shall be required to distribute to each fire district within its boundaries the amount received by the fire district from the Supplementary Aid for Fire Services program pursuant to the provisions of the fiscal year 1995 annual appropriations act, P.L.1994, c.67, less an amount proportional to reductions in the combined total amount received by the municipality from Consolidated Municipal Property Tax Relief Aid and from the Energy Tax Receipts Property Tax Relief Fund since fiscal year 2008.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Consolidated Municipal Property Tax Relief Aid shall be distributed in the same amounts, and to the same municipalities which received funding pursuant to the previous fiscal year's annual appropriations act, provided further, however, that from the amount hereinabove appropriated there is transferred to the Energy Tax Receipts Property Tax Relief Fund account such sums as were determined for fiscal year 2003, fiscal year 2006, fiscal year 2007, fiscal year 2008, fiscal year 2009, fiscal year 2010, fiscal year 2012, fiscal year 2013, and fiscal year 2014 pursuant to subsection e. of section 2 of P.L.1997, c.167 (C.52:27D-439) as amended by P.L.1999, c.168; and except that, the amount of Consolidated Municipal Property Tax Relief Aid received by a municipality shall be increased by such amounts of Transitional Aid to Localities deemed to constitute Consolidated Municipal Property Tax Relief Aid by the Director of the Division of Local Government Services in the previous fiscal year.

Notwithstanding the provisions of any law or regulation to the contrary, the Director of the Division of Local Government Services shall take such actions as may be necessary to ensure that proportional amounts of the Consolidated Municipal Property Tax Relief Aid and the amounts transferred from Consolidated Municipal Property Tax Relief Aid to the Energy Tax Receipts Property Tax Relief Fund account appropriated to offset losses from business personal property tax that would have otherwise been used for the support of public schools will be used to reduce the school property tax levy for those affected school districts with the remaining State Aid used as municipal property tax relief. The chief financial officer of the municipality shall pay to the school districts such amounts as may be due by December 31.

Notwithstanding the provisions of any law or regulation to the contrary, the release of the final 5% or \$500, whichever is greater, of the total annual amount due for the current fiscal year from Consolidated Municipal Property Tax Relief Aid to municipalities is subject to the following condition: the municipality shall submit to the Director of the Division of Local Government Services a report describing the municipality's compliance with the "Best Practices Inventory" established by the Director of the Division of Local Government Services and shall receive at least a minimum score on such inventory as determined by the Director of the Division of Local Government Services; provided, however, that the Director may take into account the particular circumstances of a municipality in computing such score. In preparing the Best Practices Inventory, the Director shall identify best municipal practices in the areas of general administration, fiscal management, and operational activities, as well as the particular circumstances of a municipality, in determining the minimum score acceptable for the release of the final 5% or \$500, whichever is greater, of the total annual amount due for the current fiscal year, but in no event shall amounts be withheld with respect to municipal practices occurring prior to the issuance of the Best Practices Inventory unless related to a municipal practice identified in the Best Practices Inventory established in the previous fiscal year.

The Director of the Division of Local Government Services may permit any municipality that received Regional Efficiency Aid Program funds pursuant to the annual appropriations act for fiscal year 2010, P.L.2009, c.68, to use a portion of Consolidated Municipal Property Tax Relief Aid to provide Regional Efficiency Aid Program benefits pursuant to P.L.1999, c.61 (C.54:4-8.76 et seq.).

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated from the Health Care Subsidy Fund for charity care payments are subject to the following condition: In a manner determined by the Commissioner of Health and subject to the approval of the Director of the Division of Budget and Accounting, eligible hospitals shall receive (1) their charity care subsidy payments beginning in July 2013, (2) their September 2013 payments in October 2013, and (3) their January 2014 payments in December 2013.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for Graduate Medical Education (GME) are conditioned upon the following: except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval, a hospital's GME distribution shall be calculated based on data from the hospital's 2011 Medicaid cost report and shall be comprised of two components calculated as described below. The first component shall be defined as an amount equal to 75% of each facility's aggregate State Fiscal Year (SFY) 2013 GME distribution. The sum of these first components for all hospitals shall be totaled and subtracted from the full appropriated GME subsidy amount of \$100,000,000 for SFY 2014, with the resulting amount representing the aggregate amount available for distribution as the second component. The aggregate amount of the second component shall be split into a Direct Medical Education (DME) allocation, which is calculated by multiplying the second component amount by the ratio of 2011 total Medicaid managed care DME costs-to-2011 total Medicaid managed care GME costs; and an Indirect Medical Education (IME) allocation, which is calculated by multiplying the second component amount by the ratio of 2011 total Medicaid managed care IME costs-to-2011 Medicaid managed care GME costs. Each hospital's percentage of total 2011 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment. Each hospital's percentage of total 2011 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment. The sum of a hospital's DME and IME payments equal its second component payment. The sum of the first and second components shall comprise the hospital's total SFY 2014 GME allocation, to be distributed in twelve monthly payments. The total amount of these payments shall not exceed \$100,000,000. In the event that a hospital reported less than twelve months of 2011 Medicaid costs, the number of reported months of data regarding days, costs, or payments shall be annualized. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid Managed Care encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State for the following reporting period: services dates between January 1, 2011 and December 31, 2011; payment dates between January 1, 2011 and December 31, 2012; and a run-date of January 17, 2013. Medicaid managed care DME cost is defined as the approved intern and residency program costs multiplied by the quotient of Medicaid managed care days divided by the quantity of total days less nursery days. Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid Managed Care encounter payments for Medicaid and NJ FamilyCare clients as reported by insurers to the State for the following reporting period: services dates between January 1, 2011 and December 31, 2011; payment dates between January 1, 2011 and December 31, 2012; and a run-date of January 17, 2013. The IME factor is calculated using the Medicare IME formula as follows:  $1.35 * [(1 + x)^{0.405}]$ - 1], in which "x" is the quotient of submitted IME resident full-time equivalencies divided by the quantity of total available beds less nursery beds. In the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

