The trust shall create and establish a special fund (hereinafter referred to as the "Disaster Relief Emergency Financing Program Fund") for the disaster relief emergency short-term or temporary loan program of the trust (hereinafter referred to as the "Disaster Relief Emergency Financing Program").

The Disaster Relief Emergency Financing Program Fund shall be credited with:

(1) moneys deposited in the fund as administrative fees received by the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5);

(2) moneys received by the trust as repayment of the principal of and the interest or premium on loans made from the fund;

(1) local government units to finance or refinance the costs incurred in the environmental planning and design associated with such wastewater treatment system projects, and wastewater treatment system projects, as applicable; or (2) local government units, public water utilities, or private persons to finance or refinance the costs incurred in the environmental planning and design of water supply projects, and water supply projects, as applicable.

Emergency short-term or temporary loans may be made upon the determination and certification in writing by the department that any such project is necessary and appropriate to: repair damages to a wastewater treatment system or water supply facility directly arising from an act of terrorism, seismic activity, or weather conditions that occurred within the prior three fiscal years that gave rise to a declaration by the Governor of a state of emergency, provided the wastewater treatment system or water supply facility is located in a county included in the Governor’s state of emergency declaration; or mitigate the risk of future damage to a wastewater treatment system or water supply facility from an act of terrorism, seismic activity, or weather conditions that occurred within the prior three fiscal years that gave rise to a declaration by the Governor of a state of emergency, provided the wastewater treatment system or water supply facility is located in a county included in the Governor’s state of emergency declaration, without regard to any other provisions of P.L.1985, c.334 or P.L.1997, c.224, including, without limitation, the provisions of section 20 of P.L.1985, c.334 (C.58:11B-20), section 24 of P.L.1997, c.224 (C.58:11B-20.1), the Interim Financing Program Eligibility List pursuant to subsection d. of section 9 of P.L.1985, c.334 (C.58:11B-9), or any administrative or legislative approvals. Any such short-term or temporary loan pursuant to the Disaster Relief Emergency Financing Program shall mature no later than the last day of the third succeeding fiscal year following the closing date on which the short-term or temporary loan was made by the trust to the project sponsor.

The Disaster Relief Emergency Financing Program Eligibility List shall be submitted to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1) at least once in each fiscal year. An environmental infrastructure project or a project
sponsor thereof not identified on the Disaster Relief Emergency Financing Program Eligibility List submitted to the Legislature shall not be eligible for a short-term or temporary loan from the Disaster Relief Emergency Financing Program Fund.

2. Section 6 of P.L.1985, c.334 (C.58:11B-6) is amended to read as follows:

   6. a. Except as may be otherwise expressly provided in the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), the trust may from time to time issue its bonds, notes or other obligations in any principal amounts as in the judgment of the trust shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, notes or other obligations issued by it, whether the bonds, notes or other obligations or the interest or redemption premiums thereon to be funded or refunded have or have not become due, the establishment or increase of reserves or other funds to secure or to pay the bonds, notes or other obligations or interest thereon and all other costs or expenses of the trust incident to and necessary to carry out its corporate purposes and powers.

   b. Whether or not the bonds, notes or other obligations of the trust are of a form and character as to be negotiable instruments under the terms of Title 12A of the New Jersey Statutes, the bonds, notes and other obligations are made negotiable instruments within the meaning of and for the purposes of Title 12A of the New Jersey Statutes, subject only to the provisions of the bonds, notes and other obligations for registration.

   c. Bonds, notes or other obligations of the trust shall be authorized by a resolution or resolutions of the trust and may be issued in one or more series and shall bear any date or dates, mature at any time or times, bear interest at any rate or rates of interest per annum, be in any denomination or denominations, be in any form, either coupon, registered or book entry, carry any conversion or registration privileges, have any rank or priority, be executed in any manner, be payable in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts, at any place or places within or without the State, and be subject to any terms of redemption by the trust or the holders thereof, with or without premium, as the resolution or resolutions may provide. A resolution of the trust authorizing the issuance of bonds, notes or other obligations may provide that the bonds, notes or other obligations be secured by a trust indenture between the trust and a trustee, vesting in the trustee any property, rights, powers and duties in trust consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) as the trust may determine.

d. Bonds, notes or other obligations of the trust may be sold at
any price or prices and in any manner as the trust may determine.
Each bond, note or other obligation shall mature and be paid not
later than 20 years from the effective date thereof, or the certified
useful life of the project or projects to be financed by the bonds,
whichever is less.

