

SENATE EDUCATION COMMITTEE

STATEMENT TO

SENATE, No. 698

STATE OF NEW JERSEY

DATED: JANUARY 25, 2018

The Senate Education Committee favorably reports Senate Bill No. 698.

This bill establishes as a new principal department within the Executive Branch, the Department of Early Childhood.

The bill transfers the functions of the current Division of Early Childhood Education in the Department of Education to the Department of Early Childhood. In addition, the bill transfers to the new department:

- all responsibilities of the Department of Education relating to students in grades preschool through three including, but not limited to, those parts of the following programs relating to this age group: teacher licensing; IDEA part B; Title I services; regional achievement centers; migrant and homeless education services; bilingual education services; parent training and information centers; and the New Jersey Council for Young Children;
- all responsibilities of the Department of Human Services relating to children from pregnancy to age eight, including but not limited to, those parts of the following programs relating to this age group: subsidized child care programs and services; child care development block grants; wraparound care; New Jersey First Steps Infant Toddler Initiative; child care resource and referral agencies; childcare workforce registry; New Jersey School-Age child care; and New Jersey Inclusive Child Care;
- all responsibilities of the Department of Children and Families relating to children from pregnancy to age eight including, but not limited to, those parts of the following programs relating to this age group: New Jersey Home Visitation Program; Help Me Grow Initiative; Project LAUNCH; New Jersey Strengthening Families Initiative; Project TEACH (Teen Education and Child Health); Parent Linking Program; and Family Success Centers; and
- all responsibilities of the Department of Health relating to children from pregnancy to age eight, including but not limited to, those parts of the following programs relating to this age group: Improving Pregnancy Outcomes Program; New Jersey WIC Breastfeeding Services; services for

perinatal mood disorders; home visitation programs; early intervention system under Part C of the Individuals with Disabilities Education Act (IDEA); and NJ Early Care and Education Learning Collaborative Project (NJ ECELC).

The bill transfers all the functions of the Department of Children and Families regarding the licensing of child care centers and the registration of family child care providers to the new Department of Early Childhood.

The bill requires the Commissioner of Early Childhood, in consultation with the Commissioners of Education, Human Services, Children and Families, and Health, to develop a schedule for the orderly transfer of programs relating to early childhood and child nutrition to the new department.

The bill includes an effective date of July 1, 2018.

This bill was pre-filed for introduction in the 2018-2019 session pending technical review. As reported, the bill includes the changes required by technical review, which has been performed.