To 47 effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not 49 available, which is intended to be budget neutral, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers, of pharmaceutical

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold 3 Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), are available for the payment of obligations applicable to prior fiscal years. 5 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) 7 program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, 9 notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which 11 reduces or excludes coverage or payment to an individual because of that individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits 13 shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision. 15 Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled - Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 17 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand 19 name drugs. Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval 21 of a plan by the Commissioner of Human Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, 23 c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program (Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior 25 Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must 27 provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8. 29 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to 31 P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human 33 Services, providing for the payment of rebates to the State. Furthermore, rebates from 35 pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal 37 year, provided that the manufacturer's rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount 39 paid by the State under the PAAD and Senior Gold Prescription Discount Program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD 41 program and the Senior Gold Prescription Discount Program. In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged 43 and Disabled and the Senior Gold Prescription Discount programs, there are appropriated from the General Fund and available federal matching funds such additional amounts as may be 45 required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting. 47 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold 49 Prescription Discount Program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy 51 in a Medicare Part D provider network or private third party liability plan network for

 $beneficiaries\ enrolled\ in\ a\ Medicare\ Part\ D\ program\ or\ beneficiaries\ with\ primary\ prescription$ 1 coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 3 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the 5 Division of Budget and Accounting. 7 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance 9 to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Human Services coordinating the benefits of the PAAD programs with the prescription drug benefits 11 of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD recipients in the federal program. The PAAD program benefit and reimbursement 13 shall only be available to cover the beneficiary cost share to in-network pharmacies and for 15 deductible and coverage gap costs (as determined by the Commissioner of Human Services) associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior Gold 17 Prescription Discount programs, and for Medicare Part D premium costs for PAAD beneficiaries. 19 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and 21 Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program 23 benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D. Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize drug 41 coverage under Medicare Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold Prescription Discount Program being designated 43 the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. The Senior Gold Prescription 45 Discount Program is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include, but not be 47 limited to, the following actions: pursuit of appeals, grievances, and coverage determinations. Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove 49 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended to cover medications not 51 on the formulary of a PAAD program or Senior Gold Prescription Discount Program

1	beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by the PAAD program and Senior Gold Prescription Discount Program which are specifically

5	Improvement, and Modernization Act of 2003 (MMA), to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.
7	Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program

For the purposes of federal funds appropriations, "political subdivisions of the State" means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; "discretion" refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and "grants" refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2013 of any unexpended balances which are continued.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head's designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services and Division of Disability Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Aging Services in the Department of Human Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development's agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal funds hereinabove appropriated, there are appropriated to the appropriate executive agencies, subject to the approval of the Director of the Division of Budget and Accounting, such additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program or any other similar federal program for the purposes, projects, and programs set forth in such law; provided, however, that if the federal law does not delineate the specific purposes, projects, and programs to be funded by the federal funds, the purposes, projects, and programs to be funded by the federal funds shall be subject to the approval of the Joint Budget Oversight Committee, and further provided, however, that the State Treasurer shall report to the President of the Senate, the Speaker of the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization of all additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program.

Officials from the appropriate executive agencies are hereby authorized to take such steps, if any, as may be necessary to qualify for, apply for, receive and expend such federal funds and to make such commitments, representations and other agreements as may be required by the federal government to receive federal funds under federal law authorizing the federal economic stimulus program or any other similar federal law. Furthermore, and notwithstanding any law or regulation to the contrary, officials from the appropriate executive agencies may encumber any of these federal funds appropriated pursuant to this provision prior to entering into any contract, grant or other agreement obligating the federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment Act, Pub.L. 111-5 and any other similar type of federal stimulus law which may be hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the approval of the Director of the Division of Budget and Accounting as set forth below, such appropriations are to include the administrative costs of the respective agencies in administering the specified programs provided such use is consistent with ARRA and federal approvals. In the event that the administrative costs are not permitted to be paid from the ARRA monies received by the State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the Director of the Division of Budget and Accounting such sums as shall be necessary to pay for the administrative costs of the agencies administering the specified programs listed below. Notwithstanding the specific appropriations made below, in the event that the federal funds

The federal funds provided pursuant to ARRA with respect to the SEP shall be used only for purposes allowed under part D of Title III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the Block Grant Program shall be used only for implementation of programs authorized under subtitle E of Title V of the Energy Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.).
