INDEPENDENT AUDITOR'S REPORT
ON FINANCIAL DATA SCHEDULES

The Honorable Chris Christie
Governor of New Jersey

The Honorable Stephen M. Sweeney
President of the Senate

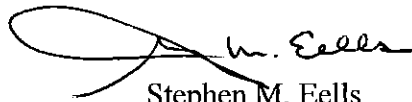

The Honorable Vincent Prieto
Speaker of the General Assembly

Ms. Peri A. Horowitz
Executive Director
Office of Legislative Services

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the State of New Jersey, as of and for the year ended June 30, 2015, which collectively comprise the State's basic financial statements, and have issued our report thereon dated March 10, 2016, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the State's basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to March 10, 2016.

The accompanying Financial Data Schedules for the State of New Jersey, Department of Community Affairs, Section 8 Housing Programs, are presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development and are not a required part of the basic financial statements. Such information is the responsibility of the

Department of Community Affairs' management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. We did not audit the schedules for completeness. In our opinion, the amounts included on the Financial Data Schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

A handwritten signature in black ink, appearing to read "S. M. Eells", with a large, stylized loop at the beginning.

Section 8 Housing Programs
Note to the Financial Data Schedules
For the Fiscal Year Ended June 30, 2015

**NOTE 1 – Measurement Focus, Basis of Accounting and Financial Data Schedules
Presentation**

The financial data schedules are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements have been met.

The Section 8 Housing Program presented in the financial data schedules is accounted for in the state's General Fund which is reported using the current financial resources measurement focus and the modified accrual basis of accounting.
