h. The Local Finance Board shall render a decision on an application for approval submitted to it pursuant to this act within 45 days of the submission of a complete application to the board, and failure of the board to do so shall result in an approval of the application.

shall determine upon application by the governing body that the facts clearly warrant the expectation that such excess amount will actually be realized in cash during the fiscal year and shall certify such determination, in writing, to the local unit.

b. Notwithstanding the provisions of subsection a. to the contrary, when a public health emergency pursuant to the “Emergency Health Powers Act,” P.L.2005, c.222 (C.26:13-1 et seq.), or a state of emergency, pursuant to P.L.1942, c.251 (C.App.A.9-33 et seq.), or both, has been declared by the Governor in response to COVID-19, the Director of the Division of Local Government Services may promulgate general guidance modifying the standard for anticipated revenues when the amount realized in cash from the same source during the next preceding fiscal year experienced reductions due to COVID-19.

As used in this subsection, “COVID-19” means the coronavirus disease 2019, as announced by the World Health Organization on February 11, 2020, and first identified in Wuhan, China.

2. N.J.S.40A:4-53 is amended to read as follows:

40A:4-53. A local unit may adopt an ordinance authorizing special emergency appropriations for the carrying out of any of the following purposes:

The director shall approve the ordinance if he or she determines that the non-recurring expenses are reasonable and permissible by law and that the consolidation will result in long-term savings for the municipality.

A copy of all ordinances or resolutions as adopted relating to special emergency appropriations shall be filed with the director.

m. Notwithstanding the provisions of any law or regulation to the contrary, a deficit in prior year operations experienced by any municipality, utility, or enterprise during, or in the fiscal year immediately following, a fiscal year in which a public health emergency pursuant to the “Emergency Health Powers Act,” P.L.2005, c.222 (C.26:13-1 et seq.), or a state of emergency, pursuant to P.L.1942, c.251 (C.App.A.9-33 et seq.), or both, has been declared by the Governor in response to COVID 19, the adoption of which shall be subject to approval of the Director. The deficit in operations shall be certified by the chief financial officer of the local unit to be directly attributable to COVID-19. The local unit shall apply for any financial assistance that may be available to the local unit from the federal government, the State, and other sources to offset any operating deficit directly attributable to COVID-19, and any such financial assistance obtained by the local unit shall be utilized to offset any operating deficit. The chief financial officer of a local unit seeking approval pursuant to this subsection shall submit a certification approved by a majority vote of the full governing body. The director shall provide a form, application, schedule and process for review, approval or denial, and reconsideration of the application.

The director shall approve or deny in writing, any application submitted pursuant to this subsection within 45 days, or the next
business day following the 45th day if the 45th day falls on a
Saturday, Sunday, or holiday. If a written decision is not rendered
within this time period, the application shall be deemed to be
approved, and the local unit may proceed to adopt the appropriate
resolution or ordinance. If an application is denied, the local unit
may resubmit the application with such changes as the local unit
deems appropriate, with submission and review subject to the same
procedures set forth in this subsection.

As used in this subsection, “Deficit in operations” means a
deficit balance reported on a local unit’s “Results of Operation”
schedule of the annual financial statement.

As used in subsections l. and m., “COVID-19” means the
coronavirus disease 2019, as announced by the World Health
Organization on February 11, 2020, and first identified in Wuhan,
China.2

23. N.J.S.40A:4-55 is amended to read as follows:

After the adoption of an ordinance or resolution for special
emergency appropriations, the local unit shall by 2/3 vote of the
full governing body adopt a resolution setting forth:

a. The amount appropriated.

b. (1) Provision for the borrowing of money and the issuance
of “Special Emergency Notes” which may be renewed from time
to time, but at least 1/5 of all such notes, and the renewals thereof,
shall mature and be paid in each year, so that all notes and renewals
shall have matured and have been paid not later than the last day of
the fifth year following the date of the emergency resolution.

