1 powers and authority granted in P.L.1966, c.30 (C.54:32B-1 et seq.).
2 The tax shall be filed and paid in a manner prescribed by the Director

16 For purposes of this paragraph, "person" includes: an individual,

28 d. If the provisions of subsection c. of this section are not met on
29 the effective date of an annual appropriations act for the State fiscal
30 year, or if an amendment or supplement to an annual appropriations
31 act for the State fiscal year should violate the provisions of subsection
32 c. of this section, the Director of the Division of Budget and
33 Accounting in the Department of the Treasury shall, not later than five
34 days after the enactment of the annual appropriations act, or an
35 amendment or supplement thereto, that violates the provisions of
36 subsection c. of this section, certify to the Director of the Division of
37 Taxation that the requirements of subsection c. of this section have not
38 been met.

39 e. The Director of the Division of Taxation shall, no later than
40 five days after certification by the Director of the Division of Budget

STATEMENT

5

6 This bill increases the minimum dollar amounts that the Director
7 of the Division of Taxation must allocate for cultural projects,
8 historical heritage programs, and tourism advertisement and
9 promotion. Current law requires the director to allocate 22.68
10 percent of the total hotel and motel occupancy fees collected to the
11 New Jersey State Council on the Arts for cultural projects, provided
12 that the actual dollar amount allocated is at least \$22.68 million.
13 This bill increases the minimum dollar amount that the director
14 must allocate for cultural projects to \$31.9 million. Current law
15 requires the director to allocate 3.84 percent of hotel and motel
16 occupancy fees collected to the New Jersey Historical Commission
17 for historical heritage purposes, provided that at least \$3.84 million
18 is allocated. This bill increases the minimum dollar amount that the
19 director must allocate for historical heritage purposes to \$5.5
20 million. Current law requires the director to allocate 12.76 percent
21 of hotel and motel occupancy fees collected to the Division of
22 Travel and Tourism in the Department of State for tourism
23 advertisement and promotion, provided at least \$12.76 million is
24 allocated. This bill increases the minimum dollar amount that the
25 director must allocate for tourism advertisement and promotion to
26 \$17.6 million. The bill applies to revenues collected for
27 occupancies during State Fiscal Year 2017 and thereafter.

28 The purpose of this bill is to encourage increased State funding
29 for the arts, historical heritage, and tourism without binding the
30 Legislature to increased funding levels. The bill does not change
31 the “poison pill” provision under current law, which mandates a
32 minimal level of funding for certain projects, including the arts,
33 historical heritage, and tourism advertisement and promotion.
34 Under the “poison pill” provision, failure to fund these projects at
35 Fiscal Year 2004 appropriation levels results in the termination of
36 the hotel and motel occupancy fee.
