STATEMENT

10

11 This bill provides that certain fabrications used in public works
12 projects are covered under the "New Jersey Prevailing Wage Act,"
13 P.L.1963, c.150 (C.34:11-56.25 et seq.). The bill provides for
14 coverage for custom fabrication which is either of components or
15 structures pre-fabricated to specifications for a particular project or
16 of other materials finished into components without further
17 modification for use in a project or type or classification of a
18 project. "Custom fabrication" is already subject to the requirements
19 of the prevailing wage law, which defines custom fabrication as
20 "the fabrication of plumbing, heating, cooling, ventilation or
21 exhaust duct systems, and mechanical insulation." The bill does not
22 affect the current coverage of custom fabrication by the prevailing
23 wage law.
