development, or be filed against the community association, in
accordance with this section.

sold or transferred and the proportionate undivided interests in the
common elements attributable to those units;
(2) “interest of the unit owner” includes the proportionate
undivided interests in the common elements of the real property
development.
(3) “unit owner” means an owner of an interest in a residential
or nonresidential unit who is not a developer of the property and
acquires the unit after the master deed or master declaration is
recorded, or after the public offering statement is filed with the
Department of Community Affairs; and

provisions of the “Condominium Act,” P.L.1969, c.257 (C.46:8B-1
et seq.), or in the case of any other real property development with
common elements or common areas or facilities, if the contract is:
(1) with the owner of the real property development, then the
lien shall attach to the interest of the owner of the real property
development;
(2) with the community association, the lien claim shall be filed
against the community association but shall not attach to any real

furnished solely within or as part of a residential or nonresidential
unit, the lien shall attach only to the interest of the unit owner.

interest in the property of any person who:

(1) has expressly authorized the contract for improvement by
not been authorized in writing by the owner of a fee simple

the leasehold interest of the tenant signed by the person against
whom the lien claim is asserted, which writing provides that the
person’s interest is subject to a lien for this improvement;
(2) has paid, or agreed in writing to pay, the majority of the cost
of the improvement; or
(3) is a party to the lease or sublease that created the leasehold interest of the tenant and the lease or sublease provides that the person’s interest is subject to a lien for the improvement.

f. An amount of a lien on an interest of a person other than a tenant shall be limited to the amount that person agreed in writing to pay, less payments made by or on behalf of that person in good faith prior to the filing of the lien.

g. If an interest in real property is lawfully conveyed after work, services, material, or equipment are performed or furnished but before a lien attaches, the lien shall attach only to the interest retained by the owner or unit owner or community association, as the case may be, who contracted for the work, services, material or equipment and not to the interest previously conveyed.

h. Nothing in this act shall be construed to limit the right of any claimant from pursuing any other remedy provided by law.

3. Section 6 of P.L.1993, c.318 (C.2A:44A-6) is amended to read as follows:

6. A lien claim shall be signed, acknowledged and verified by oath of the claimant or, in the case of a partnership or corporation, a partner or duly authorized officer thereof, and filed with the county clerk not later than 90 days following the date the last work, services, material or equipment was provided for which payment is claimed. No lien shall attach, or be enforceable under the provisions of this act and, in the case of a residential construction contract, compliance with sections 20 and 21 of this act, unless the lien claim is filed in the form, manner and within the time provided by this section and section 8 of this act, and a copy thereof served on the owner and, if any, the contractor and the subcontractor, against whom the claim is asserted, pursuant to section 7 of this act.

a. A contractor, subcontractor or supplier entitled to file a lien pursuant to section 3 of P.L.1993, c.318 (C.2A:44A-3) shall do so according to the following process:

   (1) The lien claim form as provided by section 8 of P.L.1993, c.318 (C.2A:44A-8) shall be signed, acknowledged and verified by oath of the claimant setting forth:

   (a) the specific work or services performed, or material or equipment provided pursuant to contract; and

   (b) the claimant’s identity and contractual relationship with the owner or community association and other known parties in the construction chain.

   (2) In all cases except those involving a residential construction contract, the lien claim form shall then be lodged for record within 90 days following the date the last work, services, material or equipment was provided for which payment is claimed. In the case of a residential construction contract, the lien claim form shall be lodged.
for record, as required by paragraph (8) of subsection b. of section 21
of P.L.1993, c.318 (C.2A:44A-21), not later than 10 days after receipt
by the claimant of the arbitrator’s determination, and within 120 days
following the date the last work, services, material or equipment was
provided for which payment is claimed. If requested, at the time of
lodging for record, the clerk shall provide a copy of the lien claim
form marked with a date and time received.

b. A lien shall not attach or be enforceable unless the lien claim or
other document permitted to be filed is:

(1) filed in the manner and form provided by this section and
section 8 of P.L.1993, c.318 (C.2A:44A-8); and
(2) a copy thereof served in accordance with section 7 of P.L.1993,
c.318 (C.2A:44A-7), except that every document lodged for record
that satisfies the requirements of this section, even if not yet filed, shall
be enforceable against parties with notice of the document. A
document shall be first filed, however, in order to be enforceable
against third parties without notice of the document, including, but not
limited to, an owner, bona fide purchaser, mortgagee, grantee of an
easement, or a lessee or a grantee of any other interest in real estate.

