

ASSEMBLY EDUCATION COMMITTEE

STATEMENT TO

ASSEMBLY, No. 2724

STATE OF NEW JERSEY

DATED: SEPTEMBER 22, 2014

The Assembly Education Committee favorably reports Assembly Bill No. 2724.

This bill requires the State Board of Education to develop regulations to provide a parent, guardian, or adult student with the opportunity to opt to have a student's record removed prior to the Department of Education submitting individual student records to any agency of the federal government or nongovernmental entity. The department would be required to annually notify parents, guardians, and adult students of their right to remove a student's records from such a data submission, and allow a minimum of 30 business days to receive a response.
