AN ACT concerning the corporation business tax and the definition of gross income under the gross income tax, supplementing P.L.1945, c.162 and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) For privilege periods beginning on and after January 1, 2018, a taxpayer shall be allowed as a deduction for computing entire net income pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4), in the amount of the full value of the deduction that the taxpayer was allowed for federal income tax purposes and for which the taxpayer had taken for federal income tax purposes pursuant to section 250 of the federal Internal Revenue Code (26 U.S.C. s.250); provided, however, such deduction shall only be allowable in computing entire net income pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4) to the extent the corresponding amounts of income, that the deduction was attributable to and taken against for federal income tax purposes, have not been excluded or exempted pursuant to any provision of the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.).

2. Section 4 of P.L.1945, c.162 (C.54:10A-4) is amended to read as follows:

4. For the purposes of this act, unless the context requires a different meaning:

(a) "Commissioner" or "director" shall mean the Director of the Division of Taxation of the State Department of the Treasury.

(b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.

(c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument, any other entity classified as a corporation for federal income tax purposes, and any state or federally chartered building and loan association or savings and loan association.

(d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, and (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion. Notwithstanding the

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.
foregoing, net worth shall not include any deduction for the amount
of the excess depreciation described in paragraph (2) (F) of
subsection (k) of this section. The foregoing aggregate of values
shall be reduced by 50% of the amount disclosed by the
books of the corporation for investment in the capital stock of one
or more subsidiaries, which investment is defined as ownership (1)
of at least 80% of the total combined voting power of all classes of
stock of the subsidiary entitled to vote and (2) of at least 80% of the
total number of shares of all other classes of stock except nonvoting
stock which is limited and preferred as to dividends. In the case of
investment in an entity organized under the laws of a foreign
country, the foregoing requisite degree of ownership shall effect a
like reduction of such investment from the net worth of the
taxpayer, if the foreign entity is considered a corporation for any
purpose under the United States federal income tax laws, such as
(but not by way of sole examples) for the purpose of supplying
deemed paid foreign tax credits or for the purpose of status as a
controlled foreign corporation. In calculating the net worth of a
taxpayer entitled to reduction for investment in subsidiaries, the
amount of liabilities of the taxpayer shall be reduced by such
proportion of the liabilities as corresponds to the ratio which the
excluded portion of the subsidiary values bears to the total assets of
the taxpayer.

In the case of banking corporations which have international
banking facilities as defined in subsection (n), the foregoing
aggregate of values shall also be reduced by retained earnings of the
international banking facility. Retained earnings means the
earnings accumulated over the life of such facility and shall not
include the distributive share of dividends paid and federal income
taxes paid or payable during the tax year.

If in the opinion of the director, the corporation's books do not
disclose fair valuations the director may make a reasonable
determination of the net worth which, in his opinion, would reflect
the fair value of the assets, exclusive of subsidiary investments as
defined aforesaid, carried on the books of the corporation, in
accordance with sound accounting principles, and such
determination shall be used as net worth for the purpose of this act.

(e) (Deleted by amendment, P.L.1998, c.114.)

(f) "Investment company" shall mean any corporation whose
business during the period covered by its report consisted, to the
extent of at least 90% thereof of holding, investing and reinvesting
in stocks, bonds, notes, mortgages, debentures, patents, patent rights
and other securities for its own account, but this shall not include
any corporation which: (1) is a merchant or a dealer of stocks,
bonds and other securities, regularly engaged in buying the same
and selling the same to customers; or (2) had less than 90% of its
average gross assets in New Jersey, at cost, invested in stocks,
bonds, debentures, mortgages, notes, patents, patent rights or other
securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation, a savings institution, or a financial business corporation as defined in the Corporation Business Tax Act.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(h) "Taxpayer" shall mean any corporation, and any partnership required, or consenting, to report or to pay taxes, interest or penalties under this act. "Taxpayer" shall not include a partnership that is listed on a United States national stock exchange.

(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for federal income tax purposes.

(j) Except as herein provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(k) " Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain derived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets.

For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report, or, if the taxpayer is classified as a partnership for federal tax purposes, would otherwise be required to report, to the United States Treasury Department for the purpose of computing its federal income tax, provided however, that in the determination of such entire net income,

(1) Entire net income shall exclude for the periods set forth in paragraph (2)(F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which is included in a taxpayer's federal taxable income solely as a result of an election made pursuant to the provisions of paragraph (8) of that section.

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) The amount of any exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations.

(B) Any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in paragraph (5) of subsection (k) of this section.
(C) Taxes paid or accrued to the United States, a possession or territory of the United States, a state, a political subdivision thereof, or the District of Columbia, or to any foreign country, state, province, territory or subdivision thereof, on or measured by profits or income, or business presence or business activity, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in paragraph (5) of subsection (k) of this section.

(D) (Deleted by amendment, P.L.1985, c.143.)

(E) (Deleted by amendment, P.L.1995, c.418.)

(F) (i) The amount by which depreciation reported to the United States Treasury Department for property placed in service on and after January 1, 1981, but prior to taxpayer fiscal or calendar accounting years beginning on and after the effective date of P.L.1993, c.172, for purposes of computing federal taxable income in accordance with section 168 of the Internal Revenue Code in effect after December 31, 1980, exceeds the amount of depreciation determined in accordance with the Internal Revenue Code provisions in effect prior to January 1, 1981, but only with respect to a taxpayer's accounting period ending after December 31, 1981; provided, however, that where a taxpayer's accounting period begins in 1981 and ends in 1982, no modification shall be required with respect to this paragraph (F) for the report filed for such period with respect to property placed in service during that part of the accounting period which occurs in 1981. The provisions of this subparagraph shall not apply to assets placed in service prior to January 1, 1998 of a gas, gas and electric, and electric public utility that was subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998.

(ii) For the periods set forth in subparagraph (F)(i) of paragraph (2) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which the taxpayer claimed as a deduction in computing federal income tax pursuant to a qualified lease agreement under paragraph (8) of that section.

The director shall promulgate rules and regulations necessary to carry out the provisions of this section, which rules shall provide, among others, the manner in which the remaining life of property shall be reported.

(G) (i) The amount of any civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil
administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator.

(ii) The amount of treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.11f), for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, the discharge.

(H) The amount of any sales and use tax paid by a utility vendor pursuant to section 71 of P.L.1997, c.162.

(I) Interest paid, accrued or incurred for the privilege period to a related member, as defined in section 5 of P.L.2002, c.40 (C.54:10A-4.4), except that a deduction shall be permitted to the extent that the taxpayer establishes by clear and convincing evidence, as determined by the director, that: (i) a principal purpose of the transaction giving rise to the payment of the interest was not to avoid taxes otherwise due under Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, (ii) the interest is paid pursuant to arm's length contracts at an arm's length rate of interest, and (iii)(aa) the related member was subject to a tax on its net income or receipts in this State or another state or possession of the United States or in a foreign nation, (bb) a measure of the tax includes the interest received from the related member, and (cc) the rate of tax applied to the interest received by the related member is equal to or greater than a rate three percentage points less than the rate of tax applied to taxable interest by this State pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5).

A deduction shall also be permitted if the taxpayer establishes by clear and convincing evidence, as determined by the director, that the disallowance of a deduction is unreasonable, or the taxpayer and the director agree in writing to the application or use of an alternative method of apportionment under section 8 of P.L.1945, c.162 (C.54:10A-8); nothing in this subsection shall be construed to limit or negate the director's authority to otherwise enter into agreements and compromises otherwise allowed by law.