c. In the case of a residential construction contract the lien claim
shall also comply with section 20 of P.L.1993, c.318 (C.2A:44A-20)

d. For purposes of this act, warranty or other service calls, or
other work, materials or equipment provided after completion or
termination of a claimant’s contract shall not be used to determine the
last day that work, services, material or equipment was provided.
(cf: P.L.1993, c.318, s.6)

4. Section 7 of P.L.1993, c.318 (C.2A:44A-7) is amended to read
as follows:

7. a. Within 10 [business] days following the [filing] lodging
for record of a lien claim, the claimant shall [, by personal service or
registered or certified mail, return receipt requested, postage prepaid.] serve [or mail] on the owner, or community association in accordance
with section 3 of P.L.1993, c.318 (C.2A:44A-3), and, if any, the
contractor and subcontractor against whom the claim is asserted, a
copy of the completed and signed lien claim [as] substantially in the
form prescribed [in] by section 8 of [this act] P.L.1993, c.318
(C.2A:44A-8) and marked “received for filing” or a similar stamp with
a date and time or other mark indicating the date and time received by
the county clerk. Service shall be by personal service as prescribed by
the Rules of Court adopted by the Supreme Court of New Jersey or by:

(1) simultaneous registered or certified mail or commercial courier
whose regular business is delivery service; and

(2) ordinary mail addressed to the last known business or residence
address [or place of residence] of the owner [and, if any, of the] or
community association, contractor [and the] or subcontractor[.,
against whom the claim is asserted. Proof of timely mailing shall satisfy the requirement of service of the lien claim. A lien claim served upon a community association need not be served upon individual “unit owners” as defined in section 3 of P.L.1993, c.318 (C.2A:44A-3).

b. The service of the lien claim provided for in this section shall be a condition precedent to enforcement of the lien; however, the service of the lien claim outside the prescribed time period shall not preclude enforceability unless the party not timely served proves by a preponderance of the evidence that the late service has materially prejudiced its position. Disbursement of funds by the owner, community association, a contractor or a subcontractor who has not been properly served, or the creation or conveyance of an interest in real property by [the] an owner who has not been properly served, [without actual knowledge of the filing of the lien claim,] shall constitute prima facie evidence [that the party has been materially prejudiced] of material prejudice.

(cf: P.L.1993, c.318, s.7)

5. Section 8 of P.L.1993, c.318 (C.2A:44A-8) is amended to read as follows:

8. The lien claim shall be filed in substantially the following form:

NOTICE TO OWNER OF REAL PROPERTY
NOTICE TO CONTRACTOR OR SUBCONTRACTOR, IF
APPLICABLE

The owner’s real estate may be subject to sale to satisfy the amount
asserted by this claim. However, the owner’s real estate cannot be sold
until the facts and issues which form the basis of this claim are decided
in a legal proceeding before a court of law. The lien claimant is
required by law to commence suit to enforce this claim.

The claimant filing this lien claim shall forfeit all rights to enforce
the lien claim and shall be required to discharge the lien claim of
record, if the claimant fails to bring an action in the Superior Court, in
the county in which the real property is situated, to establish the lien
claim:

1. Within one year of the date of the last provision of work,
services, material or equipment, payment for which the lien claim was
filed; or

2. Within 30 days following receipt of written notice, by personal
service or certified mail, return receipt requested, from the owner or
community association, contractor, or subcontractor against whom a
lien claim is filed, as appropriate, requiring the claimant to commence
an action to establish the lien claim.

You will be given proper notice of the proceeding and an
opportunity to challenge this claim and set forth your position. If, after
the owner (and/or contractor or subcontractor) has had the opportunity
to challenge this lien claim, the court of law enters a judgment against
any of you and in favor of the claimant filing this lien claim, and
thereafter judgment is not paid, the owner’s real estate may then be
sold to satisfy the judgment. A judgment against a community
association for a claim of work, services, material or equipment
pursuant to a contract with that community association cannot be
enforced by a sale of real estate.

