20 c. Payments for the foregoing services, goods, and supplies
21 furnished pursuant to this act shall be made to the extent authorized
22 by this act, the rules and regulations promulgated pursuant thereto
23 and, where applicable, subject to the agreement of insurance

25 in full to the provider on behalf of the recipient. Every provider
26 making a claim for payment pursuant to this act shall certify in
27 writing on the claim submitted that no additional amount will be

31 No provider whose claim for payment pursuant to this act has

40 d. Any individual eligible for medical assistance (including
41 drugs) may obtain such assistance from any person qualified to

45 services.

46 No copayment or other form of cost-sharing shall be imposed on
47 any individual eligible for medical assistance, except as mandated
48 by federal law as a condition of federal financial participation.

1 e. Anything in this act to the contrary notwithstanding, no
2 payments for medical assistance shall be made under this act with
3 respect to care or services for any individual who:

4 (1) Is an inmate of a public institution (except as a patient in a
5 medical institution); provided, however, that an individual who is
6 otherwise eligible may continue to receive services for the month in
7 which he becomes an inmate, should the commissioner determine to
8 expand the scope of Medicaid eligibility to include such an
9 individual, subject to the limitations imposed by federal law and
10 regulations, or

11 (2) Has not attained 65 years of age and who is a patient in an

19 assistance to all eligible persons receiving inpatient psychiatric
20 services; provided that there is federal financial participation
21 available.

22 f. (1) A third party as defined in section 3 of P.L.1968, c.413
23 (C.30:4D-3) shall not consider a person's eligibility for Medicaid in
24 this or another state when determining the person's eligibility for
25 enrollment or the provision of benefits by that third party.

26 (2) In addition, any provision in a contract of insurance, health
27 benefits plan, or other health care coverage document, will, trust,
28 agreement, court order, or other instrument which reduces or
29 excludes coverage or payment for health care-related goods and
30 services to or for an individual because of that individual's actual or
31 potential eligibility for or receipt of Medicaid benefits shall be null
32 and void, and no payments shall be made under this act as a result
33 of any such provision.

34 (3) Notwithstanding any provision of law to the contrary, the
35 provisions of paragraph (2) of this subsection shall not apply to a
36 trust agreement that is established pursuant to 42 U.S.C.
37 s.1396p(d)(4)(A) or (C) to supplement and augment assistance
38 provided by government entities to a person who is disabled as
39 defined in section 1614(a)(3) of the federal Social Security Act (42

4 nursing facility services cited in subsection b.(13) of this section.

5 (3) Individuals who are 65 years of age or older shall be
6 provided with services cited in subsection a.(3) and (5) of this
7 section and subsection b.(1)-(5), (6) excluding prescribed drugs, (7),

15 (5) (a) Inpatient hospital services, subsection a.(1) of this
16 section, shall only be provided to eligible medically needy
17 individuals, other than pregnant women, if the federal Department

27 shall only be provided to eligible medically needy individuals if the
28 federal Department of Health and Human Services discontinues the
29 State's waiver to establish outpatient hospital reimbursement rates
30 for the Medicare and Medicaid programs under the authority of
31 section 601(c)(3) of the Social Security Amendments of 1983,
32 Pub.L.98-21 (42 U.S.C. s.1395ww(c)(5)). Outpatient hospital
33 services may be extended to all or to certain medically needy
34 individuals if the federal Department of Health and Human Services
35 directs that these services be included. However, the use of
36 outpatient hospital services shall be limited to clinic services and to
37 emergency room services for injuries and significant acute medical
38 conditions.

39 (c) The division shall monitor the use of inpatient and outpatient
40 hospital services by medically needy persons.

45 ss.1395i-2 and 1395r.

46 i. In the case of a specified low-income Medicare beneficiary
47 pursuant to 42U.S.C. s.1396a(a)10(E)iii, the only medical

32 STATEMENT

33

34 This bill provides that, subject to approval by the federal
35 Department of Health and Human Services, the State Medicaid
36 program is to include coverage for telepsychiatry, which provides
37 for an exchange of information by telephone or other
38 technologically assisted means in order to improve the mental
39 health of adults and children under 19 years of age. Telepsychiatry
40 is to be provided in accordance with regulations adopted by the
41 Commissioner of Human Services and at a reimbursement rate that
42 is commensurate with the cost of providing those services in the
43 State.

44 To obtain the federal approval, the Commissioner of Human
45 Services, in consultation with the Commissioner of Children and
46 Families, is to apply for such State plan amendments or waivers as
47 may be necessary to implement the provisions of the bill and to

1 secure federal financial participation for State Medicaid
2 expenditures under the federal Medicaid program.

3 Presently, New Jersey is one of only 10 states that do not provide
4 Medicaid reimbursements for telepsychiatry within the medical or
5 clinical mental health community. Unacceptable wait times for
6 individuals seeking appointments for mental health professional
7 counseling or treatment in the State have been the subject of
8 numerous articles in medical journals and media sources, which
9 have described the limited access to adequate care and treatment as
10 a "broken system."

11 It is intended that Medicaid coverage and reimbursement for
12 mental health services provided through telepsychiatry will reduce
13 the wait times, improve access to mental health services, and attract
14 more mental health professionals to practice in the State.
