The racing commission shall issue all initial sports wagering licenses to racetracks but the division shall have responsibility for the renewal thereof. In addition to casino games permitted pursuant to the provisions of P.L.1977, c.110 (C.5:12-1 et seq.), a casino which holds a sports wagering license issued by the division may operate a sports pool in accordance with the provisions of this act and applicable regulations promulgated pursuant to this act. A racetrack which holds an initial sports wagering license issued by the racing commission or a sports wagering license that has been renewed by the division may operate a sports pool in accordance with the provisions of this act and applicable regulations promulgated pursuant to this act. A casino which holds a sports wagering license and a racetrack which holds a sports wagering license may enter into an agreement to jointly operate a sports pool at the racetrack, in accordance with the provisions of this act and applicable regulations promulgated pursuant to this act. A casino or racetrack that holds a sports wagering license may conduct an online sports pool or may authorize an internet sports pool operator licensed as a casino service industry enterprise pursuant to section 92 of P.L.1977, c.110 (C.5:12-92), or an applicant for such license, to operate an online sports pool on its behalf provided the terms of the agreement are approved by the division, in the case of a casino, or the racing commission, in the case of a racetrack; provided, however, that each sports wagering licensee may provide no more than three individually branded websites, each of which may have an accompanying mobile application bearing the same brand as the website for an online sports pool, those websites and mobile applications, in the case of a casino being in addition to or, in the discretion of the casino, in conjunction with, any websites and mobile applications that also offer other types of Internet gaming pursuant to P.L.2013, c.27 (C.5:12-95.17 et seq.). No online sports pool shall be opened to the public, and no sports wagering, except for test purposes, may be conducted therein, until an Internet sports pool operator receives from the division a permit to conduct an online sports pool. Sports wagering licensees and operators may provide promotional credits, incentives, bonuses, complimentaries, or similar benefits designed to induce sports betters to wager. The division, in consultation with the commission, shall establish by rule standards governing the provision of these measures. The server or other equipment used by a racetrack to accept wagers at a sports pool or online sports pool shall be located in that

racetrack or in any location in Atlantic City which conforms to the requirements of section 20 of P.L.2013, c.27 (C.5:12-95.22) and any additional requirements which the division may impose by regulation. The server or other equipment used by a casino to accept wagers at a sports pool or online sports pool shall conform to the requirements of section 20 of P.L.2013, c.27 (C.5:12-95.22) and any additional requirements which the division may impose by regulation.

With regard to this act, P.L.2018, c.33 (C.5:12A-10 et al.), the duties specified in section 63 of P.L.1977, c.110 (C.5:12-63) of the Casino Control Commission shall apply to the extent not inconsistent with the provisions of this act. In addition to the duties specified in section 76 of P.L.1977, c.110 (C.5:12-76), the division or racing commission, as required pursuant to this act, shall hear and decide promptly and in reasonable order all applications for a license to operate a sports pool. In addition to the duties specified in section 76 of P.L.1977, c.110 (C.5:12-76), the division shall have the general responsibility for the implementation of this act, except with respect to the authority to issue sports wagering licenses to a racetrack as provided by this act, and shall have all other duties specified in that section with regard to the operation of a sports pool.

The license to operate a sports pool shall be in addition to any other license required to be issued pursuant to P.L.1977, c.110 (C.5:12-1 et seq.) to operate a casino or pursuant to P.L.1940, c. 17 (C.5:5-22 et seq.) to conduct horse racing. The division and the racing commission shall each have the authority to charge a casino or a racetrack a fee for the issuance or, in the case of the division renewal, of a sports wagering license in an amount of \$100,000 for initial issuance and in the case of a renewal a reasonable fee that is based upon the expense associated with renewal, enforcement, and gambling addiction programs. No sports wagering license shall be issued by the division or racing commission to any entity unless it has established its financial stability, integrity and responsibility and its good character, honesty and integrity. No casino or racetrack shall be permitted to operate a sports pool or accept wagers via an online sports pool unless a sports wagering lounge is established and has commenced operation in its facility; provided, however, that an applicant for a sports wagering license may petition the agency issuing the sports wagering license pursuant to this act to commence operation of the sports pool at a temporary facility and/or an online sports pool during the pendency of construction of a sports wagering lounge in its facility. Such temporary facility may include, at the discretion of the agency issuing the sports wagering license pursuant to this act, the utilization of designated windows at the current casino cage or racetrack betting window for purposes of placing sports betting wagers and self-service wagering machines located at the racetrack or casino hotel complex. No license to operate a sports pool shall be issued to any entity which is disqualified under the criteria of section 86 of P.L.1977, c.110 (C.5:12-86).

