4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6

7 1. a. The Commissioner of Health shall establish a public
8 awareness campaign to foster community-wide discussions and to
9 promote early conversations about advance care planning and
10 patient preferences to improve decision-making in relation to end-
11 of-life care.

12 b. The commissioner, in establishing the public awareness
13 campaign, shall develop outreach efforts and provide information
14 and educational materials to the general public on various end-of-
15 life care topics including, but not limited to:

16 (1) how to effectively conduct advance care planning
17 conversations with family members, friends, caregivers, healthcare
18 providers, and other individuals involved in a patient's care,
19 regarding personal goals, preferences, and the type of care desired
20 ¹**[at the end-of-life]** during the final stages of the patient's life¹ ;

21 (2) how community leaders and members can appropriately, and
22 in an ethnically, culturally, and linguistically sensitive way,
23 facilitate community-wide discussions regarding advance care
24 planning and end-of-life care;

25 (3) definitions, procedures, and other information related to
26 advance directives, established pursuant to P.L.1991, c.201
27 (C.26:2H-53 et seq.);

28 (4) the differences between the two types of advance directives,
29 namely proxy directives and instructive directives;

30 (5) the importance of having an advance directive, or advance
31 directives, and the differences between advance directives and