A deduction shall also be permitted to the extent that the taxpayer establishes by a preponderance of the evidence, as determined by the director, that the interest is directly or indirectly paid, accrued or incurred to (i) a related member in a foreign nation which has in force a comprehensive income tax treaty with the
United States and the related member (aa) was subject to tax in the
foreign nation on a tax base that included the payment paid, accrued, or incurred; and (bb) under which the related member's income received from the transaction was taxed at an effective tax rate equal to or greater than a rate of three percentage points less than the rate of tax applied to taxable interest by the State of New Jersey pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), provided however that the taxpayer shall disclose on its return for the privilege period the name of the related member, the amount of the interest, the relevant foreign nation, and such other information as the director may prescribe or (ii) to an independent lender and the taxpayer guarantees the debt on which the interest is required. Transactions between members of a combined group are eliminated in the computation of the entire net income of the members of the combined group; therefore, this subparagraph only applies to interest paid, accrued or incurred by a taxable member of a combined group to related parties that are not members of the combined group. The adjustments required by this subparagraph shall not apply to transactions between related members included in a combined group reported on a New Jersey combined return.

(J) (i) Amounts deducted for federal tax purposes pursuant to section 199 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.199, except that this exclusion shall not apply to amounts deducted pursuant to that section that are exclusively based upon domestic production gross receipts of the taxpayer which are derived only from any lease, rental, license, sale, exchange, or other disposition of qualifying production property which the taxpayer demonstrates to the satisfaction of the director was manufactured or produced by the taxpayer in whole or in significant part within the United States but not qualified production property that was grown or extracted by the taxpayer. "Manufactured or produced" as used in this paragraph shall be limited to performance of an operation or series of operations the object of which is to place items of tangible personal property in a form, composition, or character different from that in which they were acquired. The change in form, composition, or character shall be a substantial change, and result in a transformation of property into a different or substantially more usable product.

(ii) For privilege periods beginning after December 31, 2017, notwithstanding the provisions of P.L.1945, c.162 (C.54:10A-1 et seq.) or any other law to the contrary, for the purposes of determining the amount of income pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.) that is net of expenses, no amounts shall be taken as a deduction pursuant to section 199A of the Internal Revenue Code (26 U.S.C. s.199A).

(K) For privilege periods beginning after December 31, 2017, the interest deduction limitation in subsection (j) of section 163 of the Internal Revenue Code (26 U.S.C. s.163), shall apply on a pro-
rata basis to interest paid to both related and unrelated parties, regardless of whether the related parties are subject to the add-back provision of either subparagraph (I) of paragraph (2) of this subsection or in section 5 of P.L.2002, c.40 (C.54:10A-4.4).

(3) The director may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

(4) There shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining federal taxable income, the eligible net income of an international banking facility determined as follows:

(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the applicable expenses;

(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities;

(iii) Entering into foreign exchange trading or hedging transactions related to any of the transactions described in this paragraph; or

(iv) Such other activities as an international banking facility may, from time to time, be authorized to engage in;

(C) Applicable expenses shall be any expense or other deductions attributable, directly or indirectly, to the eligible gross income described in subparagraph (B) of this paragraph.

(5) (A) (i) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of the 80% or more ownership of investment described in subsection (d) of this section for privilege periods beginning on or before December 31, 2016.

(ii) For [the] privilege [period] periods beginning after December 31, 2016 and before January 1, 2019, entire net income
shall exclude 95% of dividends which were included in computing
such taxable income for federal income tax purposes, paid or
deemed paid, to the taxpayer by one or more subsidiaries owned by
the taxpayer to the extent of the 80% or more ownership of
investment described in subsection (d) of this section. For the
purposes of calculating the tax liability owed for the paid or deemed
paid dividends included in entire net income by this subsection, the
taxpayer shall use either their three-year average allocation factor
reported on the taxpayer's tax returns or 3.5 percent, whichever is
lower.

(iii) For privilege periods beginning on and after January 1,
[2018] 2019, entire net income shall exclude 95% of dividends
which were included in computing such taxable income for federal
income tax purposes, paid or deemed paid to the taxpayer by one or
more subsidiaries owned by the taxpayer to the extent of the 80% or
more ownership of investment described in subsection (d) of this
section.

(B) Entire net income shall exclude 50% of dividends which
were included in computing such taxable income for federal income
tax purposes, paid or deemed paid to the taxpayer by one or more
subsidiaries owned by the taxpayer to the extent of 50% or more
ownership of investment, such ownership of investment calculated
in the same manner as the 80% or more of ownership of investment
is calculated as described in subsection (d) of this section.

(C) To the extent a subsidiary received dividends from other
subsidiaries and included those dividends in its entire net income
for the purposes of determining its tax liability pursuant to section 5
of P.L.1945, c.162 (C.54:10A-5) and paid tax on those dividends,
the taxpayer receiving those same dividends from the subsidiary
shall exclude those dividends from its entire net income based on
the subsidiary's allocation factor used by the subsidiary in
determining its tax liability pursuant to section 5 of P.L.1945, c.162
(C.54:10A-5).

(6) (A) Net operating loss deduction. For privilege periods
ending before [the effective date of P.L.2018, c.48] July 31, 2019,
there shall be allowed as a deduction for the privilege period the net
operating loss carryover to that period.

(B) Net operating loss carryover. A net operating loss for any
privilege period ending after June 30, 1984 shall be a net operating
loss carryover to each of the seven privilege periods following the
period of the loss and a net operating loss for any privilege period
ending after June 30, 2009 shall be a net operating loss carryover to
each of the twenty privilege periods following the period of the
loss. The entire amount of the net operating loss for any privilege
period (the "loss period") shall be carried to the earliest of the
privilege periods to which the loss may be carried. The portion of
the loss which shall be carried to each of the other privilege periods
shall be the excess, if any, of the amount of the loss over the sum of
the entire net income, computed without the [exclusion] exclusions
permitted in [paragraph] paragraphs (4) and (5) of this subsection
or the net operating loss deduction provided by subparagraph (A) of
this paragraph, for each of the prior privilege periods to which the
loss may be carried.

(C) Net operating loss. For purposes of this paragraph the term
"net operating loss" means the excess of the deductions over the
gross income used in computing entire net income without the net
operating loss deduction provided for in subparagraph (A) of this
paragraph and the [exclusion] exclusions in [paragraph]
paragraphs (4) and (5) of this subsection.

(D) Change in ownership. Where there is a change in 50% or
more of the ownership of a corporation because of redemption or
sale of stock and the corporation changes the trade or business
giving rise to the loss, no net operating loss sustained before the
changes may be carried over to be deducted from income earned
after such changes. In addition where the facts support the premise
that the corporation was acquired under any circumstances for the
primary purpose of the use of its net operating loss carryover, the
director may disallow the carryover.

(E) Notwithstanding the provisions of this paragraph (6) of
subsection (k) of this section to the contrary, for privilege periods
beginning during calendar year 2002 and calendar year 2003, no
deduction for any net operating loss carryover shall be allowed and
for privilege periods beginning during calendar year 2004 and
calendar year 2005, there shall be allowed as a deduction for the
privilege period so much of the net operating loss carryover as
reduces entire net income otherwise calculated by 50%. If and only
to the extent that any net operating loss carryover deduction is
disallowed by reason of this subparagraph (E), the date on which
the amount of the disallowed net operating loss carryover deduction
would otherwise expire shall be extended by a period equal to the
period for which application of the net operating loss was
disallowed by this subparagraph.

