27 (4) other aliens who are not eligible aliens;

34 STATEMENT

35
36 This bill revises the eligibility requirements for general
37 assistance benefits under the Work First New Jersey program for
38 individuals convicted of an offense involving the use, possession, or
39 distribution of a controlled dangerous substance.

40 Currently, persons convicted of offenses involving the use or
41 possession of a controlled dangerous substance may be eligible for
42 general assistance benefits if they enroll in or complete a licensed
43 drug treatment program, and persons convicted of an offense
44 involving the possession of a controlled dangerous substance are
45 permanently ineligible for benefits. Certain exceptions to the
46 requirement to complete a drug treatment program apply if no
47 program was available or the applicant was excused from meeting
48 the requirement for good cause.

1 This bill revises these restrictions to provide that anyone who is
2 convicted of an offense involving the use, possession, or
3 distribution of a controlled dangerous substance will be eligible for
4 general assistance benefits under the Work First New Jersey
5 program if the individual completes a drug treatment program or
6 otherwise qualifies for one of the current statutory exceptions.
