19 (2) In addition, any provision in a contract of insurance, health  
20 benefits plan, or other health care coverage document, will, trust,  
21 agreement, court order, or other instrument which reduces or  
22 excludes coverage or payment for health care-related goods and  
23 services to or for an individual because of that individual's actual or  
24 potential eligibility for or receipt of Medicaid benefits shall be null  
25 and void, and no payments shall be made under this act as a result  
26 of any such provision.

27 (3) Notwithstanding any provision of law to the contrary, the  
28 provisions of paragraph (2) of this subsection shall not apply to a  
29 trust agreement that is established pursuant to 42 U.S.C.  
30 s.1396p(d)(4)(A) or (C) to supplement and augment assistance  
31 provided by government entities to a person who is disabled as

17 Department of Health and Human Services directs that these  
18 services be included.

19 (b) Outpatient hospital services, subsection a.(2) of this section,  
20 shall only be provided to eligible medically needy individuals if the

23 for the Medicare and Medicaid programs under the authority of  
24 section 601(c)(3) of the Social Security Amendments of 1983,  
25 Pub.L.98-21 (42 U.S.C. s.1395ww(c)(5)). Outpatient hospital

#### STATEMENT

25

26 This bill provides for the expansion of the State Medicaid  
27 program to include coverage for doula care. A doula is a trained  
28 professional who provides physical, emotional, and educational  
29 support, but not medical care, to mothers before, during, and after  
30 childbirth. Research has demonstrated that support from a doula is  
31 associated with lower caesarian section rates, fewer obstetric  
32 interventions, fewer complications, decreased use of pain  
33 medication, shorter labor hours, and higher scores on the APGAR  
34 test (which indicates how well the baby is doing outside the womb).

35 To obtain the federal approval, the Commissioner of Human  
36 Services is to apply for such State plan amendments or waivers as  
37 may be necessary to implement the provisions of the bill and to  
38 secure federal financial participation for State Medicaid  
39 expenditures under the federal Medicaid program.

40 The bill would permit the Commissioner of Human Services to  
41 establish regulations to implement the bill, including eligibility  
42 rules and coverage limitations.
