29 STATEMENT

30
31 This bill restricts access by the general public to motor vehicle
32 accident reports for 80 days after the accident.

33 Currently, under N.J.S.A.17:33A-29, information from accident
34 reports is made available by State and local law enforcement to
35 investigators employed by insurers no later than 24 hours following
36 the time of occurrence. The information may include, but need not
37 be limited to, the vehicle owners' names and addresses, the names
38 and addresses of passengers in the vehicle at the the time of the
39 accident, insurance information, and, if applicable, the name of any
40 pedestrian injured in the accident. Under R.S.39:4-131, accident
41 reports are not considered privileged or confidential and every
42 citizen has a right to inspect and copy them. This bill would amend
43 both statutes to provide that accident report information would not
44 be available to the general public until after 80 days have elapsed
45 from the date of the accident, with certain exceptions.

46 The exceptions are: (1) investigators and claim representatives
47 employed by insurers; (2) the media; (3) vehicle owners, operators,
48 or passengers listed in the accident report or an authorized

1 representative of such identified person; (4) employees of a law
2 enforcement agency or other governmental employees authorized to
3 investigate or prosecute insurance fraud; and (5) any person who
4 claims to have suffered personal injury or property damage as a
5 result of the motor vehicle accident, including pedestrians, or an
6 authorized representative of such person, provided such person or
7 authorized representative identifies with sufficient specificity the
8 time and location of the accident described in the report, upon
9 presentation of appropriate identification and any other information
10 required by the law.

11 The bill defines “authorized representative” to include: (1) a
12 licensed attorney retained by and acting under the express
13 authorization of a person listed in the accident report or the express
14 authorization of a person who claims to have suffered personal
15 injury or property damage as a result of the motor vehicle accident,
16 or an employee of such attorney, who provides written
17 documentation demonstrating that the attorney has been retained to
18 represent such person; or (2) the next of kin of any person whose
19 death or incapacitation results from the motor vehicle accident.
