
8 provisions of law, a conviction arising under this section shall not  
9 merge with a conviction for a violation of subsection a. of  
10 N.J.S.2C:35-5 (manufacturing, distributing or dispensing) or  
11 N.J.S.2C:35-6 (employing a juvenile in a drug distribution scheme).  
12 Nothing in this section shall be construed to preclude or limit a  
13 prosecution or conviction for a violation of N.J.S.2C:35-7 or any  
14 other offense defined in this chapter.

15 d. It is an affirmative defense to prosecution for a violation of  
16 this section that the prohibited conduct did not involve distributing,  
17 dispensing or possessing with the intent to distribute or dispense  
18 any controlled dangerous substance or controlled substance analog  
19 for profit, and that the prohibited conduct did not involve  
20 distribution to a person 17 years of age or younger. The affirmative  
21 defense established in this section shall be proved by the defendant  
22 by a preponderance of the evidence. Nothing herein shall be  
23 construed to establish an affirmative defense with respect to a  
24 prosecution for an offense defined in any other section of this  
25 chapter.

26 e. In a prosecution under this section, a map produced or  
27 reproduced by any municipal or county engineer for the purpose of

29 feet of a public housing facility which is owned by or leased to a  
30 housing authority according to the "Local Redevelopment and  
31 Housing Law," P.L.1992, c.79 (C.40A:12A-1 et seq.), the area in or  
32 within 500 feet of a public park, or the area in or within 500 feet of  
33 a public building, or a true copy of such a map, shall, upon proper  
34 authentication, be admissible and shall constitute prima facie  
35 evidence of the location and boundaries of those areas, provided  
36 that the governing body of the municipality or county has adopted a  
37 resolution or ordinance approving the map as official finding and  
38 record of the location and boundaries of the area or areas on or  
39 within 500 feet of a public housing facility, a public park, or a  
40 public building. Any map approved pursuant to this section may be  
41 changed from time to time by the governing body of the  
42 municipality or county. The original of every map approved or  
43 revised pursuant to this section, or a true copy thereof, shall be filed  
44 with the clerk of the municipality or county, and shall be  
45 maintained as an official record of the municipality or county.  
46 Nothing in this section shall be construed to preclude the  
47 prosecution from introducing or relying upon any other evidence or  
48 testimony to establish any element of this offense; nor shall this

1 section be construed to preclude the use or admissibility of any map  
2 or diagram other than one which has been approved by the  
3 governing body of a municipality or county, provided that the map  
4 or diagram is otherwise admissible pursuant to the Rules of  
5 Evidence.

12 conviction under this subsection for the State to prove that the  
13 accused did use or was under the influence of some controlled  
14 dangerous substance, counterfeit controlled dangerous substance, or

43 bill would permit consumption that is conducted openly  
44 and publicly; or
- 45 • assisting another person who is 21 years of age or older in  
46 any of the acts described above.

1 Section 4 of the bill provides that the following acts would also  
2 not be unlawful or a basis for seizure or forfeiture of assets for  
3 persons 21 years of age or older:

12 products to consumers, if the person conducting the  
13 activities has obtained a current, valid license to operate a  
14 retail marijuana store or is acting in his capacity as an

48 facility;

- 1           • leasing or otherwise allowing the use of property owned,  
2           occupied or controlled by any person, corporation or  
3           other entity for any of the activities conducted lawfully.

4           Sections 7 and 8 describe the powers and duties of the newly  
5           created Division of Marijuana Enforcement and the regulation of  
6           marijuana generally. The bill provides for the division to adopt  
7           rules and regulations necessary for implementation of the bill. The  
8           regulations could not prohibit the operation of marijuana  
9           establishments, either expressly or through regulations that make  
10          their operation unreasonably impracticable. The bill would require  
11          regulations to include the following: procedures for the application,  
12          issuance, denial, renewal, suspension, and revocation of a license to  
13          operate a marijuana establishment; the establishment by the division  
14          of license application fees. Additional required regulations must  
15          include licensing goals for minority owned and female owned  
16          businesses under the act; security requirements for marijuana  
17          establishments; requirements to prevent the sale or diversion of  
18          marijuana and marijuana products to underage persons; labeling and  
19          packaging requirements; health and safety regulations and standards  
20          for the manufacture and sale of marijuana products; advertisement  
21          restrictions; procedures for the division to conduct unannounced  
22          visits to marijuana establishments; a requirement that only  
23          marijuana, marijuana based products and paraphernalia be available  
24          for sale at a marijuana establishment; and civil penalties for the  
25          failure to comply with established regulations.

26          Section 9 mandates that the division develop a system for  
27          tracking the transfer of marijuana items between licensed premises  
28          capable, at a minimum, of tracking among other categories, the  
29          propagation of immature marijuana plants, the processing of  
30          marijuana by a processor, the receiving, storing and delivering of  
31          marijuana items by a wholesaler, the sale of marijuana items by a  
32          marijuana retailer to a consumer; the purchase and sale of marijuana  
33          items between licensees, the transfer of marijuana items between  
34          licensed premises; and the collection of taxes imposed upon the  
35          retail sale of marijuana items.

36          Section 10 of the bill establishes a tax levied upon marijuana  
37          sold or otherwise transferred by a marijuana cultivation facility to a  
38          marijuana product manufacturing facility or to a retail marijuana  
39          store. To encourage early participation in and development of  
40          marijuana establishments and to undermine the illegal market, the  
41          bill proposes an escalating tax rate of seven percent in the first year;  
42          10 percent in year two; 15% in year three; 20% in year four; and  
43          25% in year five and beyond. The Department of the Treasury  
44          would establish procedures for the collection of all taxes levied.