The owner may choose to avoid subjecting the real estate to sale by
the owner (or contractor) either:

1. paying the claimant and obtaining a discharge of lien claim from
the claimant, by which the owner will lose the right to challenge this
lien claim in a legal proceeding before a court of law; or

2. causing the lien claim to be discharged by filing a surety bond or
making a deposit of funds as provided for in section 31 of P.L. 1993,
c.318 (C.2A:44A-31), by which the owner will retain the right to challenge this lien claim in a legal proceeding before a court of law. (cf: P.L.1993, c.318, s.8)

6. Section 9 of P.L.1993, c.318 (C.2A:44A-9) is amended to read as follows:
   9. a. The amount of a lien claim shall [be limited to] not exceed the unpaid portion of the contract price [ ], or any unpaid portion thereof, whichever is less, of the claimant's contract for the work, services, material or equipment provided.

   b. Except as set forth in sections 15 and 21 of P.L.1993, c.318, (C.2A:44A-15 and 2A:44A-21), and subject to section 7 of P.L.1993, c.318 (C.2A:44A-7) and subsection c. of this section, the lien fund shall not exceed:

   (1) in the case of a first tier lien claimant or second tier lien claimant, the earned amount of the contract between the owner and the contractor minus any payments made prior to service of a copy of the lien claim; or

   (2) in the case of a third tier lien claimant, the lesser of: (a) the amount in paragraph (1) above; or (b) the earned amount of the contract between the contractor and the subcontractor to the contractor, minus any payments made prior to service of a copy of the lien claim.

   c. A lien fund regardless of tier shall not be reduced by payments by the owner, or community association in accordance with section 3 of P.L.1993, c.318 (C.2A:44A-3), that do not discharge the obligations for the work performed or services, material or equipment provided, including, but not limited to:

   (1) payments not in accordance with written contract provisions;

   (2) payments yet to be earned upon lodging for record of the lien claim;

   (3) liquidated damages;

   (4) collusive payments;

   (5) use of retainage to make payments to a successor contractor after the lien claim is lodged for record; or

   (6) setoffs or backcharges, absent written agreement by the claimant, except for any setoffs upheld by judgment that are first determined by: (a) arbitration or alternate dispute resolution in a proceeding conducted in accordance with section 21 of P.L.1993, c.318 (C.2A:44A-21); or (b) any other alternate dispute resolution agreed to by the parties.

   d. Subject to subsection c. above, no lien fund exists, if, at the time of service of a copy of the lien claim, the owner or community association has fully paid the contractor for the work performed or for services, material or equipment provided.

   e. For purposes of a lien fund calculation, the “earned amount of the contract” is the contract price unless the party obligated to perform has not completed the performance in which case the “earned amount
of the contract" is the value, as determined in accordance with the 
contract, of the work performed and services, material or equipment 
provided.

f. If more than one lien claimant will participate in a lien fund, 
the lien fund shall be established as of the date of the first of the 
participating lien claims lodged for record unless the earned amount of 
the contract increases, in which case the lien fund shall be calculated 
from the date of the increase.

g. No lien rights shall exist for other than first, second, or third 
tier lien claimants.

(cf: P.L.1993, c.318, s.9)

7. Section 10 of P.L.1993, c.318 (C.2A:44A-10) is amended to 
read as follows:

10. Subject to the limitations of section 6 of this act sections 3 
and 6 of P.L.1993, c.318 (C.2A:44A-3 and 2A:44A-6), the lien 
claim shall attach to the interest of the owner from and after the time 
of filing of the lien claim. Except as provided by section 20 of this 
act P.L.1993, c.318 (C.2A:44A-20), no lien claim shall attach to 
the estate or interest acquired by a bona fide purchaser first 
recorded or lodged for record; nor shall a lien claim evidenced by a 
recordable document recorded or lodged for record before the date of 
filing of the lien claim. A lien claim shall not, except as 
provided by sections 20 and 22 of P.L.1993, c.318 (C.2A:44A-20 and 
2A:44A-22), have a priority over any mortgage, judgment or other lien 
or interest in real estate first recorded, lodged for record, filed or 
docketed. A lien claim filed under the provisions of this act shall be 
subject to the effect of a notice Notice of Settlement filed pursuant to P.L.1979, c.406 (C.46:16A-1 et seq.). Except as set 
forth in sections 15 and 21 of this act, the maximum amount for which 
an owner will be liable or an interest in real property subject to a lien 
under this act for one or more lien claims filed pursuant to this act 
shall not be greater than:

a. In the case of a lien claim filed by a contractor, the total amount 
of the contract price of the contract between the owner and the 
contractor less the amount of payments duly made, if any, prior to 
receipt of a copy of the lien claim pursuant to section 7 of this act, by 
the owner to the contractor or any other claimant who has filed a lien 
claim or a Notice of Unpaid Balance and Right to File Lien pursuant 
either to a contract with the contractor and any subcontractor or 
supplier, or a contract between a subcontractor of the contractor and 
any supplier or other subcontractor; or

b. In the case of lien claim filed by a subcontractor or supplier, the 
amount provided in subsection a. of this section, or the contract price 
of the contract between the contractor or subcontractor and the 
subcontractor or supplier, as applicable, pursuant to which the work,
services, materials or equipment is provided by the subcontractor or
supplier, less the amount of payments duly made, if any, prior to
receipt of a copy of the lien claim pursuant to section 7 of this act, to
the contractor or supplier or any other claimant who has filed a lien
claim or a Notice of Unpaid Balance and Right to File Lien pursuant to
a contract with such subcontractor or supplier, whichever is less.]
(cf: P.L.1993, c.318, s.10)

read as follows:

11. a. A lien claim may be amended [by the filing of an
amendment with the county clerk] for any appropriate reason,
including but not limited to correcting inaccuracies or errors in the
original lien claim form, or revising the amount claimed because of:
(1) additional work performed or services, material, or equipment

This proportionate share shall be calculated in the following manner:

b. If the work performed by the lien claimant was for a condominium in which a master deed is filed before the lien attaches, or for work performed for a cooperative in which a master declaration is filed before the lien attaches, then the proportionate share shall be allocated in an amount equal to the percentage of common elements attributable to each residential unit, subject to the limitations of subsections b. and c. of section 3 of P.L.1993, c.318 (C.2A:44A-3).

d. If a lien claimant receives payment of [its] the proportionate share but refuses to discharge its lien claim, then upon application to a court having jurisdiction thereof, the court shall order the discharge of the lien claim to the extent of that proportionate share.
The lien claimant shall be further subject to the provisions of section 30 of this act P.L.1993, c.318 (C.2A:44A-30), and any amounts to be paid shall be paid from the amount due the claimant. (cf: P.L.1993, c.318, s.18)

provisions of this act, to the extent that no creation, conveyance, lease or mortgage of an interest in real property has taken place prior to the filing of a Notice of Unpaid Balance and Right to File Lien or lien claim.

15. Section 21 of P.L.1993, c.318 (C.2A:44A-21) is amended to read as follows:

21. a. The Legislature finds that the ability to sell and purchase residential housing is essential for the preservation and
enhancement of the economy of the State of New Jersey and that while there exists a need to provide contractors, subcontractors and suppliers with statutory benefits to enhance the collection of money for goods, services and materials provided for the construction of residential housing in the State of New Jersey, the ability to have a stable marketplace in which families can acquire homes without undue delay and uncertainty and the corresponding need of lending institutions in the State of New Jersey to conduct their business in a stable environment and to lend money for the purchase or finance of home construction or renovations requires that certain statutory provisions as related to the lien benefits accorded to contractors, subcontractors and suppliers be modified. The Legislature further finds that the construction of residential housing generally involves numerous subcontractors and suppliers to complete one unit of housing and that the multiplicity of lien claims and potential for minor monetary disputes poses a serious impediment to the ability to transfer title to residential real estate expeditiously. The Legislature further finds that the purchase of a home is generally one of the largest expenditures that a family or person will make and that there are a multitude of other State and federal statutes and regulations, including "The New Home Warranty and Builders' Registration Act," P.L.1977, c.467 (C.46:3B-1 et seq.) and "The Planned Real Estate Development Full Disclosure Act," P.L.1977, c.419 (C.45:22A-21 et seq.), which afford protection to consumers in the purchase and finance of their homes, thereby necessitating a different treatment of residential real estate as it relates to the rights of contractors, suppliers and subcontractors to place liens on residential real estate. The Legislature declares that separate provisions concerning residential construction will provide a system for balancing the competing interests of protecting consumers in the purchase of homes and the contract rights of contractors, suppliers and subcontractors to obtain payment for goods and services provided.

b. The filing of a lien for work, services, material or equipment furnished pursuant to a residential construction contract shall be subject to the following additional requirements:

(1) As a condition precedent to the filing of any lien arising under a residential construction contract, a lien claimant shall first file a Notice of Unpaid Balance and Right to File Lien by lodging for record the Notice within 60 days following the last date that work, services, material or equipment were provided for which payment is claimed in accordance with [the provisions of] subsection [a.] [b. of section 20 of [this act] P.L.1993, c.318 (C.2A:44A-20), and comply with [all other provisions] the remainder of this section.

