38 standards adopted by the commissioner, that the accounting
39 practices in the district necessitate such an audit;
- 40 l. Review all school budgets of the school districts within the
41 county, and may, pursuant to section 5 of P.L.1996, c.138

STATEMENT

15

16 This bill directs each executive county superintendent of schools
17 to require collaboration among school districts in expanding the
18 implementation of shared services among school districts within the
19 county and outside of the county. The bill also permits the
20 executive county superintendent to require a district to enter into a
21 shared services arrangement with another district, a municipality,
22 the county, or other unit of local government within that county for
23 the provision of administrative, business, purchasing, public or
24 nonpublic pupil transportation, or other school district service if the
25 arrangement will result in cost savings for the districts or other units
26 of local government involved.

27 Further, the bill requires the executive county superintendent to
28 review and approve all collective negotiations agreements in school
29 districts within the county prior to the execution of those contracts
30 in accordance with standards adopted by the Commissioner of
31 Education. The standards adopted by the commissioner will
32 include, but not be limited to, a required number of work days per
33 year for school district employees and a minimum number of hours
34 per day of pupil contact time for teachers.

35 The executive county superintendent may not approve a
36 collective negotiations agreement if it fails to comply with the
37 standards or includes salary, wages, and other forms of
38 compensation that would cause the school district to exceed its tax
39 levy growth limitation or prohibits the subcontracting of school
40 district services.
