2. (New section) a. A local unit may establish by ordinance, or resolution, as appropriate, one or more charitable funds for specific public purposes of the local unit. A charitable fund shall be maintained in one or more bank accounts in the name of the local unit, and shall be kept separate from the other accounts of the local unit. All such charitable funds, spillover funds, and the moneys deposited into such funds shall be governed by the "Govermental Unit Deposit Protection Act," P.L.1970, c.236 (C.17:9-41 et seq.) to the same extent as the establishing local unit. All moneys deposited into a charitable fund shall be expended exclusively for public purposes of the local unit that deposited such moneys in accordance with subsection d. of section 3 of P.L. , c. (C. ) (pending before the Legislature as this bill), and other applicable State law. These moneys shall be equivalent to tax revenues for the purposes of State aid formulae, local unit revenue calculations, local unit bonding capacity, and similar State or municipal computation, and shall be immediately available to the establishing local unit upon request to the fund administrator for the payment of budgeted and emergency mandatory expenses, to include debt service.

b. The ordinance or resolution establishing a charitable fund shall designate the official serving as the local unit’s custodian of public funds to serve as the fund administrator. The fund administrator shall assume responsibility for the collection, administration, and distribution of donations dedicated to the charitable fund, and shall continually track the total of all qualified donations with respect to a fiscal year. The director may promulgate regulations requiring additional or supplemental bonding for a custodian of public funds that serves as a fund administrator, except that the Commissioner of Education may
promulgate such regulations as he deems necessary with respect to
custodians of public funds for school districts.  

c. A charitable fund shall have [a] one or more purposes. The specified public purposes shall be [materially narrower] more limited than the
general purposes of the local unit. The specified public purposes shall be described in documents and 
records made publicly available to the local community, and to
any other person who may wish to donate to the charitable fund.

d. (1) The ordinance or resolution establishing a charitable 
fund shall establish an annual credit-eligible donation cap, 
[which] establishing the maximum amount of credit-eligible 
moneys the fund may collect. The ordinance or resolution 
also shall limit the total amount of money donated a person or 
entity may donate through local charitable donations to a particular 
charitable fund or combination of charitable funds that may 
qualify for a local property tax credit. The ordinance or 
resolution establishing a charitable fund shall establish an initial 
annual credit-eligible donation cap, and shall set an initial annual 
limit on tax credit funding that shall be available as a result of local 
charitable donations to the particular charitable fund. The annual 
limit on the available local property tax credit funding shall 
equal 90 percent of the annual credit-eligible donation cap, or a 
different percentage as determined appropriate by the director. The 
ordinance or resolution establishing a charitable fund may shall, 
also limit the extent to which a large local charitable 
donation on behalf of an individual a specific real property may 
count against the annual credit-eligible donation cap. Both the 
maximum amount of local property tax credit funding made 
available, and the annual credit-eligible donation cap, shall be 
established in by the ordinance or resolution adopted to 
establish the charitable fund, but may be adjusted through 
subsequent ordinances or resolutions, as applicable, of the 
governing body of the local unit.

(2) The annual credit-eligible donation cap shall be 
established prior to the beginning of each fiscal year. However, with 
regard to any fiscal year that begins in calendar year 2018, the 
amount of local property tax credits that may be awarded granted for the remainder of calendar year 2018 shall be 
established no later than the date on which the each charitable 
fund begins to accept donations.

(3) The annual credit-eligible donation cap shall not be 
construed to limit all donations to the charitable fund. The annual 
credit-eligible donation cap shall only limit the amount of
donations that are credit-eligible in relation to property tax payments.

(4) The annual credit-eligible donation cap for a given year shall be based upon the tax levy from the prior calendar year. The annual credit-eligible donation cap established prior to the start of the calendar year may not exceed 85 percent of the prior year budget, unless otherwise authorized by the director. Upon certification of a current-year budget tax levy, a local unit may amend a charitable fund’s credit-eligible donation cap to reflect the estimate of the current year tax levy.

e. The ordinance or resolution establishing a charitable fund may establish a spillover fund, which shall capture local charitable donations contributed after the annual credit-eligible donation cap to a given fund has been reached, and local charitable donations that the local unit has designated as too large to be fully creditable in excess of the maximum local charitable donation amount that the local unit shall accept with respect to a specific real property and still be credit-eligible. Any spillover fund established hereunder shall be administered by the fund administrator of the charitable fund. The ordinance or resolution establishing a spillover fund shall designate approved uses for which funds shall be remitted by the spillover fund upon appropriation by the local unit’s governing body. Approved uses shall include, but are not limited to the payment of debt service, funding of capital reserves and the reserve for uncollected taxes, emergency expenses, and the local unit’s operating expenses. Moneys in the spillover fund shall be utilized by the local unit solely for the budget year corresponding to the year in which the taxpayer will receive the credit.

