ASSEMBLY, No. 1753

with Assembly Floor Amendments
(Proposed by Senators DIEGNAN and SARLO)

ADOPTED: JUNE 25, 2018

These amendments modify the data keeping requirements imposed on persons engaged in providing hotel rooms or transient accommodations. Records must be kept for four years instead of three, but do not need to be provided to the Division of Taxation on a quarterly basis, and the Division of Taxation may audit for accuracy.
