1 AN ACT concerning health insurance and health care providers and
2 supplementing various parts of the statutory law.

3

4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6

7 1. This act shall be known and may be cited as the “Out-of-
8 network Consumer Protection, Transparency, Cost Containment and
9 Accountability Act.”

10

11 2. The Legislature finds and declares that:

12 a. The health care delivery system in New Jersey needs reforms
13 that will enhance consumer protections, create a system to resolve
14 certain health care billing disputes, contain rising costs, and measure
15 success with respect to these goals;

16 b. Despite existing State and federal laws and regulations to
17 protect against certain surprise out-of-network charges, these charges
18 continue to pose a problem for health care consumers in New Jersey.
19 Many consumers find themselves with surprise bills for hospital
20 emergency room procedures or for charges by providers that the
21 consumer had no choice in selecting;

22 c. While the Patient Protection and Affordable Care Act added
23 new patient protections requiring federally-regulated group health
24 plans to reimburse for out-of-network emergency service by paying
25 the greatest of three possible amounts: (1) the amount negotiated with
26 in-network providers for the emergency service furnished; (2) the
27 amount for the emergency service calculated using the same method
28 the plan generally uses to determine payments for out-of-network
29 services; or (3) the amount that would be paid under Medicare for the
30 emergency service, patients continue to face out-of-network charges
31 for surprise bills;

32 d. Out-of-network benefits are a health insurance benefit
33 enhancement for which insureds pay an additional premium, but in
34 recent years, out-of-network coverage has been used inappropriately as
35 a means to diminish consumers’ health insurance coverage, exposing
36 consumers to additional costs;

37 e. Carriers and consumers continue to report exorbitant charges
38 by certain health care professionals and facilities for out-of-network
39 services, including balance billing, and in certain cases, consumers’
40 bills are referred to collection, which contributes to the increasing
41 costs of health care services and insurance and imposes hardships on
42 health care consumers;

43 f. Health care providers and hospitals report that inadequate
44 reimbursement from carriers and government payers is causing

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

Matter enclosed in superscript numerals has been adopted as follows:

¹Assembly AAP committee amendments adopted April 5, 2018.

1 financial stress on safety net hospitals, deteriorating morale among
2 providers and reduced quality of care for consumers;

3 g. It is, therefore, in the public interest to reform the health care
4 delivery system in New Jersey to enhance consumer protections, create
5 a system to resolve certain health care billing disputes, contain rising
6 costs, and measure success with respect to these goals.

7

18 selected the out-of-network provider. Disclosure by a provider of

33 the health care provider; and not more costly than an alternative

33 covered person at the time of referral to, or coordination of, services
34 with that provider. The physician shall provide instructions as to

23

24 6. a. A carrier shall update the carrier's website within 20 days
25 of the addition or termination of a provider from the carrier's
26 network or a change in a physician's affiliation with a facility,
27 provided that in the case of a change in affiliation the carrier has
28 had notice of such change.

29 b. With respect to out-of-network services, for each health
30 benefits plan offered, a carrier shall, consistent with State and
31 federal law, provide a covered person with:

32 (1) a clear and understandable description of the plan's out-of-
33 network health care benefits, including the methodology used by the
34 entity to determine the allowed amount for out-of-network services;

35 (2) the allowed amount the plan will reimburse under that
36 methodology and, in situations in which a covered person requests

42 as defined by the carrier's plan and the charges billed by an out-of-
43 network provider;

44 (3) examples of anticipated out-of-pocket costs for frequently
45 billed out-of-network services;

46 (4) information in writing and through an internet website that
47 reasonably permits a covered person or prospective covered person
48 to calculate the anticipated out-of-pocket cost for out-of-network

1 services in a geographical region or zip code based upon the
2 difference between the amount the carrier will reimburse for out-of-
3 network services and the usual and customary cost of out-of-
4 network services;

5 (5) information in response to a covered person's request,
6 concerning whether a health care provider is an in-network
7 provider;

8 (6) such other information as the commissioner determines
9 appropriate and necessary to ensure that a covered person receives
10 sufficient information necessary to estimate their out-of-pocket cost
11 for an out-of-network service and make a well-informed health care
12 decision; and

13 (7) access to a telephone hotline that shall be operated no less
14 than 16 hours per day for consumers to call with questions about
15 network status and out-of-pocket costs.