(2) In the case of special emergency appropriations authorized
pursuant to subsection m. of N.J.S.40A:4-53, a local unit shall
appropriate one-fifth (1/5) of the portion of the special emergency
directly attributable to COVID-19 in each year beginning in the
year after the year in which the resulting deferred charge appears in
the local unit’s unaudited annual financial statement, such that, for
example, a deferred charge included in the 2021 unaudited annual
financial statement would have its first one-fifth (1/5) appropriation
in the 2022 budget, with the final one-fifth (1/5) portion of the
special emergency fully appropriated by no later than the last day of
the sixth fiscal year following the end of the fiscal year that is the
subject of the application. If a local unit’s application for
certification of the special emergency under subsection m. of
N.J.S.40A:4-53 demonstrates that full appropriation of the COVID-
19 related special emergency appropriation by the last day of the
sixth fiscal year will cause significant fiscal distress, including, but
not limited to, if it would directly cause an increase in the tax levy
greater than 2%, an increase of greater than $50 per average
assessed home in each year deferred charges appear in the local
unit’s budget, or in the case of a utility, at least a 5% increase in
A local unit shall not borrow moneys under this section that may be considered duplicative of financial assistance provided to the local unit from the federal government, the State, or other sources, to address the COVID-19 deficit in operations or COVID-19 emergency appropriations. As used in this section, “COVID 19” means the coronavirus disease 2019, as announced by the World Health Organization on February 11, 2020, and first identified in Wuhan, China.

The provisions of this chapter relating to tax anticipation notes shall apply to special emergency notes.

c. A local unit may finance such appropriation from surplus funds available or borrow money in the manner prescribed above. Where any appropriation is financed from surplus funds available, at least 1/5 of the amount thereof shall be included in each annual budget until the appropriation has been fully provided for.

In the case of special emergency appropriations authorized pursuant to subsection m. of N.J.S.40A:4-53, a local unit shall appropriate one-fifth (1/5) of the portion of the special emergency directly attributable to COVID-19 in each year beginning in the year after the year in which the resulting deferred charge appears in the local unit’s unaudited annual financial statement, such that, for example, a deferred charge included in the 2021 unaudited annual financial statement would have its first one-fifth (1/5) appropriation in the 2022 budget, with the final one-fifth (1/5) portion of the special emergency fully appropriated by no later than the last day of the sixth fiscal year following the end of the fiscal year that is the subject of the application. If a local unit’s application for certification of the special emergency under subsection m. of N.J.S.40A:4-53 demonstrates that full appropriation of the COVID-19 related special emergency appropriation by the last day of the sixth fiscal year will cause significant fiscal distress, including, but not limited to, if it would directly cause an increase in the tax levy greater than 2%, an increase of greater than $50 per average assessed home in each year deferred charges appear in the local unit’s budget, or in the case of a utility, at least a 5% increase in user fees or charges, the Local Finance Board may permit the local unit to extend the repayment period up to a total of ten years on a schedule determined by the Board.²

²4. N.J.S.40A:4-78 is amended to read as follows:

40A:4-78. a. If the director finds that all requirements of law and of the regulations of the local government board have been met, he shall approve the budget, otherwise he shall refuse to approve it.
The director, in refusing to approve a budget, shall not substitute his discretion with respect to the amount of an appropriation when such amount is not made mandatory because of the requirements of law.

b. Notwithstanding the provisions of N.J.S.40A:4-10 and N.J.S.40A:4-76 through 40A:4-79, the Local Finance Board is authorized to adopt rules, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to exempt certain municipalities from the requirement that the director approve their annual budgets and to provide instead for a system of local examination and approval of such budgets by municipal officials, provided that:

(1) the director finds that such municipalities are fiscally sound and that their fiscal practices are conducted in accordance with law and sound administrative practice;

(2) the director shall examine the budgets of such municipalities in accordance with the provisions of N.J.S.40A:4-10 and N.J.S.40A:4-76 through 40A:4-79, at least every third year;

(3) the governing body and chief financial officer of each such municipality shall each file a certification with the director stating that, with reference to the adopted budget of the municipality, they have:

(a) examined the budget in the manner prescribed under N.J.S.40A:4-76;

(b) determined that the budget complies with the requirements set forth in N.J.S.40A:4-77; and

