6. The Governor shall formulate and transmit a revised budget message for State Fiscal Year 2021, as altered by section 3 of P.L. , c. (pending before the Legislature as this bill). 7. This act shall take effect immediately.
This bill clarifies the time to file a gross income tax or corporation business tax return or make payments to July 15, 2020, adjusts the timing for the payment of interest and penalties and the assessment of tax, alters the duration of State Fiscal Years 2020 and 2021 without impacting municipalities that adopt the State’s fiscal year, requires the State Treasurer to provide certain updates on economic conditions, revenues, and spending plans, and requires the Governor to formulate and present a revised budget message for State Fiscal Year 2021.

The bill clarifies that taxpayers who would typically file a return, report, or make a payment for the gross income tax or the corporation business tax by an original due date of April 15, 2020 will be granted an automatic extension to July 15, 2020. Taxpayers will not be subject to penalties or interest if the taxpayer files a return, report, or makes a payment by the end of the extension.

Provisions governing the payment of interest for overpayments are extended for six months after the conclusion of the state of emergency declared by the Governor pursuant to Executive Order No. 103 of 2020, or any extension thereof, or within six months after the return is filed, whichever is later. The bill also extends the statute of limitations to assess taxes by 90 days following the conclusion of the state of emergency.

The bill modifies the duration of State Fiscal Year 2020 to conclude on September 30, 2020 and sets October 1, 2020 as the start of State Fiscal Year 2021. The bill also requires that any additional spending required to support the operations of the State from July 1, 2020 through September 30, 2020 be made through the enactment of a general law that amends or provides for a supplemental appropriation to that annual appropriations act. This change does not apply to municipalities that adopt the State’s fiscal year and does not prevent municipalities from converting to a calendar fiscal year.

The bill requires the State Treasurer to prepare a report on the financial condition of the State budget for State Fiscal Years 2020 and 2021, which must be submitted to the Legislature by May 22, 2020 and prominently display on the Office of Management and Budget’s website.

The State Treasurer’s report is to include: (1) an update on State revenue collections through the first nine months of State Fiscal Year 2020 and a revised forecast of revenue projections for the remainder of the current fiscal year; (2) a detailed plan of spending from State, federal, and all other governmental funds for the continuation of essential governmental operations during the remainder of State Fiscal Year 2020; and (3) an assessment of current economic conditions and the potential impact of the economy on the proposed budget for State Fiscal Year 2021.
The Governor is required to formulate and transmit a revised budget message for State Fiscal Year 2021, as altered by the bill. The revised budget message is to meet all requirements set forth in law for the budget message, except that the required estimate of balances on hand shall be as of October 1 instead of July 1. The Governor is required to present the revised budget message by August 25, 2020.