16 c. If a carrier authorizes a covered health care service to be
17 performed by an in-network health care provider with respect to any
18 health benefits plan, and the provider or facility status changes to
19 out-of-network before the authorized service is performed, the
20 carrier shall notify the covered person that the provider or facility is
21 no longer in-network as soon as practicable. If the carrier fails to
22 provide the notice at least 30 days prior to the authorized service
23 being performed, the covered person's financial responsibility shall
24 be limited to the financial responsibility the covered person would
25 have incurred had the provider been in-network with respect to the
26 covered person's health benefits plan.

27 d. A carrier shall incorporate into the Explanation of Benefits
28 and all reimbursement correspondence to the consumer and the
29 provider clear and concise notification that inadvertent and
30 involuntary out-of-network charges are not subject to balance
31 billing above and beyond the financial responsibility incurred under
32 the terms of the contract for in-network service. Any attempt by the
33 provider to collect, bill, or invoice funds should be promptly
34 reported to the carrier's customer service department at the phone
35 number that the carrier shall provide on the Explanation of Benefits
36 and all reimbursement correspondence to the consumer.

37 e. A carrier, and any other entity providing or administering a
38 self-funded health benefits plan that elects to be subject to section 9
39 of this act, shall issue a health insurance identification card to the
40 primary insured under a health benefits plan. In a form and manner
41 to be prescribed by the department, the card shall indicate whether
42 the plan is insured or, in the case of self-funded plans that elect to
43 be subject of section 9 of this act, whether the plan is self-funded
44 and whether the plan elected to be subject to this act.

45 ¹f. A carrier shall include in the carrier's annual public
46 regulatory filings, and in a manner to be determined by the
47 Department of Banking and Insurance, the number of claims
48 submitted by health care providers to the carrier which are denied or

1 down coded by the carrier and the reason for the denial or down
2 coding determination.¹

5 at any health care facility on an emergency or urgent basis as
6 defined by the Emergency Medical Treatment and Active Labor
7 Act, 42 U.S.C. s.1395dd et seq. and section 14 of P.L.1992, c.160
8 (C.26:2H-18.64), the facility shall not bill the covered person in
9 excess of any deductible, copayment, or coinsurance amount
10 applicable to in-network services pursuant to the covered person's
11 health benefits plan.

12 b. If a covered person receives medically necessary services at
13 an out-of-network health care facility on an emergency or urgent
14 basis as defined by the Emergency Medical Treatment and Active
15 Labor Act, 42 U.S.C. s.1395dd et seq. and section 14 of P.L.1992,
16 c.160 (C.26:2H-18.64), and the carrier and facility cannot agree on
17 the final offer as a reimbursement rate for these services pursuant to
18 section 9 of this act, the carrier, health care facility, or covered
19 person, as applicable, may initiate binding arbitration pursuant to
20 section 10 or 11 of this act.

21 c. If a health care facility is in-network with respect to any
22 health benefits plan, the facility shall ensure that all providers
23 providing services in the facility on an emergency or inadvertent
24 basis are provided notification of the provisions of this act and
25 information as to each health benefits plan with which the facility
26 has a contract to be in-network.

27 d. A health care facility that contracts with a carrier to be in-
28 network with respect to any health benefits plan shall annually
29 report to the Department of Health the health benefits plans with
30 which the facility has an agreement to be in-network.

31 e. Subsections a. and b. of this section shall only apply to
32 providers providing services to members of entities providing or
33 administering a self-funded health benefits plan and its plan
34 members if the entity elects to be subject to section 9 of this act
35 pursuant to subsection d. of that section.

36 f. The Department of Health shall make the information
37 collected pursuant to subsection d. of this section available to the
38 Department of Banking and Insurance.