(c) determined that the budget complies with all other provisions of law, including, but not limited to, the "Local Budget Law," N.J.S.40A:4-1 et seq., P.L.1976, c.68 (C.40A:4-45.1 et seq.), and the regulations of the Local Finance Board;

(4) all budget documents required by law or the regulations adopted by the Local Finance Board shall be filed with the director on a timely basis;

(5) other criteria and responsibilities as established by the regulations adopted by the Local Finance Board are met.

c. The director shall act to require immediate compliance with the "Local Budget Law," N.J.S.40A:4-1 et seq., if the director finds that any such exemption impairs the fiscal integrity or solvency of any such municipality. Any appeal of a governing body's action in adopting an annual budget shall be made to the director.

d. If a municipality has received approval for a special emergency appropriation pursuant to subsection m. of N.J.S.40A:4-53, that municipality shall not be eligible for local examination and approval pursuant to subsection b. of this section until the fiscal year after the final appropriation is made (cf: P.L.1996, c.113, s.13)
Notwithstanding the provisions of N.J.S.40A:2-51 to the contrary, a local unit may incur indebtedness, borrow money, and authorize and issue negotiable refunding bonds, in any amount determined to be necessary by the local unit and approved by the Local Finance Board to effect a refunding for the purpose of repaying a Federal Emergency Management Agency Community Disaster Loan for which the local unit executed a promissory note in 2013 under the authority of section 5 of P.L.1951, c.72 (C.App.A:9-62), in addition to the other purposes for which it may do the same under N.J.S.40A:2-51.

Section 2 of P.L.1969, c.130 (C.18A:24-61.2) is amended to read as follows:

2. Notwithstanding the provisions of any other law or any debt limitation or requirement for down payment or for referendum or other action by legal voters, refunding bonds may be authorized and issued for the purpose of paying, funding or refunding: any refunded bonds; the cost of retiring the present value of the unfunded accrued liability due and owing by a board of education, as calculated by the system actuary for a date certain upon the request of a board of education, for early retirement incentive benefits granted by the board of education pursuant to P.L.1991, c.231, P.L.1993, c.163 and P.L.2003, c.129; the repayment of a Federal Emergency Management Agency Community Disaster Loan for which the board of education executed a promissory note in 2013 under the authority of section 5 of P.L.1951, c.72 (C.App.A:9-62); the cost of COVID-19 expenditures incurred for immediate preparation, response, recovery, and restoration of public services, for a period not to exceed five years; and the cost or expense of issuing refunding bonds including printing, advertising, accounting, financial, legal or other expense in connection therewith. Obligations to be paid, funded or refunded with respect to which an ordinance authorizing the issuance of refunding bonds has been adopted pursuant to this act and not otherwise deductible shall be excluded in calculating the net school debt of a municipality or a district. Refunding bonds shall be authorized (a) in the case of any county or municipality by a refunding bond ordinance enacted in the manner or mode of procedure provided for adoption of a refunding bond ordinance pursuant to the Local Bond Law, constituting chapter 2 of Title 40A, Municipalities and Counties, of the New Jersey Statutes, and (b) in the case of a Type II school district by an ordinance (herein called the "refunding bond ordinance") adopted by the board of education of such school district as provided in this chapter. As used in this section, “COVID-19” means the coronavirus disease 2019, as announced by the World Health Organization on February 11, 2020, and first identified in Wuhan, China. (cf: P.L.2003, c.129, s.12)
27. Section 6 of P.L.1983, c.313 (C.40A:5A-6) is amended to read as follows:

6. Prior to the adoption of a bond resolution by an authority, or the adoption of an ordinance or resolution of a local unit or units authorizing a service contract that is part of a project financing, the proposed project financing shall be submitted to the Local Finance Board for its review. The Local Finance Board may adopt rules and regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to permit project financing to proceed without such application and review if the project financing is a refunding that will result in debt service savings on outstanding bond debt. The Local Finance Board shall, in the course of its review, give consideration to:
   a. The nature, purpose, and scope of the proposed project financing;
   b. The engineering and feasibility studies prepared in connection therewith;
   c. The terms and provisions of the proposed service contracts, bond resolutions and, in the instance of a negotiated offering, the proposed or maximum terms and conditions of sale;
   d. An estimate of the proposed or maximum schedule of debt service payments required, and the impact thereof on the budget and financial condition of the authority and of the local unit;
   e. The estimate of the annual cost of operating and maintaining the project as set forth in the engineering report or feasibility studies; and
   f. The initial rate, rent, fee, or charge schedule proposed by the authority, or any other proposed method of raising the amounts required to finance the operations and payments of debt service on the obligations of the authority.