All bonds of the trust shall be sold at such price or prices and in
such manner as the trust shall determine, after notice of sale, a
summary of which shall be published at least once in at least three
newspapers published in the State of New Jersey and at least once
in a publication carrying municipal bond notices and devoted
primarily to financial news published in New Jersey or the city of
New York, the first summary notice to be at least five days prior to
the day of bidding. The notice of sale may contain a provision to the
effect that any or all bids made in pursuance thereof may be
rejected. In the event of such rejection or of failure to receive any
acceptable bid, the trust, at any time within 60 days from the date of
such advertised sale, may sell such bonds at private sale upon terms
not less favorable to the State than the terms offered by any rejected
bid. The trust may sell all or part of the bonds of any series as
issued to any State fund or to the federal government or any agency
thereof, at private sale, without advertisement.

e. Bonds, notes or other obligations of the trust may be issued
under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or
P.L.1997, c.224 (C.58:11B-10.1 et al.) without obtaining the
consent of any department, division, board, bureau or agency of the
State, and without any other proceedings or the happening of any
other conditions or things, other than those consents, proceedings,
conditions or things which are specifically required by P.L.1985,
c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et
al.).

f. Bonds, notes or other obligations of the trust issued under
the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997,
c.224 (C.58:11B-10.1 et al.) shall not be a debt or liability of the
State or of any political subdivision thereof other than the trust and
shall not create or constitute any indebtedness, liability or
obligation of the State or any political subdivision, but all these
bonds, notes and other obligations, unless funded or refunded by
bonds, notes or other obligations, shall be payable solely from
revenues or funds pledged or available for their payment as
authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997,
c.224 (C.58:11B-10.1 et al.). Each bond, note and obligation shall
contain on its face a statement to the effect that the trust is obligated
to pay the principal thereof or the interest thereon only from its
revenues, receipts or funds pledged or available for their payment
as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997,
c.224 (C.58:11B-10.1 et al.), and that neither the State, nor any
political subdivision thereof, is obligated to pay the principal or
interest and that neither the faith and credit nor the taxing power of
the State, or any political subdivision thereof, is pledged to the
payment of the principal of or the interest on the bonds, notes or
other obligations.

g. The aggregate principal amount of bonds, notes or other
obligations, including subordinated indebtedness of the trust, shall
not exceed (1) $5,000,000,000 with respect to bonds, notes or other
obligations issued to finance the Disaster Relief Emergency
Financing Program established pursuant to section 1 of
P.L. , c. (C. ) (pending before the Legislature as this bill), and
(2) $2,800,000,000 with respect to bonds, notes or other obligations
issued for all other purposes of the trust. In computing the foregoing
limitations there shall be excluded all the bonds, notes or other
obligations, including subordinated indebtedness of the trust, which
shall be issued for refunding purposes, whenever the refunding shall
be determined to result in a savings.

(1) Upon the decision by the trust to issue refunding bonds,
except for current refunding, and prior to the sale of those bonds,
the trust shall transmit to the Joint Budget Oversight Committee, or
its successor, a report that a decision has been made, reciting the
basis on which the decision was made, including an estimate of the
debt service savings to be achieved and the calculations upon which
the trust relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the trust to issue and sell
the refunding bonds at public or private sale and the reasons therefor.

(2) The Joint Budget Oversight Committee or its successor shall
have the authority to approve or disapprove the sales of refunding
bonds as included in each report submitted in accordance with
paragraph (1) of this subsection. The committee shall notify the
trust in writing of the approval or disapproval within 30 days of
receipt of the report. Should the committee not act within 30 days
of receipt of the report, the trust may proceed with the sale of the
refunding bonds, provided that the sale of refunding bonds shall
realize not less than 3.00% net present value debt service savings.

(3) No refunding bonds shall be issued unless the report has
been submitted to and approved by the Joint Budget Oversight
Committee or its successor as set forth in paragraphs (1) and (2) of
this subsection.

(4) Within 30 days after the sale of the refunding bonds, the
trust shall notify the committee of the result of that sale, including
the prices and terms, conditions and regulations concerning the
refunding bonds, the actual amount of debt service savings to be
realized as a result of the sale of refunding bonds, and the intended
use of the proceeds from the sale of those bonds.

(5) The committee shall review all information and reports
submitted in accordance with this subsection and may, on its own
initiative, make observations to the trust, or to the Legislature, or both, as it deems appropriate.

h. Each issue of bonds, notes or other obligations of the trust may, if it is determined by the trust, be general obligations thereof payable out of any revenues, receipts or funds of the trust, or special obligations thereof payable out of particular revenues, receipts or funds, subject only to any agreements with the holders of bonds, notes or other obligations, and may be secured by one or more of the following:
