AN ACT concerning health care benefits coverage for certain retirees of the State Police Retirement System and their dependents, and amending P.L.1965, c.89.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.1965, c.89 (C.53:5A-8) is amended to read as follows:

8. a. The Legislature finds and declares that the public health, safety and welfare require the ongoing health and fitness of all members of the New Jersey State Police so that they may safely and efficiently protect the public. The Legislature further finds and declares that such continued health and fitness cannot be determined except with reference to age, and therefore finds and concludes that retirement of all members of the State Police at age 55, except as provided for in subsection c. of this section, shall constitute a bona fide occupational qualification which is reasonably necessary to the normal operation of the State Police, which qualification the Legislature hereby promulgates and establishes.

b. Any member of the retirement system may retire on a service retirement allowance upon the completion of at least 20 years of creditable service as a State policeman, which includes the creditable service of those members appointed to the Division of State Police under section 3 of P.L.1983, c.403 (C.39:2-9.3) and the creditable service of those members appointed to the Division of State Police under section 1 of P.L.1997, c.19 (C.53:1-8.2). Upon the filing of a written and duly executed application with the retirement system, setting forth at what time, not less than one month subsequent to the filing thereof, he desires to be retired, any such member retiring for service shall receive a service retirement allowance which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his aggregate contributions; and

(2) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 50% of his final compensation.

c. Except for the Superintendents of State Police, any member of the retirement system, including a member appointed to the State Police under section 3 of P.L.1983, c.403 (C.39:2-9.3) and a member appointed to the State Police under section 1 of P.L.1997, c.19 (C.53:1-8.2), who has attained the age of 55 years, shall be retired forthwith on the first day of the next calendar month following the effective date of this 1985 amendatory act.
