#### STATEMENT

28

29 This bill permits a licensee or registrant who sells less than 60  
30 stock-keeping units per month of an alcoholic beverage to retailers  
31 in this State to petition the Director of the Division of Alcoholic  
32 Beverage Control (ABC) to file only an initial current price list no  
33 later than December 15th preceding the year in which the alcoholic  
34 beverage will be sold. The bill grants the director the authority to  
35 change the December 15th filing date or establish multiple filing  
36 dates during the first year following the bill's effective date.  
37 Currently, ABC requires a current price list to be filed monthly  
38 regardless of the number of stock-keeping units of an alcoholic  
39 beverage sold per month.

40 Under the bill, a price list filed by a licensee or registrant who  
41 continues to sell less than 60 stock-keeping units per month remains  
42 in effect until the licensee or registrant files an amendatory current  
43 price list. If the alcoholic beverages listed or the price of alcoholic  
44 beverages change, the licensee or registrant is to file with the  
45 director an amendatory current price list no later than the 15th day  
46 of the month preceding the month in which the change will take  
47 effect.

1       The bill further requires the director to permit electronic filing of  
2       an initial or amendatory price list within 18 months following the  
3       bill's enactment.

4       Finally, the bill removes from current law a provision requiring  
5       the holder of a limited brewery license or distillery license to  
6       provide a tour of the facility when selling the brewery's or  
7       distillery's respective products for consumption on the licensed  
8       premises.
