STATEMENT

37

38 This bill reduces the statute of limitations period for certain
39 actions against professionals who are licensed persons as defined in
40 N.J.S.A.2A:53A-26.

41 Specifically, the bill amends current law to reduce the six year
42 limitations period to two years for actions against certain licensed
43 professionals.

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

1 By establishing a two year statute of limitations for certain
2 claims, licensed professionals will be treated in the same manner as
3 health care providers subject to the two year statute limitations
4 period set forth in N.J.S.2A:14-2. A two year statute of limitations
5 period, moreover, will provide businesses offering professional
6 services to predict with greater certainty, potential liabilities and to
7 plan for such liabilities accordingly.

8 The bill also prohibits the award of attorney fees in an action
9 brought against a licensed professional pursuant to the bill, unless
10 they are authorized by statute or the Rules of Court.