(2) Upon [the filing of] its lodging for record, a Notice of Unpaid Balance and Right to File Lien, [service of the Notice of

(3) Unless the parties have otherwise agreed in writing to an alternative dispute resolution mechanism, [simultaneously with the service under paragraph (2) of this subsection] within 10 days from the date the Notice of Unpaid Balance and Right to File Lien is lodged for record, the lien claimant shall also serve a demand for arbitration and fulfill all the requirements and procedures of the American Arbitration Association to institute an expedited proceeding before a single arbitrator designated by the American Arbitration Association. The demand for arbitration may be served in accordance with the provisions for the service of lien claims in section 7 of P.L.1993, c.318 (C.2A:44A-7) along with: (a) a copy of the completed and signed Notice of Unpaid Balance and Right to File Lien; and (b) proof by affidavit that the Notice of Unpaid Balance and Right to File Lien has been lodged for record.

If not yet provided at the time of service of the demand for arbitration, a copy of the Notice of Unpaid Balance and Right to File Lien marked “filed” by the clerk’s office shall be provided by the claimant to the parties and the arbitrator, as a condition precedent to the issuance of an arbitrator’s determination.

All arbitrations of Notices of Unpaid Balance and Right to File Lien pertaining to the same residential construction shall be determined by the same arbitrator, whenever possible. The claimant, owner, or any other party may also request consolidation in a single arbitration proceeding of the claimant’s Notice of Unpaid Balance and Right to File Lien with any other Notice of Unpaid Balance and Right to File Lien not yet arbitrated but lodged for record by a potential lien claimant whose name was provided in accordance with section 37 of P.L.1993, c.318 (C.2A:44A-37). The request shall be made in the demand for arbitration or, in the case of a request by a person other than the claimant, by letter to the arbitrator assigned to the arbitration or, if none has been assigned, to the appropriate arbitration administrator, within five days of when the demand for arbitration is served. The arbitrator shall grant or deny a request for a consolidated arbitration proceeding at the arbitrator’s discretion.

(4) Upon the closing of all hearings in the arbitration, the arbitrator shall make the following determinations: (a) whether the Notice of Unpaid Balance and Right to File Lien was in compliance with section 20 of [this act] P.L.1993, c.318 (C.2A:44A-20) and whether service was proper under section 7 of [this act] P.L.1993, c.318 (C.2A:44A-7); (b) the earned amount of the contract between the owner and the contractor in accordance with section 9 of P.L.1993, c.318 (C.2A:44A-9); (c) the validity and amount of any lien claim which may be filed pursuant to the Notice of Unpaid Balance and Right to File Lien; [(c)] (d) the validity and amount of any liquidated or unliquidated setoffs or
counterclaims to any lien claim which may be filed; and [(d) (e)] the allocation of costs of the arbitration among the parties. When making the above determination, the arbitrator shall also consider all determinations made by that arbitrator in any earlier arbitration proceeding pertaining to the same residential construction.

(5) [In the event] If the amount of any setoffs or counterclaims presented in the arbitration [are unliquidated and] cannot be determined by the arbitrator in a liquidated amount, the arbitrator, as a condition precedent to the filing of the lien claim, shall order the lien claimant to post a bond, letter of credit or funds with an attorney-at-law of New Jersey, or other such person or entity as may be ordered by the arbitrator in such amount as the arbitrator shall determine to be 110% of the approximate fair and reasonable value of such setoffs or counterclaims, but in no event [shall the bond, letter of credit or funds exceed] greater than the amount of the lien claim which may be filed. This 110% limitation [regarding] for any bond, letter of credit or funds shall also apply to any alternative dispute resolution mechanism to which the parties may agree. When making the above determinations, the arbitrator shall consider all determinations made by that arbitrator in any earlier arbitration proceeding pertaining to the same residential construction.

