STATEMENT

This bill amends current law to authorize certain activities in
which a holder of a limited brewery license is permitted to engage.
Specifically, this bill authorizes the holder of a limited brewery
license to engage in activities which include, but are not limited to:
holding an unlimited number of on-premises special events, for
which the license holder may sell tickets without requiring the
license holder to obtain a permit or provide electronic notification
to the Division of Alcoholic Beverage Control (ABC), and up to 12
off-premises special events per year pursuant to a permit issued by
the director of the ABC for each event. If an event is to be held on
a publicly-owned or controlled property, the licensee would be
required to obtain consent from the political subdivision that owns
or controls the property or the Chief Law Enforcement Officer of
the law enforcement agency that has jurisdiction over the property.
Under the bill, a license holder also is permitted to deliver its
product to a consumer’s home; sell soda, whether or not
manufactured by the license holder; coordinate with a food vendor
to provide food on the licensed premises; and provide menus to
consumers.
In addition, the bill eliminates the requirement that the license
holder provide a tour to a consumer prior to serving alcoholic
beverages for consumption on the licensed premises. The bill
further provides that pourers and servers employed by the licensed
brewery are not required to be certified by an industry-recognized
server training program.
The bill defines “on-premises special event” to mean an event that is open to the public and held on the licensed premises or the sidewalk, parking lot, or other area owned by the license holder that is adjacent to or adjoining the licensed premises and includes, but is not limited to: private parties such as birthdays, weddings, anniversaries, civic and political functions, professional and trade association events, class reunion and alumni events; trivia and quizzo; paint and sip; craftmaking; pop up shops; DJs, live music, and open mic; televised or streamed sporting events; educational events and seminars; movies and theatrical events; animal adoption, to the extent permitted by local ordinance; and yoga and other exercise classes.

“Off-premises events” means special events that take place at a location other than on the licensed premises or the sidewalk, parking lot, or other area owned by the license holder that is adjacent to or adjoining the licensed premises and include, but are not limited to: beer, music, and arts festivals; civic events; 5K races, mud races, bike races and other athletic events; limited brewery anniversary celebrations; and holiday celebrations.