No later than five years after the date of the issuance of a license and every five years thereafter or within such lesser periods as the agency issuing the sports wagering license pursuant to this act may direct, a licensee shall submit to the said agency such documentation or information as the division or racing commission may by regulation require, to demonstrate to the satisfaction of the agency that the licensee continues to meet the requirements of the law and regulations.

The division and the racing commission following consultation with the sports wagering licensees shall annually cause a report to be prepared and distributed to the Governor on the impact of sports wagering, including Internet wagering on sports events, on problem gamblers and gambling addiction in New Jersey. The report shall be prepared by a private organization or entity with expertise in serving the needs of persons with gambling

addictions, which organization or entity shall be selected jointly by the division and the racing commission. The report shall be prepared and distributed under the supervision of, and in coordination with, the division and the racing commission. Any costs associated with the preparation and distribution of the report shall be borne by casino and racetrack licensees who have been authorized by the division or the racing commission to conduct Internet gaming and the division and the racing commission shall be authorized to assess a fee against such licensees for these purposes. The division and the racing commission may also report periodically to the Governor on the effectiveness of the statutory and regulatory controls in place to ensure the integrity of gaming operations through the Internet.

b. A sports pool shall be operated in a sports wagering lounge located at a casino or racetrack. A sports wagering lounge may be located at a casino simulcasting facility. The lounge shall conform to all requirements concerning square footage, design, equipment, security measures and related matters which the division shall by regulation prescribe. The space required for the establishment of a lounge shall not reduce the space authorized for casino gaming activities as specified in section 83 of P.L.1977, c.110 (C.5:12-83).

c. No sports pool or online sports pool shall be offered or made available for wagering to the public by any entity other than a sports wagering licensee, pursuant to P.L.2018, c.33 (C.5:12A-10 et al.), an applicant for such license, operating such pool on behalf of a licensee, or an Internet sports pool operator, on behalf of a sports wagering licensee. Any person who offers a sports pool or an online sports pool without approval of the division or racing commission to do so is guilty of a crime of the fourth degree and notwithstanding the provisions of N.J.S.2C:43-3, shall be subject to a fine of not more than \$25,000 and in the case of a person other than a natural person, to a fine of not more than \$100,000 and any other appropriate disposition authorized by subsection b. of N.J.S.2C:43-2.

Any employee of a sports governing body or its member teams who is not prohibited from wagering on a sports event shall, nevertheless, provide notice to the division prior to placing a wager on a sports event. The direct or indirect legal or beneficial owner of 10 percent or more of a sports governing body or any of its member teams shall not place or accept any wager on a sports event in which any member team of that sports governing body participates. Any person

who violates this paragraph shall be guilty of a disorderly persons offense and shall be fined not less than \$500 and not more than \$1,000.

(2) The prohibition set forth in paragraph (1) of this subsection shall not apply to any person who is a direct or indirect owner of a specific sports governing body member team and (i) has less than 10 percent direct or indirect ownership interest in a casino or racetrack or (ii) the shares of such person are registered pursuant to section 12 of the Securities Exchange Act of 1934, as amended (15 U.S.C. s.781), and the value of the ownership of such team represents less than one percent of the person's total enterprise value.

(3) An operator shall adopt procedures to prevent persons from wagering on sports events who are prohibited from placing sports wagers. An operator shall not accept wagers from any person whose identity is known to the operator and:

whose name appears on the exclusion list maintained by the division pursuant to section 71 of P.L.1977, c.110 (C.5:12-71);

whose name appears on any self-exclusion list maintained by the division pursuant to sections 1 and 2 of P.L.2001, c.39 (C.5:12-71.2 and C.5:12-71.3, respectively);

who has access to nonpublic confidential information held by the operator; or

who is an agent or proxy for any other person.

(4) An operator shall adopt procedures to obtain personally identifiable information from any individual who places any single wager in an amount of \$10,000 or greater on a sports event while physically present in a racetrack facility or a casino.

