30 municipality shall report annually to the Department of Community
31 Affairs on its progress in implementing the plan for provision of
32 comparable, affordable replacement housing required pursuant to
33 this section.

34 ¹(8) Proposed locations for public electric vehicle charging
35 infrastructure within the project area in a manner that appropriately
36 connects with an essential public charging network.¹

37 b. A redevelopment plan may include the provision of
38 affordable housing in accordance with the "Fair Housing Act,"
39 P.L.1985, c.222 (C.52:27D-301 et al.) and the housing element of
40 the municipal master plan.

41 c. The redevelopment plan shall describe its relationship to
42 pertinent municipal development regulations as defined in the
43 "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.).
44 The redevelopment plan shall supersede applicable provisions of the
45 development regulations of the municipality or constitute an
46 overlay zoning district within the redevelopment area. When the
47 redevelopment plan supersedes any provision of the development
48 regulations, the ordinance adopting the redevelopment plan shall

1 contain an explicit amendment to the zoning district map included
2 in the zoning ordinance. The zoning district map as amended shall
3 indicate the redevelopment area to which the redevelopment plan
4 applies. Notwithstanding the provisions of the "Municipal Land
5 Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) or of other law, no
6 notice beyond that required for adoption of ordinances by the
7 municipality shall be required for the hearing on or adoption of the
8 redevelopment plan or subsequent amendments thereof.

9 d. All provisions of the redevelopment plan shall be either
10 substantially consistent with the municipal master plan or designed
11 to effectuate the master plan; but the municipal governing body may
12 adopt a redevelopment plan which is inconsistent with or not
13 designed to effectuate the master plan by affirmative vote of a
14 majority of its full authorized membership with the reasons for so
15 acting set forth in the redevelopment plan.

16 e. Prior to the adoption of a redevelopment plan, or revision or
17 amendment thereto, the planning board shall transmit to the
18 governing body, within 45 days after referral, a report containing its
19 recommendation concerning the redevelopment plan. This report
20 shall include an identification of any provisions in the proposed
21 redevelopment plan which are inconsistent with the master plan and
22 recommendations concerning these inconsistencies and any other
23 matters as the board deems appropriate. The governing body, when
24 considering the adoption of a redevelopment plan or revision or
25 amendment thereof, shall review the report of the planning board
26 and may approve or disapprove or change any recommendation by a
27 vote of a majority of its full authorized membership and shall
28 record in its minutes the reasons for not following the
29 recommendations. Failure of the planning board to transmit its
30 report within the required 45 days shall relieve the governing body
31 from the requirements of this subsection with regard to the pertinent
32 proposed redevelopment plan or revision or amendment thereof.
33 Nothing in this subsection shall diminish the applicability of the
34 provisions of subsection d. of this section with respect to any
35 redevelopment plan or revision or amendment thereof.

36 f. The governing body of a municipality may direct the
37 planning board to prepare a redevelopment plan or an amendment
38 or revision to a redevelopment plan for a designated redevelopment
39 area. After completing the redevelopment plan, the planning board
40 shall transmit the proposed plan to the governing body for its
41 adoption. The governing body, when considering the proposed
42 plan, may amend or revise any portion of the proposed
43 redevelopment plan by an affirmative vote of the majority of its full
44 authorized membership and shall record in its minutes the reasons
45 for each amendment or revision. When a redevelopment plan or
46 amendment to a redevelopment plan is referred to the governing
47 body by the planning board under this subsection, the governing

- 1 body shall be relieved of the referral requirements of subsection e.
- 2 of this section.
- 3 (cf: P.L.2008, c.46, s.2)
- 4
- 5 4. This act shall take effect immediately.
