21 (2) In addition, any provision in a contract of insurance, health  
22 benefits plan, or other health care coverage document, will, trust,  
23 agreement, court order, or other instrument which reduces or

25 services to or for an individual because of that individual's actual or  
26 potential eligibility for or receipt of Medicaid benefits shall be null  
27 and void, and no payments shall be made under this act as a result  
28 of any such provision.

29 (3) Notwithstanding any provision of law to the contrary, the  
30 provisions of paragraph (2) of this subsection shall not apply to a  
31 trust agreement that is established pursuant to 42 U.S.C.  
32 s.1396p(d)(4)(A) or (C) to supplement and augment assistance

18 Department of Health and Human Services directs that these  
19 services be included.

20 (b) Outpatient hospital services, subsection a.(2) of this section,