Provided, that this subparagraph (E) shall not restrict the
surrender or acquisition of corporation business tax benefit
certificates pursuant to section 1 of P.L.1997, c.334 (C.34:1B-7.42a) and shall not restrict the application of corporation business
tax benefit certificates pursuant to section 2 of P.L.1997, c.334
(C.54:10A-4.2).

(F) Reduction for discharge of indebtedness. A net operating
loss for any privilege period ending after June 30, 2014, and any net
operating loss carryover to such privilege period, shall be reduced
by the amount excluded from federal taxable income under
subparagraph (A), (B), or (C) of paragraph (1) of subsection (a) of
section 108 of the federal Internal Revenue Code (26 U.S.C. s.108),
for the privilege period of the discharge of indebtedness.
(7) The entire net income of gas, electric and gas and electric public utilities that were subject to, or would have been subject to tax if doing business in this State, the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, shall be adjusted by substituting the New Jersey depreciation allowance for federal tax depreciation with respect to assets placed in service prior to January 1, 1998. For gas, electric, and gas and electric public utilities that were subject to, or would have been subject to tax if doing business in this State, the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, the New Jersey depreciation allowance shall be computed as follows: All depreciable assets placed in service prior to January 1, 1998 shall be considered a single asset account. The New Jersey tax basis of this depreciable asset account shall be an amount equal to the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all depreciable assets in service on December 31, 1997, increased by the excess, of the "net carrying value," defined to be adjusted book basis of all assets and liabilities, excluding deferred income taxes, recorded on the public utility's books of account on December 31, 1997, over the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all assets and liabilities owned by the gas, electric, or gas and electric public utility as of December 31, 1997. "Books of account" for gas, gas and electric, and electric public utilities means the uniform system of accounts as promulgated by the Federal Energy Regulatory Commission and adopted by the Board of Public Utilities. The following adjustments to entire net income shall be made pursuant to this section:

(A) Depreciation for property placed in service prior to January 1, 1998 shall be adjusted as follows:

(i) Depreciation for federal income tax purposes shall be disallowed in full.

(ii) A deduction shall be allowed for the New Jersey depreciation allowance. The New Jersey depreciation allowance shall be computed for the single asset account described above based on the New Jersey tax basis as adjusted above as if all assets in the single asset account were first placed in service on January 1, 1998. Depreciation shall be computed using the straight line method over a thirty-year life. A full year's depreciation shall be allowed in the initial tax year. No half-year convention shall apply. The depreciable basis of the single account shall be reduced by the adjusted federal tax basis of assets sold, retired, or otherwise disposed of during any year on which gain or loss is recognized for federal income tax purposes as described in subparagraph (B) of this paragraph.

(B) Gains and losses on sales, retirements and other dispositions of assets placed in service prior to January 1, 1998 shall be recognized and reported on the same basis as for federal income tax purposes.
(C) The Director of the Division of Taxation shall promulgate regulations describing the methodology for allocating the single asset account in the event that a portion of the utility's operations are separated, spun-off, transferred to a separate company or otherwise desegregated.

(8) In the case of taxpayers that are gas, electric, gas and electric, or telecommunications public utilities as defined pursuant to subsection (q) of this section, the director shall have authority to promulgate rules and issue guidance correcting distortions and adjusting timing differences resulting from the adoption of P.L.1997, c.162 (C.54:10A-5.25 et al.).

(9) Notwithstanding paragraph (1) of this subsection, entire net income shall not include the income derived by a corporation organized in a foreign country from the international operation of a ship or ships, or from the international operation of aircraft, if such income is exempt from federal taxation pursuant to section 883 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.883.

(10) Entire net income shall exclude all income of an alien corporation the activities of which are limited in this State to investing or trading in stocks and securities for its own account, investing or trading in commodities for its own account, or any combination of those activities, within the meaning of section 864 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.864, as in effect on December 31, 1998. Notwithstanding the previous sentence, if an alien corporation undertakes one or more infrequent, extraordinary or non-recurring activities, including but not limited to the sale of tangible property, only the income from such infrequent, extraordinary or non-recurring activity shall be subject to the tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), and that amount of income subject to tax shall be determined without regard to the allocation to that specific transaction of any general business expense of the taxpayer and shall be specifically assigned to this State for taxation by this State without regard to section 6 of P.L.1945, c.162 (C.54:10A-6). For the purposes of this paragraph, "alien corporation" means a corporation organized under the laws of a jurisdiction other than the United States or its political subdivisions.

(11) No deduction shall be allowed for research and experimental expenditures, to the extent that those research and experimental expenditures are qualified research expenses or basic research payments for which an amount of credit is claimed pursuant to section 1 of P.L.1993, c.175 (C.54:10A-5.24) unless those research and experimental expenditures are also used to compute a federal credit claimed pursuant to section 41 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.41.

(12) (A) Notwithstanding the provisions of subsection (k) of section 168 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.168, subsection (b) of section 1400L of the federal Internal

(B) The director shall prescribe the rules and regulations necessary to carry out the provisions of this paragraph, including, among others, those for determining the adjusted basis of the acquired property for the purposes of the Corporation Business Tax Act (1945), P.L.1945, c.162.

(13) (A) Notwithstanding the provisions of section 179 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.179, for property placed in service on or after January 1, 2004, the costs that a taxpayer may otherwise elect to treat as an expense which is not chargeable to a capital account shall be determined pursuant to the provisions of the federal Internal Revenue Code of 1986 (26 U.S.C. s.1 et seq.) in effect on December 31, 2002.

(B) The director shall prescribe the rules and regulations necessary to carry out the provisions of this paragraph, including, among others, those for determining the adjusted basis of the acquired property for the purposes of the Corporation Business Tax Act (1945), P.L.1945, c.162.

(14) Notwithstanding the provisions of subsection (i) of section 108 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.108), for privilege periods beginning after December 31, 2008 and before January 1, 2011, entire net income shall include the amount of discharge of indebtedness income excluded for federal income tax purposes pursuant to subsection (i) of section 108 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.108), and for privilege periods beginning on or after January 1, 2014 and before January 1, 2019, entire net income shall exclude the amount of discharge of indebtedness income included for federal income tax purposes, pursuant to subsection (i) of section 108 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.108).

(15) Entire net income shall exclude the gain or income derived from the sale or assignment of a tax credit transfer certificate pursuant to section 7 of P.L.2011, c.149 (C.34:1B-248) and section 10 of P.L.2014, c.63 (C.34:1B-251).

(16) (A) There shall be allowed as a deduction an amount computed in accordance with this paragraph.

(B) For purposes of this paragraph, "net deferred tax liability" means deferred tax liabilities that exceed the deferred tax assets of the combined group, as computed in accordance with generally accepted accounting principles, and "net deferred tax asset" means that deferred tax assets exceed the deferred tax liabilities of the
combined group, as computed in accordance with generally accepted accounting principles.

(C) Only publicly traded companies, including affiliated corporations participating in the filing of a publicly traded company's financial statements prepared in accordance with generally accepted accounting principles, as of the effective date of this paragraph, shall be eligible for this deduction.

