8

**BE IT ENACTED** by the Senate and General Assembly of the State of New Jersey:

9 1. a. Beginning on January 1, 2020, and in each fiscal year 10 thereafter, a dependent of an essential employee, who is receiving weekly benefits pursuant to R.S.34:15-13 for a death that occurred 11 12 after March 1, 2020 due to the contraction of coronavirus disease 13 2019 in the course of employment, and who is not entitled to receive 14 special adjustment benefits pursuant to section 1 of P.L.1980, c.83 15 (C.34:15-95.4), shall be entitled to receive weekly supplemental 16 benefits from the Second Injury Fund during the period in which the 17 dependent is eligible to receive the initially-awarded weekly benefits, 18 whenever the amount of the initially-awarded weekly benefits is less 19 than the total amount of weekly benefits that would be payable to the 20 dependent if that total amount included weekly supplemental benefits 21 calculated in the manner indicated in subsection b. of this section. In 22 making the determination of the aggregate annual surcharge for the 23 Second Injury Fund to be levied pursuant to paragraph (4) of 24 subsection c. of R.S.34:15-94 for calendar year 2020 and each 25 subsequent calendar year, the Commissioner of Labor and Workforce 26 Development shall include the anticipated additional amounts, 27 including administrative costs, required for payment of supplemental 28 benefits pursuant to this section during the fiscal year which begins 29 on July 1 of the respective calendar year.

30 b. The base amount of the weekly supplemental benefits to be 31 paid pursuant to this section during each fiscal year shall be 32 calculated in a manner so that when it is added to the workers' 33 compensation weekly death benefits initially awarded, the sum of the 34 initial award and the base weekly supplemental benefits shall bear 35 the same percentage relationship to the maximum workers' 36 compensation death benefit rate for the current fiscal year that the 37 dependent's initial weekly death benefits bore to the maximum 38 workers' compensation death benefit rate in effect at the time of the 39 death, except that:

(1) The actual amount of the supplemental benefits paid pursuant
to this section to any dependent shall be reduced by an amount equal
to the dependent's benefit payable under the Federal Old-Age,
Survivors' and Disability Insurance Act, excluding any disability
benefits paid to that dependent under that act and any cost of living
increases in benefits paid to that dependent under that act, or Black
Lung benefits;

47 (2) A supplemental benefit shall not be paid if the actual amount48 of the benefit to be paid is calculated to be less than \$5 per week; and

3

(3) A supplemental benefit shall not be paid to a dependent who
 elects to not receive benefits under the Federal Old Age, Survivors
 and Disability Insurance Act for which the dependent is eligible.

c. Notwithstanding any other provision of this section, weekly
supplemental benefits paid pursuant to this section shall not be paid
in a manner which in any way changes or modifies the provisions of
section 1 or 9 of P.L.1980, c.83 (C.34:15-95.4 or 34:15-95.5).

d. An insurance carrier or self-insured employer responsible for 8 9 the payment of workers' compensation death benefits to a dependent 10 shall notify the Division of Workers' Compensation of the need to have the Second Injury Fund make supplemental benefit payments to 11 12 the dependent pursuant to this section not later than the 60th day after the date on which it is determined that the payment of supplemental 13 14 benefits is required pursuant to this section. If the insurance carrier 15 or self-insured employer fails to notify the division and that failure 16 results in the payment of an incorrect amount of benefits, the liability 17 for the payment of the supplemental benefits shall be transferred from 18 the Second Injury Fund to the employer until the time at which the 19 insurance carrier or self-insured employer provides the required 20 notice.

e. For the purposes of this section, "essential employee" means
an employee in the public or private sector who, during a state of
emergency:

(1) is a public safety worker or first responder, including any fire,
police or other emergency responders;

(2) is involved in providing medical and other healthcare
services, emergency transportation, social services, and other care
services, including services provided in health care facilities,
residential facilities, or homes;

30 (3) performs functions which involve physical proximity to
31 members of the public and are essential to the public's health, safety,
32 and welfare, including transportation services, financial services, and
33 the production, preparation, storage, sale, and distribution of
34 essential goods such as food, beverages, medicine, fuel, and supplies
35 for conducting essential business and work at home; or

36 (4) is any other employee deemed an essential employee by the37 public authority declaring the state of emergency.

If the state of emergency does not apply to the entire State, an
employee shall be regarded as an essential employee only if the
employee is working in the area subject to the state of emergency.

f. The Commissioner of Labor and Workforce Development
shall promulgate rules and regulations as are necessary to effectuate
the purposes of this act.

44

45 2. This act shall take effect immediately.

### STATEMENT

1

2

3 This bill provides supplemental benefit payments to the dependents of essential employees who died in the course of 4 5 employment due to the contraction of coronavirus disease 2019. The bill provides a cost of living adjustment (COLA) to the spouse or 6 7 dependent's workers' compensation death benefit if that employee 8 dies from the coronavirus. This adjustment is intended to mirror, to 9 the extent possible, the COLA already in place for benefits for 10 dependents of public safety workers killed in the line of duty.

11 The bill provides for the COLA to be an amount such that, when 12 added to the workers' compensation weekly benefit rate initially 13 awarded, the sum will bear the same percentage relationship to the 14 maximum benefit rate at the time of the adjustment that the initial 15 rate bore to the maximum rate at the time of the initial award, except 16 that:

(1) the bill reduces the amount of the adjustment as much as
necessary to ensure that the sum of the adjustment and the amount
initially awarded does not exceed the amount which would cause any
reduction of Social Security disability benefits;

21 (2) in cases which are not subject to the provisions of point one 22 above, the bill reduces the supplemental workers' compensation 23 benefits (but not regular workers' compensation) for claimants 24 injured after 1979 by the amount of any Social Security benefits 25 (other than Social Security disability benefits and any cost of living 26 increases in Social Security benefits), Black Lung benefits, or the 27 employer's share of disability pension payments received from or on 28 account of an employer; and

(3) the bill requires that the COLA benefits will not be paid to
any individual who elects to not receive benefits under the Federal
Old Age, Survivors and Disability Insurance Act for which the
individual is eligible.

These reductions parallel the reductions provided under current law for claimants who were injured before 1980. The bill also provides that no supplemental benefits will be paid in any case in which they are calculated to be less than \$5 per week.

Under the bill, "essential employee" is defined as an employee inthe public or private sector who, during a state of emergency:

39 (1) is a public safety worker or first responder, including any fire,
40 police or other emergency responders;

41 (2) is involved in providing medical and other healthcare
42 services, emergency transportation, social services, and other care
43 services, including services provided in health care facilities,
44 residential facilities, or homes;

(3) performs functions which involve physical proximity to
members of the public and are essential to the public's health, safety,
and welfare, including transportation services, financial services, and
the production, preparation, storage, sale, and distribution of