39
40 8. a. If a covered person receives inadvertent out-of-network
41 services or medically necessary services at an in-network or out-of-
42 network health care facility on an emergency or urgent basis as
43 defined by the Emergency Medical Treatment and Active Labor
44 Act, 42 U.S.C. s.1395dd et seq. and section 14 of P.L.1992, c.160
45 (C.26:2H-18.64), the health care professional performing those
46 services shall:

- 1 (1) in the case of inadvertent out-of-network services, not bill
2 the covered person in excess of any deductible, copayment, or
3 coinsurance amount; and
- 4 (2) in the case of emergency and urgent services, not bill the
5 covered person in excess of any deductible, copayment, or
6 coinsurance amount, applicable to in-network services pursuant to
7 the covered person's health benefits plan.
- 8 b. If the carrier and the professional cannot agree on a
9 reimbursement rate for the services provided pursuant to subsection
10 a. of this section, pursuant to section 9 of this act the carrier,
11 professional, or covered person, as applicable, may initiate binding
12 arbitration pursuant to section 10 or 11 of this act.
- 13 c. This section shall only apply to providers providing services
14 to members of entities providing or administering a self-funded
15 health benefits plan and its plan members if the entity elects to be
16 subject to section 9 of this act pursuant to subsection d. of that
17 section.
- 18
- 19 9. Notwithstanding any law, rule, or regulation to the contrary:
- 20 a. With respect to a carrier, if a covered person receives
21 inadvertent out-of-network services, or services at an in-network or
22 out-of-network health care facility on an emergency or urgent basis,
23 the carrier shall ensure that the covered person incurs no greater
24 out-of-pocket costs than the covered person would have incurred
25 with an in-network health care provider for covered services.
26 Pursuant to sections 7 and 8 of this act, the out-of-network provider
27 shall not bill the covered person, except for applicable deductible,
28 copayment, or coinsurance amounts that would apply if the covered
29 person utilized an in-network health care provider for the covered
30 services. In the case of services provided to a member of a self-
31 funded plan that does not elect to be subject to the provisions of this
32 section, the provider shall be permitted to bill the covered person in
33 excess of the applicable deductible, copayment, or coinsurance
34 amounts.
- 35 b. (1) With respect to inadvertent out-of-network services, or
36 services at an in-network or out-of-network health care facility on
37 an emergency or urgent basis, benefits provided by a carrier that the
38 covered person receives for health care services shall be assigned to
39 the out-of-network health care provider, which shall require no
40 action on the part of the covered person. Once the benefit is
41 assigned as provided in this subsection:
- 42 (a) any reimbursement paid by the carrier shall be paid directly
43 to the out-of-network provider; and
- 44 (b) the carrier shall provide the out-of-network provider with a
45 written remittance of payment that specifies the proposed
46 reimbursement and the applicable deductible, copayment, or
47 coinsurance amounts owed by the covered person.

1 (2) An entity providing or administering a self-funded health
2 benefits plan that elects to participate in this section pursuant to
3 subsection d. of this section, shall comply with the provisions of
4 paragraph (1) of this subsection.

5 c. If inadvertent out-of-network services or services provided
6 at an in-network or out-of-network health care facility on an
7 emergency or urgent basis are performed in accordance with
8 subsection a. of this section, the out-of-network provider may bill
9 the carrier for the services rendered. The carrier may pay the billed
10 amount or the carrier shall determine within ~~'[30]~~ 20¹ days from
11 the date of the receipt of the claim for the services whether the
12 carrier considers the claim to be excessive, and if so, the carrier
13 shall notify the provider of this determination within ~~'[30]~~ 20¹
14 days of the receipt of the claim. If the carrier provides this
15 notification, the carrier and the provider shall have 30 days from the
16 date of this notification to negotiate a settlement. The carrier may
17 attempt to negotiate a final reimbursement amount with the out-of-
18 network health care provider which differs from the amount paid by
19 the carrier pursuant to this subsection. If there is no settlement
20 reached after the 30 days, the carrier shall pay the provider their
21 final offer for the services. If the carrier and provider cannot agree
22 on the final offer as a reimbursement rate for these services, the
23 carrier, provider, or covered person, as applicable, may initiate
24 binding arbitration within 30 days of the final offer, pursuant to
25 section 10 or 11 of this act. In addition, in the event that arbitration
26 is initiated pursuant to section 10 of this act, the payment shall be
27 subject to the binding arbitration provisions of paragraphs (4) and
28 (5) of subsection b. of section 10 of this act.