Notwithstanding any other provision of law to the contrary, an authority may, upon application to, and review and approval by, the Local Finance Board, incur indebtedness, borrow money, and authorize and issue negotiable refunding bonds to cover the cost of COVID-19 expenditures incurred for immediate preparation, response, recovery, and restoration of public services for a period not to exceed five years. As used herein, "COVID-19" means the coronavirus disease 2019, as announced by the World Health Organization on February 11, 2020, and first identified in Wuhan, China.

bond law and with or without consideration and upon such terms
and conditions as may be agreed to by and between the county or
beneficiary county or the municipality and the authority,
unconditionally guarantee the punctual payment of the principal of
and interest on any bonds of the authority. Any guaranty of bonds
of an authority made pursuant to this section shall be evidenced by
endorsement thereof on such bonds, executed in the name of the
county or beneficiary county or the municipality and on its behalf
by such officer thereof as may be designated in the resolution or
ordinance authorizing such guaranty, and such county or
municipality shall thereupon and thereafter be obligated to pay the
principal of and interest on said bonds in the same manner and to
the same extent as in the case of bonds issued by it. Any such
guaranty of bonds of an authority may be made, and any resolution
authorizing such guaranty may be adopted, notwithstanding any
statutory debt or other limitations, including particularly any
limitation or requirement under or pursuant to the local bond law,
but the principal amount of bonds so guaranteed, shall, after their
issuance, be included in the gross debt of such county or
municipality for the purpose of determining the indebtedness of
such county or municipality under or pursuant to the local bond
law. The principal amount of said bonds so guaranteed and
included in gross debt shall be deducted and is hereby declared to
be and to constitute a deduction from such gross debt under and for
all the purposes of said local bond law (a) from and after the time of
issuance of said bonds until the end of the fiscal year beginning
next after the completion of acquisition or construction of the
facility to be financed from the proceeds of such bonds and (b) in
any annual debt statement filed pursuant to said local bond law as
of the end of said fiscal year or any subsequent fiscal year if the
revenues or other receipts or moneys of the authority in such year
are sufficient to pay its expenses of operation and maintenance in
such year and all amounts payable in such year on account of the
principal and interest on all such guaranteed bonds, all bonds of any
such county or any municipality issued as provided in section 36 of
P.L.1960, c.183 (C.40:37A-79), and all bonds of the authority
issued under this act.

bonds pursuant to subsection b. of section 11 of P.L.1960, c.183
(C.40:37A-54), the county or any beneficiary county may, pursuant
to a resolution duly adopted by its governing body, unconditionally
guarantee the punctual payment of the principal of and interest on
any bonds of the authority issued for purposes of the pooling of
notes issued pursuant to subsection b. of N.J.S.40A:4-55. Any
guaranty of bonds of an authority made pursuant to this subsection
shall be evidenced by endorsement thereof on such bonds, executed
in the name of the county or beneficiary county and on its behalf by
such officer thereof as may be designated in the resolution or
ordinance authorizing such guaranty, and such county shall
thereupon and thereafter be obligated to pay the principal of and
interest on said bonds in the same manner and to the same extent as
in the case of bonds issued by it. Any such guaranty of bonds of an
authority may be made, and any resolution authorizing such
guaranty may be adopted, notwithstanding any statutory debt or
other limitations, including particularly any limitation or
requirement under or pursuant to the local bond law, but the
principal amount of bonds so guaranteed, shall, after their issuance,
be included in the gross debt of such county for the purpose of
determining the indebtedness of such county under or pursuant to
the local bond law. The principal amount of the notes guaranteed
and included in gross debt pursuant to this subsection shall be
deducted and is hereby declared to be and to constitute a deduction
from such gross debt under and for all the purposes of the local
bond law.\(^2\)