(D) If the provisions of sections 18 through 23 of P.L.2018, c.48 (C.54:10A-4.10 to C.54:10A-4.11) result in an aggregate increase to the members' net deferred tax liability or an aggregate decrease to the members' net deferred tax asset, or an aggregate change from a net deferred tax asset to a net deferred tax liability, the combined group shall be entitled to a deduction, as determined in this paragraph.

(E) For 10 years beginning with the combined group's first privilege period beginning on or after January 1 of the fifth year after the effective date of P.L.2018, c.48 (C.54:10A-54.1 et al.) becomes effective, a combined group shall be entitled to a deduction from combined group entire net income equal to one-tenth of the amount necessary to offset the increase in the net deferred tax liability or decrease in the net deferred tax asset, or aggregate change from a net deferred tax asset to a net deferred tax liability. Such increase in the net deferred tax liability or decrease in the net deferred tax asset or the aggregate change from a net deferred tax asset to a net deferred tax liability shall be computed based on the change that would result from the imposition of the unitary reporting requirements under sections 1 through 17 and 18 through 23 of P.L.2018, c.48 (C.54:10A-54.1 et al.) but for the deduction provided under this paragraph as of the effective date of this paragraph.

(F) The deferred tax impact determined in subparagraph (E) of this paragraph must be converted to the annual Deferred Tax Deduction amount, as follows:

(i) the deferred tax impact determined in subparagraph (E) of this paragraph shall be divided by the rate determined under section 5 of P.L.1945, c.162 (C.54:10A-5) at the effective date of P.L.2018, c.48 (C.54:10A-54.1 et al.);

(ii) the resulting amount shall be further divided by the New Jersey unitary business allocation factor that was used by the combined group in the calculation of the deferred tax assets and deferred tax liabilities as described in subparagraph (E) of this paragraph;

(iii) the resulting amount represents the total net Deferred Tax Deduction available over the ten-year period as described in subparagraph (E) of this paragraph.

(G) The deduction calculated under this paragraph shall not be adjusted as a result of any events happening subsequent to such calculation, including, but not limited to, any disposition or
abandonment of assets. Such deduction shall be calculated without
regard to the federal tax effect and shall not alter the tax basis of
any asset. If the deduction under this section is greater than
combined group entire net income, any excess deduction shall be
carried forward and applied as a deduction to combined group entire
net income in future privilege periods until fully utilized.

(H) Any combined group intending to claim a deduction under
this paragraph shall file a statement with the director on or before
July 1 of the year subsequent to the first privilege period for which
a combined return is required. Such statement shall specify the
total amount of the deduction which the combined group claims on
such form and in such manner as prescribed by the director. No
deduction shall be allowed under this paragraph for any privilege
period except to the extent claimed on such timely filed statement
in accordance with this paragraph.

(1) As used in this subsection:

"Base year" means the last privilege period ending prior to [the effective date of P.L.2018, c.48 (C.54:10A-54.1 et al.)] July 31, 2019.

(2) The prior net operating loss conversion carryover shall be calculated as follows:

(A) The taxpayer shall first calculate the tax value of its UNOL for the base year and for each preceding privilege period for which there is a UNOL. The value of the UNOL for each privilege period is equal to the product of (I) the amount of the taxpayer's UNOL for a privilege period, and (II) the taxpayer's base year BAF. This result shall equal the taxpayer's prior net operating loss conversion carryover.

(B) The taxpayer shall continue to carry over its prior net operating loss conversion carryover to offset its allocated entire net income as provided in sections 6 through [8] 10 of P.L.1945, c.162 (C.54:10A-6 through [54:10A-8] C.54:10A-10) for privilege periods [beginning] ending on and after [the effective date of P.L.2018, c.48 (C.54:10A-54.1 et al.)] July 31, 2019. Such carryover periods shall not exceed the twenty privilege periods
following the privilege period of the initial loss. The entire amount
of the prior net operating loss conversion carryover for any
privilege period shall be carried to the earliest of the privilege
periods to which the loss may be carried. The portion of the prior
net operating loss conversion carryover which shall be carried to
each of the other privilege periods shall be the excess, if any, of the
amount of the prior net operating loss conversion carryover over the
sum of the entire net income, computed without the [exclusion]
exclusions permitted in [paragraph] paragraphs (4) and (5) of
subsection (k) of this section allocated to this State.

under this subsection shall be applied against the entire net income
allocated to this State before the net operating loss carryover
computed under subsection (v) of this section.
(v) "Net operating loss deduction" means the amount allowed as
a deduction for the net operating loss carryover to the privilege
period, calculated as follows:

privilege period [beginning] ending on or after [the effective date
of this act] July 31, 2019, shall be a net operating loss carryover to
each of the twenty privilege periods following the period of the
loss. The entire amount of the net operating loss for any privilege
period shall be carried to the earliest of the privilege periods to
which the loss may be carried. The portion of the loss which shall
be carried to each of the other privilege periods shall be the excess,
if any, of the amount of the loss over the sum of the entire net
income, computed without the [exclusion] exclusions permitted in
[paragraph] paragraphs (4) and (5) of subsection (k) of this section
allocated to this State.
(2) Net operating loss. For purposes of this paragraph the term
"net operating loss" means the excess of the deductions over the
gross income used in computing entire net income, without regard
to any net operating loss carryover, and computed without the
[exclusion] exclusions in [paragraph] paragraphs (4) and (5) of
subsection (k) of this section, allocated to this State pursuant to
sections 6 through [8] 10 of P.L.1945, c.162 (C.54:10A-6 through

carryover to such privilege period, shall be reduced by the amount
excluded from federal taxable income under subparagraph (A), (B),
or (C) of paragraph (1) of subsection (a) of section 108 of the
federal Internal Revenue Code, 26 U.S.C. s.108, for the privilege
period of the discharge of indebtedness.
(4) A net operating loss carryover shall not include any net
operating loss incurred during any privilege period [beginning]
ending prior to [the effective date of P.L.2018, c.48 (C.54:10A-54.1 et al.)] July 31, 2019.

(5) Change in ownership. Where there is a change in 50% or more of the ownership of a corporation because of redemption or sale of stock and the corporation changes the trade or business giving rise to the loss, no net operating loss sustained before the changes may be carried over to be deducted from income earned after such changes. In addition, where the facts support the premise that the corporation was acquired under any circumstances for the primary purpose of the use of its net operating loss carryover, the director may disallow the carryover; provided, however, this paragraph shall not apply between members of a combined group reported on a New Jersey combined return.

(w) “Taxable net income” means entire net income allocated to this State as calculated pursuant to sections 6 through 8 of P.L.1945, c.162 (C.54:10A-6 through 54:10A-8) as modified by subtracting any prior net operating loss conversion carryforward calculated pursuant to subsection (u) of this section, and any net operating loss calculated pursuant to subsection (v) of this section.

(aa) "Common ownership" means that more than 50% of the voting control of each member of a combined group is directly or indirectly owned by a common owner or owners, either corporate or non-corporate, whether or not the owner or owners are members of the combined group. "Unitary business" shall be construed to the broadest extent permitted under the Constitution of the United States. A business conducted by a partnership which is in a unitary business with the combined group shall be treated as the business of the partners that are members of the combined group, whether the partnership interest is held directly or indirectly through a series of partnerships, to the extent of a partner's distributive share of partnership income. The amount of partnership income to be included in the partner's entire net income shall be determined in accordance with subsection a. of section 3 of P.L.2001, c.136 [(C.54:10A-15.6(a)] (C.54:10A-15.6) or subsection a. of section 4 of P.L. 2001, c.136 (C.54:10A-15.7), as applicable. The attribution rules of the federal Internal Revenue Code of 1986, 26 U.S.C. s.318, shall apply for purposes of determining whether the ownership requirements of this definition have been met.