Sections 1 and 2 of P.L.2002, c.89 (C.5:5-65.1 and C.5:5-65.2, respectively) shall apply to the conduct of sports wagering under this act.

g. The holder of a sports wagering license may contract with an entity to conduct that operation, in accordance with the regulations of the division. That entity shall obtain a license as a casino service industry enterprise prior to the execution of any such contract, and such license shall be issued pursuant to the provisions of P.L.1977, c.110 (C.5:12-1 et seq.) and in accordance with the regulations promulgated by the division in consultation with the commission.

h. If any provision of this act, P.L.2018, c.33 (C.5:12A-10 et al.), or its application to any person or circumstance, is held invalid, the invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

i. An operator shall promptly report to the division:

any criminal or disciplinary proceedings commenced against the operator or its employees in connection with the operations of the sports pool or online sports pool;

any abnormal betting activity or patterns that may indicate a concern about the integrity of a sports event or events;

The division is authorized to share any information under this section with any law enforcement entity, team, sports governing body, or regulatory agency the division deems appropriate.

j. An operator shall maintain records of sports wagering operations in accordance with

regulations promulgated by the division.

k. A sports wagering licensee may, in addition to having a sports wagering lounge, conduct wagering on authorized sports events through one or more kiosks or self-service wagering stations located within its facility. Such self-service wagering stations located at a casino may offer any game authorized under rules established by the division. Such self-service wagering stations located at a racetrack may offer wagering only on authorized sports events and horse races.

l. All wagers on sports events authorized under this provision shall be initiated, received and otherwise made within this State unless otherwise determined by the division in accordance with applicable federal and state laws. Consistent with the intent of the United States Congress as articulated in the Unlawful Internet Gambling Enforcement Act of 2006 (31 U.S.C. s.5361 et seq.), the intermediate routing of electronic data relating to a lawful intrastate wager authorized under this provision shall not determine the location or locations in which such wager is initiated, received or otherwise made.

(4) Agreements to lease an approved casino hotel or the land thereunder and agreements for the complete management of all casino gaming operations in a casino hotel shall not be subject to the provisions of this subsection but shall rather be subject to the provisions of subsections b. and c. of section 82 of this act.

(5) Agreements which provide for percentage charges between the casino licensee and a holding company or intermediary company of the casino licensee shall be in writing and filed with the division but shall not be subject to the provisions of this subsection.

(11) A written agreement between a casino licensee holding an Internet gaming permit and a casino service industry enterprise licensed pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92), or an eligible applicant for such a license, in connection with the conduct of Internet gaming under P.L.2013, c.27 (C.5:12-95.17 et al.), which provides for a percentage of the casino licensee's Internet gaming gross revenue to be paid to the casino service industry enterprise licensee shall not be subject to the provisions of this subsection,

provided that the agreement shall be in writing, filed with the division, and shall be lawful and effective only if the terms thereof are expressly approved by the division.

b. Each casino applicant or licensee shall maintain, in accordance with the rules of the division, a record of each written or unwritten agreement regarding the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility. The foregoing obligation shall apply regardless of whether the casino applicant or licensee is a party to the agreement. Any such agreement may be reviewed by the division on the basis of the reasonableness of its terms, including the terms of compensation, and of the qualifications of the owners, officers, employees, and directors of any enterprise involved in the agreement, which qualifications shall be reviewed according to the standards enumerated in section 86 of P.L.1977, c.110 (C.5:12-86). If the division disapproves such an agreement or the owners, officers, employees, or directors of any enterprise involved therein, the division may require its termination.

Every agreement required to be maintained, and every related agreement the performance of which is dependent upon the performance of any such agreement, shall be deemed to include a provision to the effect that, if the commission shall require termination of an agreement pursuant to its authority under P.L.1977, c.110 (C.5:12-1 et seq.), such termination shall occur without liability on the part of the casino applicant or licensee or any qualified party to the agreement or any related agreement. Failure expressly to include such a provision in the agreement shall not constitute a defense in any action brought to terminate the agreement. If the agreement is not maintained or presented to the commission in accordance with division regulations, or the disapproved agreement is not terminated, the division may pursue any remedy or combination of remedies provided in this act.

For the purposes of this subsection, "casino applicant" includes any person required to hold a casino license pursuant to section 82 of P.L.1977, c.110 (C.5:12-82) who has applied to the division for a casino license or any approval required under P.L.1977, c.110 (C.5:12-1 et seq.).

c. Nothing in this act shall be deemed to permit the transfer of any license, or any interest in any license, or any certificate of compliance or any commitment or reservation.

