Dear Senator Sarlo:

Below are the New Jersey Department of Education's (Department's) responses to the questions raised by the Senate Budget and Appropriations Committee in the correspondence dated April 19, 2018.

Senator Singleton:

- Please provide a list of school districts that would receive more total State aid, not including preschool education aid or debt service aid, under the March 2018 State aid notices than the amount that they would receive pursuant to the provisions of the "School Funding Reform Act of 2008," P.L.2007, c.260. Please include the dollar and percent difference between the two aid amounts.

Response: Please see list included as Attachment #1.

Sincerely,

Lamont O. Repollet, ED.D
