STATEMENT

13

14 This bill revises the definition of “large capacity ammunition
15 magazine” to reduce the number of rounds of ammunition a legal
16 magazine may hold in this State.

17 Under current law, it is unlawful to own or possess an
18 ammunition magazine that is capable of holding more than 15
19 rounds of ammunition.

20 This bill would reduce the maximum capacity of a legal
21 ammunition magazine in New Jersey to five rounds.