3. (New section) a. Any person or entity may donate to a charitable fund, regardless of property ownership or location of residence by directing the payment to the fund administrator of a charitable fund of a local unit. A donation to a charitable fund may be made by or on behalf of a local property owner by directing the payment to the appropriate fund administrator of a charitable fund of a local unit in which the local property owner resides.

b. If a local property owner intends to obtain a property tax credit in association with a local charitable donation, the owner makes a donation to a local charitable fund that is eligible for a property tax credit, that property owner shall indicate when making the donation the specific parcel of property to which the donation shall apply in order for such credit to issue. A donation may be credited across to more than one real property in a manner indicated by the
local property owner. If credited to more than one real property, the local property owner shall indicate the amount of the donation intended to be applied to each real property.

c. Following receipt of a local charitable donation, the fund administrator shall:

(1) issue a receipt to the donor, confirming the amount of the donation and the size and anticipated timing of the associated property tax credit and the real property associated with the donation;

(2) notify the donor in the event that the annual credit-eligible donation cap has been reached, [in order to inform the donor that] the donation is either being moved to the spillover fund or is otherwise being held by the local unit in escrow, awaiting the donor’s direction. Following such notification, the fund administrator shall provide the donor with [at least] 60 days, or a lesser amount of time if so specified by the director, to direct the fund administrator to allocate the donation to another charitable fund established by the local unit, or to rescind the donation, provided, however, that the donor’s failure to provide direction within the applicable timeframe shall result in the transfer of the donation funds to the spillover fund or, if no spillover fund has been established, in the return of the donation funds to the donor; and

(3) notify the [appropriate] municipal tax collector, and chief financial officer or business administrator of the local unit, within five business days of the amount of the donation and the size of the credit made available as a result of the donation. Thereafter, the municipal tax collector shall notify the donor of the amount of the available local property tax credit.

d. Charitable fund donations shall be used for the following purposes:

(1) for purposes as designated by the local unit pursuant to section 2 of P.L. , c. (C.) (pending before the Legislature as this bill); the payment of any administrative fees of the municipality that may be required by [a tax collector] the municipality pursuant to subsection g. of section 4 of P.L. , c. (C.) (pending before the Legislature as this bill); and the remainder of the funds shall be used for the payment of administrative costs associated with the establishment and continued operation of the fund; and

(3) the remainder of the funds shall be used for purposes consistent with the specified charitable purpose of the fund, as designated pursuant to subsection c. of section 2 of P.L. , c. (C.) (pending before the Legislature as this bill).
In regard to the local property tax credit established pursuant to section 4 of P.L. , c. (C. ) (pending before the Legislature as this bill), only local charitable donations made to a charitable fund established by a local unit pursuant to section 2 of P.L. , c. (C. ) (pending before the Legislature as this bill) are eligible to be credited on the property tax bill.

(4) (New section) a. For fiscal years beginning on or after January 1, 2018, the tax collector shall allow a local property owner a credit to be applied to property taxes as hereinafter set forth.

b. The credit shall be equal to 90 percent of the amount of local charitable donations contributed on behalf of the owner’s specified parcel of local real property to a charitable fund established pursuant to section 2 of P.L. , c. (C. ) (pending before the Legislature as this bill) within the local unit, or a different percentage as determined appropriate by the director, provided, however, that no credit shall issue to any owner of local real property who owes local property tax or other delinquent municipal charges at the time the donation to the charitable fund is made.

c. The tax collector shall apply the credit against the first local property tax bill with respect to the specified parcel of local real property that is assessed on or after the fifth business day following receipt of the notification sent pursuant to paragraph (3) of subsection c. section 3 of P.L. , c. (C. ) (pending before the Legislature as this bill), provided, however, that each municipality shall impose a deadline by which the fund administrator shall supply the municipal tax collector and the municipal finance officer, as appropriate, with all donation amounts received and the amount of the credits to be made available as a result of those donations, in order for the credits to be applied to the next annual property tax bill. Subject to rules and regulations promulgated by the director, the municipality shall have the sole discretion as to whether to establish a deadline by which donations made to a charitable fund established by a local unit may be credited against an annual property tax bill that already has been issued, in which case the taxpayer shall have access to a statement showing how the credit has been applied.

