30 STATEMENT

31

32 In February of 2015, the Legislature enacted P.L.2015, c.15
33 (C.18A:33-21) to establish a process that a school district must
34 follow prior to denying a school breakfast or a school lunch to a
35 student due to the fact that the student's school breakfast or school
36 lunch bill was in arrears. The purpose of the law was to ensure that
37 a student was not suddenly denied a school breakfast or school
38 lunch, and that the student's parent or guardian received proper
39 notice of the arrearage and an adequate opportunity to address the
40 arrearage prior to the school district making a determination to deny
41 the student school meals. The purpose of this bill is to clarify that
42 nothing in this section of law requires a school district to deny
43 school breakfast or school lunch to a student whose bill is in
44 arrears, but rather to provide adequate notice and opportunity to the
45 student's parent or guardian if the district determines to take such
46 an action.