29 d. With respect to an entity providing or administering a self-
30 funded health benefits plan and its plan members, this section shall
31 only apply if the plan elects to be subject to the provisions of this
32 section. To elect to be subject to the provisions of this section, the
33 self-funded plan shall provide notice, on an annual basis, to the
34 department, on a form and in a manner prescribed by the
35 department, attesting to the plan's participation and agreeing to be
36 bound by the provisions of this section. The self-funded plan shall
37 amend the employee benefit plan, coverage policies, contracts and
38 any other plan documents to reflect that the benefits of this section
39 shall apply to the plan's members.

40
41 10. a. If attempts to negotiate reimbursement for services
42 provided by an out-of-network health care provider, pursuant to
43 subsection c. of section 9 of this act, do not result in a resolution of
44 the payment dispute, and the difference between the carrier's and
45 the provider's final offers is not less than \$1,000, the carrier or out-
46 of-network health care provider may initiate binding arbitration to
47 determine payment for the services.

- 1 b. The binding arbitration shall adhere to the following
2 requirements:
- 3 (1) The party requesting arbitration shall notify the other party
4 that arbitration has been initiated and state its final offer before
5 arbitration ¹, which in the case of the carrier shall be the amount
6 paid pursuant to subsection c. of section 9 of this act¹. In response
7 to this notice, the ¹~~["nonrequesting party"]~~ out-of-network provider¹
8 shall inform the ¹~~["requesting party"]~~ carrier¹ of its final offer before
9 the arbitration occurs;
- 10 (2) Arbitration shall be initiated by filing a request with the
11 department;
- 12 (3) The department shall contract, through the request for
13 proposal process, every three years, with one or more entities that
14 have experience in health care pricing arbitration. The arbitrators
15 shall be American Arbitration Association certified arbitrators. The
16 department may initially utilize the entity engaged under the
17 "Health Claims Authorization, Processing, and Payment Act,"
18 P.L.2005, c.352 (C.17B:30-48 et seq.), for arbitration under this act;
19 however, after a period of one year from the effective date of this
20 act, the selection of the arbitration entity shall be through the
21 Request for Proposal process. Claims that are subject to arbitration
22 pursuant to the provisions of this act, which previously would be
23 subject to arbitration pursuant to the "Health Claims Authorization,
24 Processing, and Payment Act," shall instead be subject to this act;
- 25 (4) The arbitration shall consist of a review of the written
26 submissions by both parties, which shall include the final offer for
27 the payment by the carrier for the out-of-network health care
28 provider's fee made pursuant to subsection c. of section 9 of this act
29 ¹~~["], or a lower offer,"]~~¹ and the final offer by the out-of-network
30 provider for the fee the provider will accept as payment from the
31 carrier; and
- 32 (5) The arbitrator's decision shall be one of the two amounts
33 submitted by the parties as their final offers and shall be binding on
34 both parties. The decision of the arbitrator shall include written
35 findings and shall be issued within ¹~~["45"]~~ 30¹ days after the request
36 is filed with the department. The arbitrator's expenses and fees
37 shall be split equally among the parties except in situations in which
38 the arbitrator determines that the payment made by the carrier was
39 not made in good faith, in which case the carrier shall be
40 responsible for all of the arbitrator's expenses and fees. Each party
41 shall be responsible for its own costs and fees, including legal fees
42 if any.
- 43 c. ¹~~["In making a determination pursuant to subsection b. of this~~
44 ~~section, the arbitrator shall consider:~~
- 45 (1) the level of training, education, and experience of the health
46 care professional;

1 (2) the health care provider's usual charge for comparable
2 services provided in-network and out-of-network with respect to
3 any health benefits plans;

4 (3) the circumstances and complexity of the particular case,
5 including the time and place of the service;

6 (4) individual patient characteristics; and

7 (5) as certified by an independent actuary:

8 (a) the average in-network amount paid for the service by that
9 carrier; and

10 (b) the average amount paid for that service to other out-of-
11 network providers by that carrier.

12 d. ¹(1) The amount awarded by the arbitrator ¹that is in excess
13 of any payment already made pursuant to subsection c. of section 9
14 of this act¹ shall be paid within 20 days of the arbitrator's decision
15 as provided in subsection b. of this section.

16 (2) The interest charges for overdue payments, pursuant to
17 P.L.1999, c.154 (C.17B:30-23 et al.), shall not apply during the
18 pendency of a decision under subsection b. of this section and any
19 interest required to be paid a provider pursuant to P.L.1999, c.154
20 (C.17B:30-23 et al.) shall not accrue until after 20 days following
21 an arbitrator's decision as provided in subsection b. of this section,
22 but in no circumstances longer than 150 days from the date that the
23 out-of-network provider billed the carrier for services rendered,
24 unless both parties agree to a longer period of time.

25 ¹**[e.] d.**¹ This section shall apply only if the covered person
26 complies with any applicable preauthorization or review
27 requirements of the health benefits plan regarding the determination
28 of medical necessity to access in-network inpatient or outpatient
29 benefits.

30 ¹**[f.] e.**¹ This section shall not apply to a covered person who
31 knowingly, voluntarily, and specifically selected an out-of-network
32 provider for health care services.

33 ¹**[g.] f.**¹ In the event an entity providing or administering a
34 self-funded health benefits plan elects to be subject to the
35 provisions of section 9 of this act, as provided in subsection d. of
36 that section, the provisions of this section shall apply to a self-
37 funded plan in the same manner as the provisions of this section
38 apply to a carrier. If a self-funded plan does not elect to be subject
39 to the provision of section 9 of this act, a member of that plan may
40 initiate binding arbitration as provided in section 11 of this act.

41

42 11. a. If attempts to negotiate reimbursement for services
43 between an out-of-network health care provider and a member of a
44 self-funded plan that does not elect to be subject to the provision of
45 section 9 of this act do not result in a resolution of the payment
46 dispute within 30 days after the plan member is sent a bill for the
47 services, the plan member or out-of-network health care provider

1 may initiate binding arbitration to determine payment for the
2 services. Unless negotiations for reimbursement result in an
3 agreement between the provider and the plan member within the 30
4 days, a provider shall not collect or attempt to collect
5 reimbursement, including initiation of any collection proceedings,
6 until the provider files a request for arbitration with the department
7 pursuant to this section.

8 b. The binding arbitration shall adhere to the following
9 requirements:

10 (1) Arbitration shall be initiated by filing a request with the
11 department. The department shall establish a process to notify the
12 other party that arbitration has been initiated and to inform a plan
13 member of the process to arbitrate pursuant to this section;

14 (2) The arbitrator with which the department contracts pursuant
15 to section 10 of this act shall conduct the arbitration pursuant to this
16 section;

17 (3) The arbitrator shall consider information supplied by both
18 parties; and

19 (4) The arbitrator's decision shall include written findings,
20 including a final binding amount that the arbitrator determines is
21 reasonable for the service, which shall include a non-binding
22 recommendation to the entity providing or administering the self-
23 funded health benefits plan of an amount that would be reasonable
24 for the entity to contribute to payment for the service, and shall be
25 issued within ¹[45] 30¹ days after the request is filed with the
26 department.

27 c. The arbitrator's expenses and fees shall be divided equally
28 among the parties, unless the payment would pose a financial
29 hardship to the plan member, in which case the department shall
30 establish an agreement with the arbitrator to waive any part or all of
31 the cost of arbitration. Each party shall be responsible for its own
32 costs and fees, including legal fees, if any.

33 d. ¹[In making a determination pursuant to subsection b. of this
34 section, the arbitrator shall consider:

35 (1) the level of training, education, and experience of the health
36 care professional;

37 (2) the health care provider's usual charge for comparable
38 services provided in-network and out-of-network with respect to
39 any health benefits plans;

40 (3) the circumstances and complexity of the particular case,
41 including the time and place of the service;

42 (4) individual patient characteristics;

43 (5) as certified by an independent actuary:

44 (a) the average in-network amount paid for the service by that
45 self-funded plan; and

46 (b) the average amount paid for that service to other out-of-
47 network providers by that self-funded plan; and

1 (6) the out-of-network benefit design of the member's health
2 plan and the amount the entity providing or administering the self-
3 funded health benefits plan contributes, if anything, to the cost of
4 the service.

5 e.]¹ This section shall not apply to a covered person who
6 knowingly, voluntarily, and specifically selected an out-of-network
7 provider for health care services.

8
9 12. On or before January 31 of each calendar year, the

12 this act that the commissioner deems appropriate to make publicly
13 available to further the goals of the act.