Nothing in this subsection shall be construed to limit or negate the director's authority to otherwise enter into agreements and compromises otherwise allowed by law.

(2) For the purposes of qualifying for the exception provided by subparagraph (a) of paragraph (1) of this subsection, the taxpayer shall disclose on its return for the privilege period the name of the related member, the amount of the interest expenses and costs and intangible expenses and costs deducted, the relevant foreign nation, and such other information as the director may prescribe.

d. Nothing in this section shall require a taxpayer to add to its net income more than once any amount of interest expenses and costs and intangible expenses and costs that the taxpayer pays, accrues or incurs to a related member described in subsection b. of this section.
The adjustments required by this section shall not apply to transactions between related members included in a combined group reported on a New Jersey combined return.

(cf: P.L.2018, c.48, s.4)

4. Section 18 of P.L.2018, c.48 (C.54:10A-4.6) is amended to read as follows:

18. A taxable member of a combined group shall determine its entire net income from the unitary business as its share of the entire net income of the combined group in accordance with a combined unitary tax return made pursuant to this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:10A-4.11). The entire net income from the unitary business of a combined group is the sum of the entire net incomes of each taxable member and each nontaxable member of the combined group derived from the unitary business, which shall be determined as follows:

a. For a member incorporated in the United States, the income included in income of the combined group shall be the member's entire net income otherwise determined pursuant to the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.).

b. For a member not incorporated in the United States, the income to be included in the entire net income of the combined group shall be determined from a profit and loss statement that shall be prepared for each foreign branch or corporation in the currency in which the books of account of the branch or corporation are regularly maintained, adjusted to conform it to the accounting principles generally accepted in the United States for the presentation of those statements and further adjusted to take into account any book-tax differences required by federal or State law. The profit and loss statement of each foreign member of the combined group and the allocation factors related thereto, whether United States or foreign, shall be translated into or from the currency in which the parent company maintains its books and records on any reasonable basis consistently applied on a year-to-year or entity-by-entity basis. Income shall be expressed in United States dollars. In lieu of these procedures and subject to the determination of the director that the income to be reported reasonably approximates income as determined under the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.), income may be determined on any reasonable basis consistently applied on a year-to-year or entity-by-entity basis.
c. (1) If a member of a combined group receives income from
the unitary business from a partnership, the combined group's entire
net income shall include the member's direct and indirect
distributive share of the partnership's unitary business income.

(2) The distributive share of income received by a limited
partner from a qualified investment partnership shall not be
considered to be derived from a unitary business unless the general
partner of such investment partnership and such limited partner
have common ownership. To the extent that the limited partner is
otherwise carrying on or doing business in New Jersey, it shall
allocate its distributive share of income from a qualified investment
partnership in accordance with subsection a. of section 3 of
P.L.2001, c.136 (C.54:10A-15.6) or subsection a. of section 4 of
P.L.2001, c.136 (C.54:10A-15.7) as applicable. If the limited
partner is not otherwise carrying on or doing business in New
Jersey, its distributive share of income from an investment
partnership is not subject to tax under this chapter.

d. All dividends paid by one member to another member of the
combined group shall be eliminated from the income of the
recipient.

e. Except as otherwise provided by regulation, business income
from an intercompany transaction among members of the same
combined group shall be deferred in a manner similar to the deferral
under 26 C.F.R. s.1.1502-13, as determined by the director. Upon
the occurrence of either of the events set forth in subparagraphs (1)
and (2) of this subsection, deferred income resulting from an
intercompany transaction among members of a combined group
shall be restored to the income of the seller and shall be included in
the net income of the combined group as if the seller had earned the
income immediately before the event:

(1) The object of a deferred intercompany transaction is: (a)
resold by the buyer to an entity that is not a member of the
combined group, (b) resold by the buyer to an entity that is a
member of the combined group for use outside the unitary business
in which the buyer and seller are engaged, or (c) converted by the
buyer to a use outside the unitary business in which the buyer and
seller are engaged; or

(2) The buyer and seller cease to be members of the same
combined group, regardless of whether the buyer and seller remain
sufficiently interdependent, integrated, and interrelated through
their activities so as to provide a synergy and mutual benefit that
produces a sharing or exchange of value between them.

f. A charitable expense incurred by a member of a combined
group shall, to the extent allowable as a deduction pursuant to
section 170 of the federal Internal Revenue Code, 26 U.S.C. s.170,
be subtracted first from the combined group's entire net income,
subject to the income limitations of that section applied to the entire
business income of the group. A charitable deduction disallowed
under section 170 of the federal Internal Revenue Code, 26 U.S.C. s.170, but allowed as a carryover deduction in a subsequent privilege period, shall be treated as originally incurred in the subsequent year by the same member and the provisions of this section shall apply in the subsequent privilege period in determining the allowable deduction for that privilege period.

g. A prior net operating loss conversion carryover incurred by a member of a combined group shall be deducted from the entire net income or loss allocated to this state pursuant to section 19 of P.L.2018, c.48 (C.54:10A-4.7) as follows:

(1) Such prior net operating loss conversion carryover deduction shall be allowed to offset only the entire net income allocated to this state of the corporation that created the prior net operating loss; the prior net operating loss conversion carryover cannot be shared with other members of the combined group.

(2) The prior net operating loss conversion carryover deduction computed under subsection (u) of section 4 of P.L.1945, c.162 (C.54:10A-4) shall be applied against the entire net income allocated to this state of the corporation that created the prior net operating loss before the net operating loss carryover computed under subsection h. of this section.

The director shall provide regulations establishing rules on how each such corporation shall apply its prior net operating loss conversion carryover against its share of entire net income allocated as if filing on a separate entity basis.

h. A net operating loss carryover incurred by a member of a combined group shall be deducted from entire net income or loss allocated to this State pursuant to section 19 of P.L.2018, c.48 (C.54:10A-4.7) as follows:

(1) For privilege periods beginning on or after the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), if the computation of a combined group’s entire net income allocated to this state results in a net operating loss, a taxable member of such group may carry over the net operating loss allocated to this state, as calculated under this section and sections 19 and 23 of P.L.2018, c.48 (C.54:18A-4.7 and C.54:18A-4.11), and shall be deductible from entire net income derived from the unitary business in a future privilege period to the extent that the carryover and deduction is otherwise consistent with subsection (v) of section 4 of P.L.1945, c.162 (C.54:10A-4).

(2) Where a taxable member of a combined group has a net operating loss carryover derived from a loss incurred by a combined group in a privilege period beginning on or after the first day of the initial privilege period for which a combined unitary tax return is required under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), then the

taxable member may share the net operating loss carryover with
other taxable members of the combined group if such other taxable
members were members of the combined group in the privilege
period that the loss was incurred. Any amount of net operating loss
carryover that is deducted by another taxable member of the
combined group shall reduce the amount of net operating loss
carryover that may be carried over by the taxable member that
originally incurred the loss.

(3) Where a taxable member of a combined group has a net
operating loss carryover derived from a loss incurred in a privilege
period during which the taxable member was not a member of such
combined group, the carryover shall remain available to be
deducted by that taxable member or other group members that, in
the year the loss was incurred, were part of the same combined
group as such taxable member. Such carryover shall not be
deductible by any other members of the combined group.

