20 STATEMENT

21

22 This bill provides that, beginning in the 2021-2022 school year, a
23 school district transportation supervisor who is newly hired or who
24 has less than 11 years of experience will be required, as a condition
25 of employment, to provide evidence to the board of education of
26 satisfactory completion of the School Transportation Supervisors
27 Program offered by the Center for Government Services at Rutgers
28 University. Under the bill, the transportation supervisor will bear
29 the full cost of the program.

30 The School Transportation Supervisors Program is a cooperative
31 effort between the Center for Government Services at Rutgers
32 University and the School Transportation Supervisors of New
33 Jersey. The program is designed to meet the professional and
34 educational needs of school district transportation supervisors, bus
35 contractors, and those interested in enhancing their knowledge in
36 these areas through a series of eight courses which include:
37 management and supervisory skills; fleet management; routing and
38 scheduling; transporting students with disabilities; employee
39 training and safety education; emergency management; financial
40 operations; and codes, statutes, and regulations.
