13 STATEMENT

14  
15 This bill extends the petition filing deadline by two weeks for all  
16 candidates, and waives signature requirements for candidates for  
17 party office, for the 2020 primary election only.

18 Under current law, candidates for county committee are required  
19 to comply with the number of signatures required under current law,  
20 as specified in R.S.19:23-8 and in the by-laws of the party. This bill  
21 would waive the signature requirements for candidates for party  
22 office, but would require their nominating petitions to have at least  
23 one signature.

24 Under current law, R.S.19:23-14, candidates are required to  
25 submit their petitions to the municipal clerk, county clerk, or  
26 Secretary of State, as the case may be, before 4:00 PM of the 64th  
27 day next preceding the primary election (March 30, 2020). This bill  
28 provides that, for the 2020 primary election, such petitions may  
29 contain fewer than the number of voter signatures required by law,  
30 provided the candidate filing such petition submits the remaining  
31 number of required signatures not later than 8:00 AM on the 50th  
32 day preceding the 2020 primary election (April 13, 2020). The  
33 municipal clerk, county clerk, and Secretary of State, as the case  
34 may be, would certify such petitions by the close of business on that  
35 same day. Normally, certifications by the municipal clerks and the  
36 Secretary of State occur not later than the 54th day before the  
37 primary election (April 9, 2020), or by the county clerk on the 53rd  
38 day (April 10, 2020).