(4) A net operating loss carryover shall not include any net
operating loss incurred during any privilege period beginning prior
to the first day of the initial privilege period for which a combined
unitary tax return is required under this section and sections 19 and

i. Tax credits earned by a member of a combined group shall
be utilized as follows:

(1) If a taxable member of a combined group earns a tax credit
in a privilege period beginning on or after the first day of the initial
privilege period for which a combined unitary tax return is required
under this section and sections 19, 20, and 23 of P.L.2018, c.48
(C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11), then the taxable
member may share the credit with other taxable members of the
combined group. Any amount of credit that is utilized by another
taxable member of the combined group shall reduce the amount of
credit carryover that may be carried over by the taxable member
that originally earned the credit. If a taxable member of a combined
group has a tax credit carryover derived from a privilege period
beginning on or after the first day of the initial privilege period for
which a combined unitary tax return is required under this section
and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7,
C.54:18A-4.8, and C.54:18A-4.11), then the taxable member may
share the carryover credit with other taxable members of the
combined group.

(2) If a taxable member of a combined group has a tax credit
carryover derived from a privilege period beginning prior to the
first day of the initial privilege period for which a combined unitary
tax return is required under this section and sections 19, 20, and 23
4.11), then the taxable member may share the carryover credit with
other taxable members of the combined group.
(3) If a taxable member of a combined group has a tax credit carryover derived from a privilege period during which the taxable member was not a member of such combined group, the credit carryover shall remain available to be utilized by such taxable member or other group members.

(4) To the extent a taxable member has more than one corporation business tax credit that it may utilize in a privilege period, whether such credits were earned by said member or are available to said member in accordance with paragraphs (1), (2) and (3) of this subsection, the order of priority of the application of the credits shall be as prescribed by the director.

j. An expense of a member of the combined group that is directly or indirectly attributable to the income of any member of the combined group, which income this State is prohibited from taxing pursuant to the laws or Constitution of the United States, shall be disallowed as a deduction for purposes of determining the combined group's entire net income.

k. Nothing in this section shall apply to:

(1) A corporation or combined group which is licensed, in whole or in part, as an insurance company under the laws of this State or of another state, including corporations which are surplus lines insurers declared eligible by the Commissioner of Banking and Insurance pursuant to section 11 of P.L.1960, c.32 (C.17:22-6.45) to insure risks within this State that is not a combinable captive insurance company. Notwithstanding a provision, if any, to the contrary in this section, the income of an insurance company that is not a combinable captive insurance company, the allocation or apportionment of income related thereto and the apportionment factors of an insurance company that is not a combinable captive insurance company shall not be included in a combined unitary tax return filed under this section and sections 19, 20, and 23 of P.L.2018, c.48 (C.54:18A-4.7, C.54:18A-4.8, and C.54:18A-4.11).

In addition, the dividend exclusion provisions of paragraph (5) of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4) relating to dividends paid by insurance companies to non-insurance companies included in the unitary group shall not be affected by P.L.2018, c.48 (C.54:10A-5.41 et al.).

(2) A corporation that is regulated, in whole or in part, by the Federal Energy Regulatory Commission, the New Jersey Board of Public Utilities, or similar regulatory body of another state, with respect to rates charged to customers for electric or gas services and water and wastewater services.

1. The director shall promulgate rules and regulations necessary to carry out the provisions of this section.

(cf: P.L.2018, c.48, s.18)

5. Section 22 of P.L.2018, c.48 (C.54:10A-4.10) is amended to read as follows:
22. a. Determination of Managerial Member. If the combined group has a common parent corporation within the meaning of the Corporation Business Tax Act (1945), P.L.1945, c.162 (C.54:10A-1 et seq.), and that common parent corporation is a taxable member of the corporate group, the managerial member shall be the common parent corporation. In other cases, the combined group shall select a taxable member as its managerial member or, in the discretion of the director or upon failure of the combined group to select its managerial member, the director shall designate a taxable member of the combined group as managerial member. Once the election of the managerial member is made, the election shall be binding for 10 successive privilege periods, except as otherwise provided for by the director.

b. A combined group shall file a mandatory combined return under this section in the form and manner prescribed by the director. The managerial member of the combined group shall file the mandatory combined return on behalf of the taxable members of the combined group. The managerial member shall be required to file taxable member returns; file taxable member extensions for filing tax returns and other documents with the director; pay taxable member liabilities; receive taxable member findings, assessments, and notices; make and receive taxable member claims, or file taxable member protests and appeals; and shall be the responsible party liable for filing and paying the tax on behalf of the combined group.

c. The privilege period for the combined group is the privilege period of the managerial member. If a member of a combined group has a different fiscal or calendar accounting period from the combined group's privilege period, that member with a different period shall report amounts from its return for its fiscal or calendar accounting year that ends during the group privilege period.

d. Each taxable member of a combined group shall be jointly and severally liable for the tax due from any taxable member pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), whether or not that tax has been self-assessed, and for any interest, penalties, or additions to tax due.

e. If a combined group is eligible to elect the managerial member of the combined group, notice of the election shall be submitted in writing to the director not later than the due date or, if an extension of time to file has been requested and granted, not later than the extended due date of the mandatory combined return for the initial privilege period for which a return is required. The managerial member shall be the designated agent and the responsible person for filing the combined return and paying the tax for the combined group. If another taxable member is subsequently designated as the managerial member, the subsequent designation shall be subject to the approval of the director.
f. The director is authorized to promulgate regulations with
regards to installment payments, estimated payments,
overpayments, refunds and any other filing or payment matters
related to combined groups filing combined returns.

g. For privilege periods [beginning] ending on and after
[January 1, 2019] July 31, 2019, a combined group must file a
mandatory combined return. However, if privilege periods of the
members of the combined group differ, the first mandatory
combined return for the combined group shall be required for the
privilege period of the managerial member.

h. The members of a combined group shall notify the director
within 90 days of a change in the combined group where a member
dissolves, a merger of any kind occurs, a member withdraws from
the group, a member ceases doing business, a member of the group
is acquired by a third party not in the group, or additional members
enter the group which are required to be included.

i. Any notice shall be sent to the managerial member of the
combined group at the last known address of the managerial
member as indicated on either the last filing required or made under
this Chapter or a subsequent electronic or written notice provided
by the managerial member under rules prescribed by the director.

j. The director may, at the director's sole discretion:
   (1) make any deficiency assessment against either the
       managerial member or a taxable member of the combined group;
   (2) refund or credit any overpayment to either the managerial
       member or a taxable member of the combined group;
   (3) require any payment to be made by electronic funds transfer;
   and
   (4) require the mandatory combined return to be filed
       electronically.

(cf: P.L.2018, c.48, s.22)

6. Section 5 of P.L.1945, c.162 (C.54:10A-5) is amended to
read as follows:

   5. The franchise tax to be annually assessed to and paid by
each taxpayer shall be the greater of the amount computed pursuant
to this section or the alternative minimum assessment computed
pursuant to section 7 of P.L.2002, c.40 (C.54:10A-5a); provided
however, that in the case of a taxpayer that is a New Jersey S

(g) Provided however, that for privilege periods beginning on or after January 1, 2001 but before January 1, 2002 the franchise tax annually assessed to and paid by a taxpayer:

(2) that is a limited partnership or foreign limited partnership classified as a partnership for federal income tax purposes shall be the amount determined pursuant to the provisions of section 4 of P.L.2001, c.136 (C.54:10A-15.7).

