40 STATEMENT

41
42 This bill prohibits an operator of an Internet website, online
43 service, online application, or mobile application from marketing or
44 advertising specified types of products or services to a minor. An
45 operator is deemed to be in compliance with this bill if the operator
46 takes reasonable actions in good faith designed to avoid marketing
47 or advertising the prohibited products or services to a minor. The
48 prohibited products and services include:

- 1 • Alcoholic beverages;
- 2 • Branding;
- 3 • Cigarettes;
- 4 • Dangerous fireworks;
- 5 • Drug paraphernalia;
- 6 • Electronic smoking devices;
- 7 • Ephedrine group alkaloids;
- 8 • Firearms;
- 9 • Less-lethal ammunition;
- 10 • Obscene material;
- 11 • Spray paint;
- 12 • Tanning facilities;

15

16 This bill also requires the operator of an Internet website, online
17 service, online application, or mobile application to permit a minor
18 who is a registered user of the operator's Internet website, online
19 service, online application, or mobile application to remove, or to
20 request and obtain removal of within seven days of the request,
21 content or information posted by the minor. An operator is required
22 to provide notice to a minor that the minor may remove the content
23 or information. The operator is not required to remove content or
24 information if any provision of State or federal law requires the
25 operator or third party to maintain the content or information.

26 This bill does not limit the authority of a law enforcement
27 agency to obtain any content or information from an operator as
28 authorized by law or pursuant to a court order.

29 This bill addresses public safety concerns as they relate to
30 minors in this State. Minors have increasing access to various
31 forms of interactive media through computers, smartphones, and
32 other technological devices. It is in the interest of the State to
33 protect minors from advertisements for harmful products on
34 websites that minors may use. Further, it is in the interest of the
35 State to require websites to allow minors to delete posts that the
36 minor may have posted in haste or in error.