45          The bill specifies that no tax would be levied upon marijuana  
46          intended for sale at medical marijuana centers pursuant to the “New  
47          Jersey Compassionate Use Medical Marijuana Act,” P.L.2009,  
48          c.307 (C.24:6I-1 et seq.).

1 Section 11 provides for local governmental entity regulations or  
2 ordinances. The bill provides that each local governmental entity  
3 shall enact an ordinance or regulation specifying the entity within  
4 the local governmental entity that is responsible for processing  
5 applications submitted for a license to operate a marijuana  
6 establishment within the boundaries of the local governmental  
7 entity and for the issuance of such licenses, should the issuance by  
8 the local governmental entity become necessary because of a failure  
9 by the division to adopt regulations or to process and issue licenses.

10 The local governmental entity may enact ordinances or  
11 regulations, not in conflict with the provisions of the bill, that  
12 address the following:

13 -- governing the time, place, manner and number of marijuana  
14 establishment operations;

15 -- establishing procedures for the issuance, suspension, and  
16 revocation of a license issued by the local governmental entity;

17 -- establishing a schedule of annual operating, licensing, and  
18 application fees for marijuana establishments, provided, the  
19 application fee shall only be due if an application is submitted to a  
20 local governmental entity in accordance with the provisions of the  
21 bill and a licensing fee shall only be due if a license is issued by a  
22 local governmental entity; and

23 -- establishing civil penalties for violation of an ordinance or  
24 regulation governing the time, place, and manner of a marijuana  
25 establishment that may operate in such local governmental entity.

26 The bill provides that a local governmental entity may prohibit  
27 the operation of marijuana cultivation facilities, marijuana product  
28 manufacturing facilities, marijuana testing facilities, or retail  
29 marijuana stores through the enactment of an ordinance. Under the  
30 bill, the failure of a local governmental entity to enact an ordinance  
31 prohibiting the operation of a marijuana establishment shall thereby  
32 permit the operation of a marijuana retail establishment within the  
33 local governmental entity for a period of five years, at the end of  
34 which five year period, and every five year period thereafter, the  
35 local governmental entity shall again be permitted to prohibit the  
36 operation of a marijuana establishment.

37 Section 12 establishes the application process. Under the bill,  
38 each application for an annual license to operate a marijuana  
39 establishment would be submitted to the division. A separate  
40 license shall be required for each location at which a marijuana  
41 establishment seeks to operate. Renewal applications may be filed  
42 up to 90 days prior to the expiration of the establishment's license.

43 Sections 13 through 18 establish the different classes of licenses  
44 and the requirements to obtain licensure.

45 A marijuana producer must have a Class 1 Marijuana Cultivation  
46 Facility license issued by the division for the premises at which the  
47 marijuana is produced.

1 A marijuana processor must have a Class 1 Marijuana Product  
2 Manufacturing Facility license issued by the division for the  
3 premises at which the marijuana is processed.

4 A marijuana wholesaler must have a Class 2 Marijuana  
5 Wholesaler license issued by the division for the premises at which  
6 the marijuana is warehoused.

7 A marijuana retailer must have a Class 3 Marijuana Retailer  
8 license issued by the division for the premises at which the  
9 marijuana is retailed.

10 A marijuana transporter must have a Class 4 Marijuana  
11 Transportation license issued by the division.

12 All prospective licensees must complete application  
13 requirements, meet residency requirements, and undergo a criminal  
14 history record background check.

15 Section 22 provides that a currently operating medical marijuana  
16 facility operating in good standing can immediately apply for a  
17 license to operate to distribute marijuana to a person who is not a  
18 medical marijuana patient.

19 Section 23 permits a person convicted of marijuana possession to  
20 present an application for expungement to the Superior Court.

21 Sections 25 through 33 update existing sections of law to reflect  
22 the decriminalization of marijuana under the bill.

23 Section 38 establishes that all fees and penalties collected by the  
24 Director of the Division of Marijuana Enforcement shall be  
25 forwarded to the State Treasurer for deposit in a special nonlapsing  
26 fund which shall be known as the Marijuana Control and Regulation  
27 Fund. Monies in the fund shall be used exclusively for the  
28 operation of the Division of Marijuana Enforcement and for  
29 reimbursement of all additional costs of enforcement

30 Section 39 establishes a Marijuana Regulation Review  
31 Commission which shall be responsible to review and approve  
32 regulations developed by the division. The commission shall  
33 consist of three members as follows: one member appointed by the  
34 Governor, who shall be the presiding officer, one member  
35 appointed by the President of the Senate, who shall be a member of  
36 the Senate, and one member appointed by the Speaker of the  
37 General Assembly, who shall be a member of the General  
38 Assembly. The concurrence of two of the members of the  
39 commission shall be necessary to validate all acts of the  
40 commission.

41 Section 40 provides that following enactment of the legislation  
42 but prior to the effective date, established as one year following  
43 enactment, the possession of up to 50 grams of marijuana shall  
44 constitute a civil violation not subject to arrest, and limited to a fine  
45 of up to \$100.

46 The bill shall take effect on the 360<sup>th</sup> day following enactment,  
47 but the director may take such anticipatory action as may be  
48 necessary to effectuate the provisions.