(h) Provided however, that for privilege periods beginning on or after January 1, 2002 the franchise tax annually assessed to and paid by a taxpayer that is a partnership shall be the amount determined pursuant to the provisions of section 12 of P.L.2002, c.40 (C.54:10A-15.11).
7. Section 1 of P.L.2018, c.48 (C.54:10A-5.41) is amended to read as follows:

1. a. In addition to the tax paid by each taxpayer determined pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), each taxpayer, except for a public utility, shall be assessed and shall pay a surtax as follows:

   (1) For a taxpayer, except a public utility, that has allocated taxable net income in excess of $1 million for the privilege periods, beginning on or after January 1, 2018 through December 31, 2019, the surtax imposed shall be 2.5%;
   (2) For a taxpayer, except a public utility, that has allocated taxable net income in excess of $1 million for the privilege periods, beginning on or after January 1, 2020 through December 31, 2021, the surtax imposed shall be 1.5%.

b. For purposes of this section,

   (1) "taxpayer" shall mean any business entity [required to report and pay tax for federal income tax purposes, and shall include any business entity] that is subject to tax as provided in the Corporation Business Tax (1945), P.L.1945, c.162 (C.54:10A-1 et seq.).
   (2) "allocated taxable net income" shall mean allocated entire net income for privilege periods ending before July 31, 2019, or taxable net income as defined in subsection (w) of section 4 of P.L.1945, c.162 (C.54:10A-4) for privilege periods ending on and after July 31, 2019.

The surtax imposed under this section shall be imposed on allocated taxable net income, and shall be due and payable in accordance with section 15 of P.L.1945, c.162 (C.54:10A-15), and the surtax shall be administered pursuant to the provisions of P.L.1945, c.162 (C.54:10A-1 et seq.). Notwithstanding the provisions of any other law to the contrary, no credits shall be allowed against the surtax liability computed under this section except for credits for installment payments, estimated payments made with a request for an extension of time for filing a return, or overpayments from prior privilege periods.

8. N.J.S.54A:5-1 is amended to read as follows:

54A:5-1. New Jersey Gross Income Defined. New Jersey gross income shall consist of the following categories of income:

a. Salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered whether in cash or in property, and amounts paid or distributed, or deemed paid or distributed, out of a medical savings account that are not excluded from gross income pursuant to section 5 of P.L.1997, c.414 (C.54A:6-27).
b. Net profits from business. The net income from the operation of a business, profession or other activity after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the method of accounting allowed for federal income tax purposes but without deduction of the amount of:

(1) taxes based on income;
(2) a civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator; and
(3) treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.11f) for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon the failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, a discharge.

c. Net gains or income from disposition of property. Net gains or net income, less net losses, derived from the sale, exchange or other disposition of property, including real or personal, whether tangible or intangible as determined in accordance with the method of accounting allowed for federal income tax purposes. For the purpose of determining gain or loss, the basis of property shall be the adjusted basis used for federal income tax purposes, except as expressly provided for under this act, but without a deduction for penalties, fines, or economic benefits excepted pursuant to paragraph (2), or for treble damages excepted pursuant to paragraph (3) of subsection b. of this section.

A taxpayer's net gain or loss on the sale, exchange or other disposition of a share of an S corporation shall be calculated by increasing the adjusted basis of the share by an amount equal to the shareholder's net losses and deductions in respect of the share allowed and deducted from income for federal income tax purposes, not including any personal net operating loss deductions, to the extent that such net losses were not offset by the taxpayer's pro rata
share of S corporation income otherwise subject to taxation pursuant to subsection p. of this section in respect of another S corporation, subject to rules of priority and assignment determined by the director.

For the tax year 1976, any taxpayer with a tax liability under this subsection, or under the "Tax on Capital Gains and Other Unearned Income Act," P.L.1975, c.172 (C.54:8B-1 et seq.), shall not be subject to payment of an amount greater than the amount he would have paid if either return had covered all capital transactions during the full tax year 1976; provided, however, that the rate which shall apply to any capital gain shall be that in effect on the date of the transaction. To the extent that any loss is used to offset any gain under P.L.1975, c.172, it shall not be used to offset any gain under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq.

The term "net gains or income" shall not include gains or income derived from obligations which are referred to in clause (1) or (2) of N.J.S.54A:6-14 of this act or from securities which evidence ownership in a qualified investment fund as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1). The term “net gains or income” shall not include gains or income derived from the sale or assignment of a tax credit transfer certificate pursuant to section 7 of P.L.2011, c.149 (C.34:1B-248) and section 10 of P.L.2014, c.63 (C.34:1B-251) from any sale or assignment of a tax credit issued pursuant to an award of tax credits approved by the New Jersey Economic Development Authority prior to July 1, 2018, regardless of when such sale or assignment occurs. The term "net gains or net income" shall not include gains or income from transactions to the extent to which nonrecognition is allowed for federal income tax purposes. The term "sale, exchange or other disposition" shall not include the exchange of stock or securities in a corporation a party to a reorganization in pursuance of a plan of reorganization, solely for stock or securities in such corporation or in another corporation a party to the reorganization and the transfer of property to a corporation by one or more persons solely in exchange for stock or securities in such corporation if immediately after the exchange such person or persons are in control of the corporation. For purposes of this clause, stock or securities issued for services shall not be considered as issued in return for property.

For purposes of this clause, the term "reorganization" means--

(i) A statutory merger or consolidation;

(ii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of stock of another corporation if, immediately after the acquisition, the acquiring corporation has control of such other corporation (whether or not such acquiring corporation had control immediately before the acquisition);
(iii) The acquisition by one corporation, in exchange solely for all or part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation), of substantially all of the properties of another corporation, but in determining whether the exchange is solely for stock the assumption by the acquiring corporation of a liability of the other, or the fact that property acquired is subject to a liability, shall be disregarded;

(iv) A transfer by a corporation of all or a part of its assets to another corporation if immediately after the transfer the transferor, or one or more of its shareholders (including persons who were shareholders immediately before the transfer), or any combination thereof, is in control of the corporation to which the assets are transferred;

(v) A recapitalization;

(vi) A mere change in identity, form, or place of organization however effected; or

(vii) The acquisition by one corporation, in exchange for stock of a corporation (referred to in this subclause as "controlling corporation") which is in control of the acquiring corporation, of substantially all of the properties of another corporation which in the transaction is merged into the acquiring corporation shall not disqualify a transaction under subclause (i) if such transaction would have qualified under subclause (i) if the merger had been into the controlling corporation, and no stock of the acquiring corporation is used in the transaction;

(viii) A transaction otherwise qualifying under subclause (i) shall not be disqualified by reason of the fact that stock of a corporation (referred to in this subclause as the "controlling corporation") which before the merger was in control of the merged corporation is used in the transaction, if after the transaction, the corporation surviving the merger holds substantially all of its properties and of the properties of the merged corporation (other than stock of the controlling corporation distributed in the transaction); and in the transaction, former shareholders of the surviving corporation exchanged, for an amount of voting stock of the controlling corporation, an amount of stock in the surviving corporation which constitutes control of such corporation.

For purposes of this clause, the term "control" means the ownership of stock possessing at least 80% of the total combined voting power of all classes of stock entitled to vote and at least 80% of the total number of shares of all other classes of stock of the corporation.

