STATEMENT

This bill increases the benefit payable to the surviving child or children of a member of the Police and Firemen’s Retirement System (PFRS) or State Police Retirement System (SPRS), when the member dies in active service and no accidental death benefit is payable, to 50 percent of final compensation. Under current law, if a member of PFRS or SPRS dies in active service and no accidental death benefit is payable, then the member’s widow or widower receives a pension of 50 percent of the member’s final compensation. If there is no widow or widower or if the widow or widower dies, 20 percent of that compensation is paid annually to one surviving child, 35 percent to two surviving children in equal shares, and 50 percent to three or more children in equal shares. The bill amends current law to provide that if a member of PFRS or SPRS dies in active service, no accidental death benefit is payable, and there is no surviving spouse, then 50 percent of the deceased member’s final compensation is to be paid to the member’s surviving child or surviving children in equal shares.

The bill provides for the change in the percentage of the benefit paid to a surviving child or children under PFRS and SPRS to apply to benefits initially granted on or after January 1, 2017. The bill provides for the increase in the percentage of the benefit to be paid prospectively. The bill prohibits retroactive payments from being made.