13. Section 1 of P.L.2008, c.12 (C.5:12-38a) is amended to read as follows:

C.5:12-38a "Promotional gaming credit."

1. "Promotional gaming credit" - A slot machine credit, sports wagering credit or other item approved by the division that is issued by a licensee to a patron for the purpose of enabling the placement of a wager at a slot machine or in a sports pool in the licensee's casino or through the licensee's Internet gaming system. No such credit shall be reported as a promotional gaming credit unless the casino licensee can establish that the credit was issued by the casino licensee and received from a patron as a wager at a slot machine or in a sports pool in the licensee's casino or Internet gaming system.

14. Section 3 of P.L.2016, c.5 (C.52:27BBBB-20) is amended to read as follows:

C.52:27BBBB-20 Definitions relative to stabilization of finances of a municipality in which casino gaming is authorized.

3. a. As used in P.L.2016, c.5 (C.52:27BBBB-18 et al.):

"Atlantic City" means the City of Atlantic City, in Atlantic County;

"Base amount" means the amount of the payment in lieu of taxes as determined by subparagraph (d) of paragraph (3) of subsection c. of this section;

"Casino gaming property" means one or more parcels of real property located in Atlantic City, and any adjacent property utilized in connection with such property, upon which there is located a facility licensed to be used for casino gaming in 2014 or thereafter, whether or not in actual operation, which has more than 500 guest hotel rooms, and is not subject to recorded covenants prohibiting casino gaming;

"Division" means the Division of Gaming Enforcement in the Department of Law and Public Safety;

"Gross gaming revenue" (GGR) means the total amount of revenue raised through casino gaming, including revenue from sports pool operations, from all of the casino gaming properties located in Atlantic City as determined by the division;

"Local Finance Board" means the Local Finance Board in the Division of Local Government Services in the Department of Community Affairs; and

"Treasury" means the Department of the Treasury.

b. Beginning with calendar year 2017, and for the next succeeding nine calendar years, casino gaming properties located in Atlantic City shall be exempt from local property taxation on real property and improvements, including accessory hotels, conference centers, parking garages, and other appurtenant facilities, except that any new improvement developed on a casino gaming property that is made outside of the perimeter footprint of any improvement existing as of the effective date of this act and any real property, not formerly qualified as casino gaming property, acquired after such date by an owner of casino gaming property shall not be exempt from local property taxation in any calendar year and shall be subject to local property taxation annually at Atlantic City's general property tax rate. The provisions of this section shall not apply to any casino property that operates under a small scale casino facility license or a staged casino facility license pursuant to section 1 of P.L.2010, c.115 (C.5:12-80.1).

c. (1) In exchange for the property tax exemption granted in subsection b. of this section, each owner of each casino gaming property shall sign a 10-year financial agreement with Atlantic City for each casino gaming property promising to make quarterly payments to the city of its allocated portion of the annual amount of the payment in lieu of taxes as determined by this section. The owner of each casino gaming property shall be responsible for the payments allocated to that property and shall be subject to the lien provisions of R.S.54:5-6 if those payments are not made.

(2) Any new owner of a casino gaming property following the effective date of P.L.2016, c.5 (C.52:27BBBB-18 et al.) shall immediately become responsible for signing a financial agreement with Atlantic City promising to make payments consistent with this section.

(3) (a) The total amount of the payment in lieu of property taxes owed to Atlantic City for calendar year 2017 shall be \$120 million. To the extent that any owner of a casino gaming property has paid property taxes for calendar year 2017 prior to the date P.L.2016, c.5 (C.52:27BBBB-18 et al.) becomes operative, the amount of property taxes so paid shall be credited toward that owner's allocated share of the \$120 million total payment in lieu of property taxes.

(b) For calendar year 2018 and for each calendar year thereafter, the amount of the payment in lieu of property taxes owed to Atlantic City shall increase by two percent per year in every year in which there is no upward adjustment to the base amount of the payment in lieu of taxes from the previous calendar year as determined by subparagraph (d) of this paragraph.

(c) For calendar year 2018 and for each calendar year thereafter, the total amount of the payment in lieu of property taxes owed to Atlantic City shall be the base amount as determined by subparagraph (d) of this paragraph and the total amount of the annual increases to date as determined by subparagraph (b) of this paragraph.

(d) For calendar year 2018 and for each calendar year thereafter, the base amount of the payment in lieu of taxes shall be determined as follows:

If the amount of the GGR in the preceding calendar year is between \$3.4 billion and \$3.8 billion, the base amount shall be \$165 million, or in the case of an upward adjustment, \$15 million more than the PILOT in the previous year, whichever is greater;

If the amount of the GGR in the preceding calendar year is between \$3.0 billion and \$3.4 billion, the base amount shall be \$150 million, or in the case of an upward adjustment, \$20 million more than the PILOT in the previous year, whichever is greater;

If the amount of the GGR in the preceding calendar year is between \$2.6 billion and \$3.0 billion, the base amount shall be \$130 million, or in the case of an upward adjustment, \$10 million more than the PILOT in the previous year, whichever is greater;

If the amount of the GGR in the preceding calendar year is between \$2.2 billion and \$2.6 billion, the base amount shall be \$120 million, or in the case of an upward adjustment, \$10 million more than the PILOT in the previous year, whichever is greater;

If the amount of the GGR in the preceding calendar year is between \$1.8 billion and \$2.2 billion and the aggregate gross revenues from all of the casino gaming properties located in Atlantic City from all revenue streams, excluding GGR, have not increased compared to the prior calendar year by more than the amount by which GGR is less than \$2.2 billion, as determined by the division, the base amount shall be \$110 million, or in the case of an upward adjustment, \$20 million more than the PILOT in the previous year, whichever is greater;

If the amount of the GGR in the preceding calendar year is \$1.8 billion or less and the aggregate gross revenue from all of the casino gaming properties located in Atlantic City

from all revenue streams, excluding GGR have not increased compared to the prior calendar year by more than the amount by which GGR is less than \$1.8 billion as determined by the division, the base amount shall be \$90 million.

(4) The amount of the payment in lieu of property taxes owed pursuant to this subsection shall be calculated annually each calendar year for each casino gaming property using a formula implemented by the Local Finance Board, in consultation with the division, using the following criteria:

The geographic footprint of the real property, expressed in acres, owned by each casino gaming property;

The number of hotel guest rooms in each casino gaming property; and

The gross gaming revenue of the casino in each casino gaming property from the prior calendar year.

Each of these three criteria shall bear equal weight in the formula implemented by the Local Finance Board, in consultation with the division, pursuant to this paragraph, provided that during calendar years 2017, 2018, 2019, 2020, and 2021, if the formula results in any individual casino gaming property being allocated an amount that is in excess of the total real property taxes due and payable by the casino gaming property in calendar year 2015, then that casino gaming property shall receive a credit against the obligation of the operator of that property under paragraph (2) of subsection a. of section 3 of P.L.1984, c.218 (C.5:12-144.1) in the amount of such excess. If, after that credit against the obligation of the operator of that property under paragraph (2) of subsection a. of section 3 of P.L.1984, c.218 (C.5:12-144.1), that casino gaming property would still be liable for a payment in lieu of property taxes in excess of the total real property taxes due and payable by the casino gaming property in calendar year 2015, the casino gaming property shall not be required to make any additional payment in lieu of property tax payment. Instead, any additional amount that would have been owed by that casino gaming property shall be added, by proportional share, to the payment in lieu of property taxes to be paid by every other casino gaming property in order to provide Atlantic City the total amount of the payment in lieu of property taxes due and owing for that calendar year.

d. When a new casino gaming property is added or when an existing casino gaming property no longer qualifies as a casino gaming property as defined in subsection a. of this section, Atlantic City's financial agreement with each owner of each casino gaming property shall be amended to reflect the change and the allocation of the payment in lieu of property taxes between the casino gaming properties.

e. The provisions of R.S.54:5-6 shall apply to any amount required to be paid under this section, and the municipality shall have the same rights against any casino gaming property for such unpaid amounts relating to that property as if such amounts were unpaid property taxes.

Repealer.

15. Sections 1, 2, and 4 of P.L.2014, c.62 (C.5:12A-7 through C.5:12A-9) are repealed.

16. This act shall take effect immediately, except that provisions allowing online or Internet sports wagering shall take effect 30 days thereafter.

Approved June 11, 2018.