For purposes of this clause, the term "a party to a reorganization" includes a corporation resulting from a reorganization, and both corporations, in the case of a reorganization resulting from the acquisition by one corporation of stock or properties of another. In the case of a reorganization qualifying under subclause (i) by reason
of subclause (vii) the term "a party to a reorganization" includes the
controlling corporation referred to in such subclause (vii).

Notwithstanding any provisions hereof, upon every such
exchange or conversion, the taxpayer's basis for the stock or
securities received shall be the same as the taxpayer's actual or
attributed basis for the stock, securities or property surrendered in
exchange therefor.

d. Net gains or net income derived from or in the form of rents,
royalties, patents, and copyrights.

e. Interest, except interest referred to in clause (1) or (2) of
N.J.S.54A:6-14, or distributions paid by a qualified investment fund
as defined in section 2 of P.L.1987, c.310 (C.54A:6-14.1), to the
extent provided in that section.

f. Dividends. "Dividends" means any distribution in cash or
property made by a corporation, association or business trust that is
not an S corporation, (1) out of accumulated earnings and profits, or
(2) out of earnings and profits of the year in which such dividend is
paid and any distribution in cash or property made by an S
corporation, as specifically determined pursuant to section 16 of

The term "dividends" shall not include distributions paid by a
qualified investment fund as defined in section 2 of P.L.1987, c.310
(C.54A:6-14.1), to the extent provided in that section.

g. Gambling winnings.
h. Net gains or income derived through estates or trusts.

(C.43:10-18.22), P.L.1948, c.310, s.22 (C.43:10-18.71), P.L.1954,

9. Section 33 of P.L.2018, c.48 is amended to read as follows:

33. This act shall take effect immediately but section 1 and the provisions of section 3, other than provisions amending paragraph (5) of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4), shall be effective for tax years beginning on and after January 1, 2018 [i], sections 2 and 3] section 2 and the provisions of section 3 amending paragraph (5) of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4) are retroactive to January 1, 2017, and the remaining sections shall apply to tax years beginning on and after January 1, 2018, provided however that the provisions of this act related to combined reporting and market based sourcing shall apply to tax years [beginning] ending on and after [January 1, 2019] July 31, 2019. Section [35] 32 shall be effective for tax years beginning on and after [January 1, 2019] July 31, 2019.

10. This act shall take effect immediately and be retroactive to January 1, 2018, except as follows: subsubparagraph (ii) of subparagraph (A) of paragraph (5) of subsection (k) of section 4 of P.L.1945, c.162 (C.54:10A-4) is retroactive to January 1, 2017; the provisions of this act related to combined reporting and market based sourcing shall apply to privilege periods ending on or after July 31, 2019; and section 8 shall apply to tax credits approved prior to July 1, 2018.
This bill amends certain provisions regarding the tax base and operative dates under the corporation business tax (“CBT”), and in particular P.L.2018, c.48 (C.54:10A-5.41 et al.); provides a CBT deduction in the amount of a deduction claimed by a taxpayer pursuant to section 250 of the federal Internal Revenue Code; and clarifies the gross income tax treatment of certain tax credits approved by the New Jersey Economic Development Authority prior to July 1, 2018.

**CBT Tax Base, Rates, and Deductions**

Regarding the CBT surtax imposed under P.L.2018, c.48 (C.54:10A-5.41 et al.) (“chapter 48”), the bill: (1) updates the tax base, to provide that “allocated entire net income” means: entire net income for privilege periods ending before July 31, 2019, and taxable net income (as defined in N.J.S.A.54:10A-4(w)) for privilege periods ending on and after July 31, 2019; and (2) clarifies that the term “taxpayer” means a business entity that is subject to the CBT.

Likewise, the bill provides that, for privilege periods ending on or after July 31, 2019, the CBT rate per N.J.S.A.54:10A-5 applies to taxable net income.

Certain operative dates relative to chapter 48 are revised by the bill. For a taxpayer that owns 80 percent or more of a subsidiary, the dividend received deduction may be claimed at: 100 percent for privilege periods beginning on or before December 31, 2016; at 95 percent for privilege periods beginning January 1, 2017 until December 31, 2018, while giving a taxpayer allocation relief on the deemed dividends; and at 95 percent for privilege periods beginning on and after January 1, 2019. The rates of the deduction, however, are not affected by the bill. The bill also extends the operative dates for: (1) the net operating loss deduction; and (2) the prior net operating loss conversion carryover, to privilege periods ending prior to July 31, 2019 (in contrast to the effective date of chapter 48, July 1, 2018) under the CBT.

The bill provides that a “combinable captive insurance company,” meaning a captive insurer that is more than 50 percent owned (directly or indirectly) by a single entity and with gross receipts of 50 percent or less from insurance premiums, is not exempt from the CBT.

For purposes of determining “net worth” under the CBT (per N.J.S.A.54:10A-4), the allowable reduction for investment in capital stock of one or more subsidiaries is reduced, to 50 percent (from 100 percent).

In the event that there is a change in 50 percent or more of the ownership of a corporation because of the redemption or sale of
stock, and the corporation changes the trade or business giving rise to the loss, no net operating loss sustained before the changes may be carried over to be deducted from income earned after such changes. Nevertheless, if the Direction of the Division of Taxation determines that the acquisition was for the primary purpose of the use of taking advantage of the net operating loss carryover, the director may disallow the carryover. This provision does not apply between members of a combined group reported on a New Jersey combined return.

Additionally, the bill provides a CBT deduction to mirror the federal deduction allowed under the Internal Revenue Code relative to income derived from certain foreign assets, as adopted by 18 other states. The federal Tax Cuts and Jobs Act has implemented a tax on American shareholders’ income from controlled foreign corporations (“GILTI”), to the extent the income exceeds a 10 percent return on invested foreign assets. Moreover, foreign derived intangible income (“FDII”) is income derived from certain business assets, including intellectual property. Section 250 of the federal Internal Revenue Code (26 U.S.C. s.250) allows a taxpayer to claim a deduction relative to the GILTI and FDII of a business. This bill allows a taxpayer to claim a CBT deduction in the amount of the section 250 deduction claimed by the taxpayer in the tax year.

Combined Reporting

The bill updates the effective dates of the combined reporting requirements of chapter 48, to commence for privilege periods ending on and after July 31, 2019.

For each member of a combined reporting group filing a mandatory or elective New Jersey combined return, the minimum tax under the CBT is set at $2,000 for the group privilege period. Under current law, entities regulated by the Federal Energy Regulatory Commission, the New Jersey Board of Public Utilities, or a similar regulatory body of another State, are exempted from certain combined reporting provisions with respect to rates charged to customers for electric or gas services, per N.J.S.A.54:10A-4.6. The bill extends this exemption to water and wastewater. Regarding the add back provision of N.J.S.A.54:10A-4.4, the bill provides that the add back provision does not apply to transactions between related members included in a combined group reported on a New Jersey combined return.

Tax Treatment of Certain EDA Tax Credits

The bill clarifies that “gross income” under the gross income tax does not include gains or income from the sale or assignment of a tax credit transfer certificate under the Grow New Jersey Assistance
Program, N.J.S.A.34:1B-248 and N.J.S.A.34:1B-251, for any sale or assignment of a tax credit approved by the EDA on or prior to July 1, 2018, irrespective of the date the sale or assignment occurs.

It is noted that the director’s authority as it relates to allocation factor, more commonly known as ‘Section 8,’ allows the director discretion to afford relief to individual taxpayers as necessary.