(6) The arbitrator shall make such determinations set forth in paragraphs (4) and (5) of this subsection and the arbitration proceeding shall be completed within 30 days of receipt of the lien claimant's demand for arbitration by the American Arbitration Association unless no response is filed, in which case the arbitrator shall make such determinations and the arbitration proceeding shall be deemed completed within 7 days after the time within which to respond has expired. [That] These time [period] periods for completion of the arbitration shall not be extended unless otherwise agreed to by the parties and approved by the arbitrator. If an alternative dispute mechanism is alternatively agreed to between the parties, such determination shall be made as promptly as possible making due allowance for all time limits and procedures set forth in this act. The arbitrator shall resolve a dispute regarding the timeliness of the demand for arbitration.

(7) Any contractor, subcontractor or supplier whose interests are affected by the filing of a Notice of Unpaid Balance and Right to File Lien under [section 10 of] this act shall be permitted to join in such arbitration; but the arbitrator shall not determine the rights or obligations of any such parties except to the extent those rights or obligations are affected by the lien claimant's Notice of Unpaid Balance and Right to File Lien.

(8) Upon determination by the arbitrator that there is an amount which, pursuant to a valid lien shall attach to the improvement, the lien claimant shall, within 10 days of the lien claimant's receipt of
the determination. lodge for record such lien claim in accordance with the provisions of section 8 of this act P.L.1993, c.318 (C.2A:44A-8) and furnish any bond, letter of credit or funds required by the arbitrator's decision. The failure to lodge for record such a lien claim, or furnish the bond, letter of credit or funds, within the 10-day period, shall cause any lien claim to be invalid.

(9) Except for the arbitrator's determination itself, any such determination shall not be considered final in any legal action or proceeding, and shall not be used for purposes of collateral estoppel, res judicata, or law of the case to the extent applicable. Any finding of the arbitrator pursuant to the provisions of this act shall not be admissible for any purpose in any other action or proceeding.

(10) If either the lien claimant or the owner or community association in accordance with section 3 of P.L.1993, c.318 (C.2A:44A-3) is aggrieved by the arbitrator's determination, then the aggrieved party may institute a summary action in the Superior Court, Law Division, for the vacation, modification or correction of the arbitrator's determination. The arbitrator's determination shall be confirmed unless it is vacated, modified or corrected by the court. The court shall render its decision after giving due regard to the time limits and procedures set forth in this act and shall set time limits for lodging for record the lien claim if it finds, contrary to the arbitrator's determination, that the lien claim is valid or the 10-day requirement for lodging for record required by paragraph (8) of this subsection has expired.

(11) In the event a Notice of Unpaid Balance and Right to File Lien is filed and the owner conveys its interest in real property to another person before a lien claim is filed, then prior to or at the time of conveyance, the owner may make a deposit with the county clerk where the improvement is located, in an amount no less than the amount set forth in the Notice of Unpaid Balance and Right to File Lien. For any deposit made with the county clerk, the county clerk shall discharge the Notice of Unpaid Balance and Right to File Lien or any related lien claim against the real property for which the deposit has been made. After the issuance of the arbitrator's determination set forth in paragraphs (4) and (5) of this subsection, any amount in excess of that determined by the arbitrator to be the amount of a valid lien claim shall be returned forthwith to the owner who has made the deposit. The balance shall remain where deposited unless the lien claim has been otherwise paid, satisfied by the parties, forfeited by the claimant, invalidated pursuant to paragraph (8) of this subsection or discharged under section 33 of this act P.L.1993, c.318 (C.2A:44A-33). Notice shall be given by the owner in writing to the lien claimant within five days of making the deposit.
(12) Solely for those lien claims arising from a residential construction contract, if a Notice of Unpaid Balance and Right to File Lien is determined to be without basis, the amount of the Notice of Unpaid Balance and Right to File Lien is not [filed] lodged for record: (a) in substantially the form, [or] (b) in the manner, or (c) at a time [not] in accordance with [the provisions of] this act, then the claimant shall be liable for all damages suffered by the owner or any other party adversely affected by the Notice of Unpaid Balance and Right to File Lien, including all court costs, reasonable attorneys' fees and legal expenses incurred.

(13) If the aggregate sum of all lien claims attaching to any real property that is the subject of a residential construction contract exceeds the amount due under a residential purchase agreement, less the amount due under any previously recorded mortgages or liens other than construction liens, then upon entry of judgment of all such lien claims, each lien claim shall be reduced pro rata. Each lien claimant's share then due shall be equal to the monetary amount of the lien claim multiplied by a fraction in which the denominator is the total monetary amount of all valid claims on the owner's interest in real property against which judgment has been entered, and the numerator is the amount of each particular lien claim for which judgment has been entered. The amount due under the residential purchase agreement shall be the net proceeds of the amount paid less previously recorded mortgages and liens other than construction liens and any required recording fees.