d. If the total amount of all local property tax credits on a specific local real property exceed the amount of property tax owed during the year in which the donation was made to the local unit associated with a charitable fund to which a local charitable donation was made for the property, and the municipal tax collector is unable to apply all or a portion of a credit enabled under this section against the local property tax bill for the property, then the municipal tax collector shall carry the remaining portion of the credit forward.
to one or more future local property tax bills. However, no tax credit established under this section shall be carried forward for more than five years from the date of the first local property tax bill after the date the donation was made. For those properties receiving a local property tax credit pursuant to section 2 of P.L. , c. (C. ) (pending before the Legislature as this bill), any property tax refund owed shall be deducted from the total tax bill resulting in the carry-forward of the tax credit, up to the total tax credit amount, after which cash refunds shall be issued. No cash refund of property tax shall be issued until the amount of the property tax refund due exceeds the amount of tax credit issued for the property.

e. The municipal tax collector shall indicate on a local property tax bill the value of the tax credits that apply to the bill pursuant to this section, and the value of tax credits that, pursuant to this section, shall be applied to future bills.

f. The municipal tax collector shall apply a local property tax credit awarded under this section to a specified parcel of real property, not to an individual person or entity.

g. In association with each notification sent pursuant to paragraph (3) of subsection c. of section 3 of P.L. , c. (C. ) (pending before the Legislature as this bill), the tax collector municipality may require a fee to be paid by the fund administrator to be allocated towards the tax collector’s administrative expenses attributable to the municipal tax collector’s office and the municipal finance officer’s office. The amount collected by the municipal tax collector through such fees shall not be greater than necessary two percent of the funds distributed for property tax credits to compensate for reasonable expenses associated with the municipal tax collector’s responsibilities under this section, unless otherwise authorized by the director.

5. (New section) The provisions of P.L. , c. (C. ) (pending before the Legislature as this bill) shall not be construed to prohibit a municipality or county from accepting bequests, legacies, or gifts pursuant to N.J.S.40A:5-29, or to prevent a local unit from accepting charitable donations in accordance with any other legal authority.

6. (New section) a. Notwithstanding any State law or regulation or contract terms to the contrary, no mortgagee or servicing organization shall be entitled to hold a local property owner liable for electing to meet his or her obligations to a local unit by means of a charitable donation and resulting property tax

   (b) the governing body of the municipality adopts a resolution providing that interest shall not be charged to a delinquent taxpayer if payment of the property tax installment, plus any available property tax credit as defined in section 1 of P.L., c. (C.) (pending before the Legislature as this bill), is made on or before the first day of the next calendar month from the date upon which it became payable.

(3) The municipal clerk shall notify the Director of the Division of Local Government Services in the Department of Community Affairs of its adoption of the resolution not later than the third business day next following the municipal governing body's adoption of the resolution. If the municipality is under State supervision pursuant to the provisions of Article 4 of the "Local Government Supervision Act (1947)," P.L.1947, c.151 (C.52:27BB-54 et seq.), is subject to the provisions of the "Municipal Rehabilitation and Economic Recovery Act," P.L.2002, c.43 (C.52:27BBB-1 et al.), or is otherwise subject to a memorandum of understanding or similar agreement with the division as a condition of receiving supplemental State aid, the resolution shall not be effective unless it is approved by the director.

The notice may be separate from the tax bill. No change in the rate of interest or the end of year penalty shall take effect until the required notice has been provided in accordance with this subsection.

   c. In municipalities that have sold their property tax levy pursuant to section 16 of P.L.1997, c.99 (C.54:5-113.5), the rate of interest to be charged for the nonpayment of taxes, assessments or other municipal liens or charges shall be the same interest or delinquency rate or rates otherwise charged by the municipality, to be calculated from the date the tax was payable until the date of
actual payment to the tax collector. The purchaser of the total
property tax levy shall be paid only those amounts attributable to
properties included in the total property tax levy purchase and
actually collected by the tax collector and which amounts shall not
include any delinquent interest collected by the municipal tax
collector prior to the time that the total property tax levy purchaser
makes the levy payment to the municipality.

d. Whenever the time period for a property tax installment
payment has been extended pursuant to the provisions of subsection

Services in the Department of Community Affairs may, by
temporary order, extend the dates for payment of taxes by a

with the county board of taxation or the State tax court. The
governing body may also fix a penalty to be charged to a taxpayer
with a delinquency in excess of $10,000 who fails to pay that
delinquency as billed, less the amount of applicable property tax
credit as defined in section 1 of P.L. , c. (C. ) (pending
before the Legislature as this bill), prior to the end of the fiscal
year. If any fiscal year delinquency in excess of $10,000 is paid by
the holder of an outstanding tax sale certificate or a total property
tax levy purchaser, the holder or purchaser, as appropriate, shall be
entitled to receive the amount of the penalty as part of the amount
required to redeem such certificate of sale providing the payment is
made by the tax lien holder or tax levy purchaser prior to the end of
the fiscal year. If the holder of the outstanding tax sale certificate
or the levy purchaser, as appropriate, does not make the payment in