14
15 13. a. A carrier shall provide a written notice, in a form and
16 manner to be prescribed by the Commissioner of Banking and
17 Insurance, to each covered person of the protections provided to
18 covered persons pursuant to this act. The notice shall include
19 information on how a consumer can contact the department or the

29 pursuant to section 11 of this act.

30
31 14. ¹a.¹ A carrier shall calculate, as part of rate filings required
32 to be filed under New Jersey law, the savings that result from a
33 reduction in out-of-network claims payments pursuant to the
34 provisions of this act. The department shall include that
35 information in the information provided on the department's
36 website pursuant to section 12 of this act.

37 ¹b. The department shall report to the Governor, and to the

46 care provider, directly or indirectly related to a claim, knowingly
47 waives, rebates, gives, pays, or offers to waive, rebate, give or pay all

1 or part of the deductible, copayment, or coinsurance owed by a
2 covered person pursuant to the terms of the covered person's health
3 benefits plan as an inducement for the covered person to seek health
4 care services from that provider. As the commissioner shall prescribe
5 by regulation, a pattern of waiving, rebating, giving or paying all or
6 part of the deductible, copayment or coinsurance by a provider shall be
7 considered an inducement for the purposes of this subsection.

8 b. This section shall not apply to any waiver, rebate, gift,

18 auditing firm. The audit shall be at the expense of the carrier and the
19 carrier shall submit the audit findings to the commissioner. The
20 commissioner shall make the results of the audit available on the
21 department's website. If the audit contains a determination that a
22 carrier has failed to maintain an adequate network of providers in
23 accordance with applicable federal or State law, in addition to any
24 other penalties or remedies available under federal or State law, it shall
25 be a violation of this act and the commissioner may initiate such action
26 as the commissioner deems appropriate to ensure compliance with this
27 act and network adequacy laws.

28
29 17. a. A person or entity that violates any provision of this act,
30 or the rules and regulations adopted pursuant hereto, shall be liable to

35 (1) A health care facility or carrier that violates any provision of
36 this act shall be liable to a penalty of not more than \$1,000 for each
37 violation. Every day upon which a violation occurs shall be
38 considered a separate violation, but no facility or carrier shall be liable
39 to a penalty greater than \$25,000 for each occurrence.

40 (2) A person or entity not covered by paragraph (1) of this
41 subsection that violates the requirements of this act shall be liable to a
42 penalty of not more than \$100 for each violation. Every day upon
43 which a violation occurs shall be considered a separate violation, but
44 no person or entity shall be liable to a penalty greater than \$2,500 for
45 each occurrence.

46 b. Upon a finding that a person or entity has failed to comply with
47 the requirements of this act, including the payment of a penalty as
48 determined under subsection a. of this section, the commissioner may:

2 determines appropriate;

3 (2) in the case of a health care facility, refer the matter to the
4 Commissioner of Health for such action as the Commissioner of
5 Health determines appropriate; or

6 (3) in the case of a health care professional, refer the matter to the
7 appropriate professional or occupational licensing board within the
8 Division of Consumer Affairs in the Department of Law and Public
9 Safety for such action as that board determines appropriate.

10

11 18. The Commissioner of Banking and Insurance, the
12 Commissioner of Health and any relevant licensing board in the
13 Division of Consumer Affairs in the Department of Law and Public
14 Safety under Title 45 of the Revised Statutes may, as appropriate,
15 adopt rules and regulations, pursuant to the "Administrative Procedure
16 Act," P.L.1968, c.410 (C.52:14B-1 et seq.), in order to effectuate the
17 purposes of this act.

22 not affect the other provisions hereof, or application of those
23 provisions to other health benefits plans or carriers.

24

25 20. Nothing in this act shall be construed to apply to an entity
26 providing or administering a self-funded health benefits plan which is
27 subject to the "Employee Retirement Income Security Act of 1974,"
28 except as provided in subsection d. of section 9 of this act for such an
29 entity to elect to be subject to certain provisions of the act.

30

31 21. This act shall take effect on the 90th day next following
32 enactment. The Commissioner of Banking and Insurance, the
33 Department of Health and any relevant licensing board may take
34 such anticipatory administrative action in advance thereof as shall
35 be necessary for the implementation of this act.