All lien claims established by judgment are valid claims that shall be concurrent and shall be paid [pro rata out of the lien fund and the proceeds of the sale authorized by this act] as provided in subsection c. of this section.

b. The sheriff or other officer conducting an execution sale authorized by section 24 of P.L.1993, c.318 (C.2A:44A-24) shall pay the proceeds to the clerk of the Superior Court and the Superior Court shall provide proper disposition of sale proceeds to the persons entitled thereto under P.L.1993, c.318 (C.2A:44A-1 et al.).

c. The Superior Court shall order the distribution of a lien fund, after its calculation in accordance with section 9 of P.L.1993, c.318 (C.2A:44A-9), in the following manner:

(1) If there are first tier lien claimants, the lien fund shall be allocated in amounts equal to their valid claims. If the total of those claims would exceed the maximum liability of the owner or community association as provided by section 9 of P.L.1993, c.318 (C.2A:44A-9), the allocations shall be reduced pro rata so as not to exceed that maximum liability;

(2) From the allocation to each first tier lien claimant, amounts shall be allocated equal to the valid claims of second tier lien claimants whose claims derive from contracts with that first tier lien claimant. If the total of the claims is less than the allocation to that first tier lien claimant, the first tier lien claimant shall be paid the balance. tier lien claimants exceeds the lien fund for that group of claimants as
provided by section 9 of P.L.1993, c.318 (C.2A:44A-9), the

document governing the association. A judgment shall not be
enforced by the sale of any common elements, common areas or
common buildings or structures of a real property development.

i. Upon resolution of the suit other than by the entry of final
judgment in favor of the plaintiff in accordance with subsection f. of
this section, a cancellation or discharge of lis pendens should be filed,

favor of the lien claimant, a writ of execution may issue thereon,
as in other cases; if against the improvements and land, a special
writ of execution may issue to make the amount recovered therein
by sale of the improvements and land.

If both general and special judgments are given, both writs of
execution may issue, separately or combined in one writ, and one of
such writs may issue after the return of the other for the whole

20. Section 30 of P.L.1993, c.318 (C.2A:44A-30) is amended to
read as follows:

30. a. When a lien claim has been filed and the claim has been
paid, satisfied or settled by the parties or forfeited by the claimant,
the claimant or [his] claimant’s successor in interest or [his] attorney shall, within 30 days of payment, satisfaction or settlement,
or within 7 days of demand by any interested party, file with the
county clerk a certificate, duly acknowledged or proved, directing
the county clerk to discharge the lien claim of record, which

certificate shall contain:

(1) The date of filing the lien claim;
(2) The book and page number endorsed thereon;
(3) The name of the owner of the land, or the community
association, if applicable, named in the notice;
(4) The location of the property; and
(5) The name of the person for whom the work, services,
equipment or materials was provided.

b. If the claimant shall fail or refuse to file this certificate, as set
forth in subsection a. of this section, then [upon application by]

upon him in the same manner as provided by section 7 of this act, or
upon satisfactory proof that the claimant cannot be served, any]
may proceed in a summary manner by filing an order to show cause
in accordance with the Rules of Court adopted by the Supreme
Court of New Jersey. A judge of the Superior Court may, upon
good cause being shown, and absent receipt of written objections
and grounds for same, order the lien claim discharged on the return
date of the order to show cause. The county clerk shall thereupon
attach the certificate or order to the original notice of lien claim on
file and shall note on the record thereof "discharged by certificate"
or "discharged by court order," as the case may be and any lien
foreclosure action shall be dismissed with prejudice.

c. Any party in interest may proceed to discharge a lien claim on
the ground that it is without factual basis by filing an order to show
cause in the same manner as set forth in subsection b. of this
section.
d. In those circumstances in which the lien claim has been paid
in full, the lien claimant has failed to file a lien claim discharge
pursuant to this section, and at least 13 months have elapsed since
the date of the lien claim, the owner or community association may,
in accordance with section 33 of P.L.1993, c.318 (C.2A:44A-33)

substantially in the form provided by subsection a. of this section
accompanied by an affidavit setting forth the circumstances of
payment as set forth below:
