5 by this act, the rules and regulations promulgated pursuant thereto
6 and, where applicable, subject to the agreement of insurance

22 supplies with the knowledge that they were not authorized.

23 d. Any individual eligible for medical assistance (including
24 drugs) may obtain such assistance from any person qualified to
25 perform the service or services required (including an organization

28 services.

29 No copayment or other form of cost-sharing shall be imposed on
30 any individual eligible for medical assistance, except as mandated
31 by federal law as a condition of federal financial participation.

34 respect to care or services for any individual who:

36 medical institution); provided, however, that an individual who is
37 otherwise eligible may continue to receive services for the month in
38 which he becomes an inmate, should the commissioner determine to

40 individual, subject to the limitations imposed by federal law and
41 regulations, or

42 (2) Has not attained 65 years of age and who is a patient in an

3 services; provided that there is federal financial participation
4 available.

5 f. (1) A third party as defined in section 3 of P.L.1968, c.413
6 (C.30:4D-3) shall not consider a person's eligibility for Medicaid in
7 this or another state when determining the person's eligibility for
8 enrollment or the provision of benefits by that third party.

9 (2) In addition, any provision in a contract of insurance, health
10 benefits plan, or other health care coverage document, will, trust,
11 agreement, court order, or other instrument which reduces or
12 excludes coverage or payment for health care-related goods and
13 services to or for an individual because of that individual's actual or
14 potential eligibility for or receipt of Medicaid benefits shall be null
15 and void, and no payments shall be made under this act as a result
16 of any such provision.

17 (3) Notwithstanding any provision of law to the contrary, the
18 provisions of paragraph (2) of this subsection shall not apply to a
19 trust agreement that is established pursuant to 42 U.S.C.
20 s.1396p(d)(4)(A) or (C) to supplement and augment assistance
21 provided by government entities to a person who is disabled as
22 defined in section 1614(a)(3) of the federal Social Security Act (42

34 nursing facility services cited in subsection b.(13) of this section.

35 (3) Individuals who are 65 years of age or older shall be
36 provided with services cited in subsection a.(3) and (5) of this

45 (5) (a) Inpatient hospital services, subsection a.(1) of this
46 section, shall only be provided to eligible medically needy

10 federal Department of Health and Human Services discontinues the
11 State's waiver to establish outpatient hospital reimbursement rates
12 for the Medicare and Medicaid programs under the authority of
13 section 601(c)(3) of the Social Security Amendments of 1983,
14 Pub.L.98-21 (42 U.S.C. s.1395ww(c)(5)). Outpatient hospital
15 services may be extended to all or to certain medically needy
16 individuals if the federal Department of Health and Human Services
17 directs that these services be included. However, the use of
18 outpatient hospital services shall be limited to clinic services and to
19 emergency room services for injuries and significant acute medical
20 conditions.

21 (c) The division shall monitor the use of inpatient and outpatient
22 hospital services by medically needy persons.

27 ss.1395i-2 and 1395r.

28 i. In the case of a specified low-income Medicare beneficiary

STATEMENT

14

15 This bill would provide Medicaid coverage for family planning
16 services to individuals whose income does not exceed 200 percent
17 of the federal poverty level.

18 Specifically, the bill expands coverage of family planning
19 services to non-pregnant individuals whose income does not exceed
20 the highest income eligibility level established for pregnant women
21 under the State plan under Title XIX or Title XXI of the federal
22 Social Security Act (Medicaid and the Children's Health Insurance
23 Program, respectively), which is currently 200 percent of the
24 federal poverty level in New Jersey.

25 This bill would exercise a new State option provided under the
26 federal "Patient Protection and Affordable Care Act," Pub.L.111-
27 148, as amended by the "Health Care and Education Reconciliation
28 Act of 2010," Pub.L.111-152, which permits states to expand
29 family planning services through a State plan amendment, rather
30 than through a demonstration waiver under section 1115 of the
31 Social Security Act. Under federal law, the federal government
32 would pay 90 percent of the costs for these services.

33 The bill takes effect on the first day of the fourth month
34 following its enactment, but authorizes the Commissioner of Human
35 Services to take such prior administrative action as may be
36 necessary for implementation.
