STATEMENT

19

20 This bill makes various revisions to the New Jersey consumer
21 fraud act.

22 Under current law, when a violation of the consumer fraud act is
23 found to have occurred, the court is required to award threefold the
24 damages sustained by any person in interest and attorneys' fees.
25 This bill gives the court discretion in awarding damages,
26 which would not be permitted to exceed threefold the actual
27 damages sustained by the consumer. The bill provides that purely
28 technical violations of the act do not allow for an award of
29 attorneys' fees, filing fees and costs. The bill also provides that the
30 plaintiff, in order to succeed in a consumer fraud action, must have
31 been aware of, and relied to his detriment on, the use or
32 employment of the unlawful method, act or practice. The bill also
33 requires that a consumer serve a written demand on the seller for
34 the seller to make the consumer whole, before filing suit.

35 In addition, the bill provides that the consumer fraud act applies
36 only to New Jersey residents or transactions that take place within
37 the State. The bill also provides that the consumer fraud act would
38 not apply to actions or transactions otherwise permitted or regulated
39 by the Federal Trade Commission or any other regulatory body or
40 officer acting under statutory authority of this State or the United
41 States.
