9 1. a. In addition to delivering a voted mail-in ballot by mail or
 10 in person as provided under “The Vote By Mail Law,” P.L.2009,
 11 c.79 (C.19:63-1 et seq.), a mail-in voter shall be entitled to deposit
 12 the voter’s completed mail-in ballot in a ballot drop box established
 13 by the county board of elections as provided under this section.
 14 Each mail-in ballot deposited in a ballot drop box by the time
 15 designated under current law for the closing of the polls for that
 16 election shall be considered valid and shall be canvassed. If, at the
 17 closing of the polls, a voter deposits a mail-in ballot at a ballot drop
 18 box in a county in which the voter does not reside, the county board
 19 of elections, upon discovering that fact, shall ¹notify and¹ timely
 20 deliver the ballot to the county board of elections of the county in
 21 which the voter resides, who shall accept the ballot for processing.
 22 The limitations and prohibitions applicable to mail-in ballot bearers
 23 under “The Vote By Mail Law,” P.L.2009, c.79 (C.19:63-1 et seq.)
 24 shall apply under this section ¹**],** except that a bearer may deliver a
 25 mail-in ballot on behalf of a voter to a staffed ballot drop box
 26 location only, as defined under paragraph (2) of subsection b. of
 27 this section, provided the staffed ballot drop box location
 28 implements the same bearer identification and record-keeping
 29 criteria specified under paragraph (2) of subsection d. of section 16
 30 of P.L.2009, c.79 (C.19:63-16)]¹.

31 b. (1) For any election, the county board of elections in each
 32 county shall establish ballot drop boxes where voters may deposit
 33 their voted mail-in ballots at least ¹**[seven]** ¹45¹ days before the
 34 election. The ballot drop boxes shall be located throughout the
 35 county in a manner ¹**[that provides the greatest convenience to**
 36 voters. Ballot drop boxes shall include both staffed and unstaffed
 37 locations as specified under paragraph (2) of this subsection. Each
 38 ballot drop box and drop box location shall meet the population,
 39 geographic, accessibility, security, and other requirements
 40 developed by the Secretary of State in consultation with county
 41 clerks and municipal clerks as provided under subsection c. of this
 42 section] specified under paragraph (2) of this subsection¹.

41 the drop boxes at each location required under subparagraph (b) of
42 this paragraph shall establish additional locations for ballot drop
43 boxes, pursuant to the provisions of subsection c. of this section, so
44 that the county has no fewer than 10 ballot drop boxes. The
45 additional drop boxes shall be placed at county or municipal
46 government buildings²【, including, but not limited to, courthouses,
47 offices, town halls, police stations, fire stations, and libraries】. To

3 population density to best serve the voters of each county pursuant
4 to the regulations adopted pursuant to subsection c. of this section.
5 The Secretary of State shall establish guidelines for the placement

17 **and municipal clerks]** boards of elections², shall establish the rules
18 and regulations necessary to ensure the secure and successful
19 implementation of the mail-in ballot drop boxes required by this
20 section. In determining the ballot drop box locations, the secretary
21 and ²**[clerks]** county boards of elections² shall consider, at a
22 minimum, concentrations of population, geographic areas, voter
23 convenience, proximity to public transportation, community-based
24 locations, and security. The rules and regulations shall include, but
25 may not be limited to, criteria for each county board of elections to:

27 drop boxes required per voter population, considering both the
28 number of registered voters and the number of registered mail-in

31 ensuring an equitable distribution of ballot drop boxes across the
32 county to maximize convenience to voters;

34 locations to persons with disabilities; and

35 (4) maintain the security of ballot drop boxes and of the ballots

38 chain of custody and safe storage of voted mail-in ballots before
39 each election.

40

41 ²2. a. The November 2020 General Election shall be conducted
42 primarily via vote-by-mail ballots, which will be sent to all
43 “Active” registered voters without the need for an application to
44 receive a vote-by-mail ballot. The November 2020 General Election
45 shall be conducted in accordance with Title 19 except as set forth
46 below in subsections b. through aa. of this section.

1 b. All vote-by-mail return envelopes shall have prepaid First-
2 Class postage in order to facilitate the proper delivery of all cast
3 vote-by-mail ballots.

4 c. Notwithstanding the provisions of R.S.19:14-25, in lieu of
5 sending a sample ballot as required by that section, the appropriate
6 county official, as identified in R.S.19:14-25, shall send notice to
7 all “Active” voters, pursuant to R.S.19:14-21, advising of the
8 voter’s polling place, the URL to the Division of Election’s Internet
9 website that contains polling place information, locations of secure
10 ballot drop boxes within the county, information on where to obtain
11 a sample ballot prior to the election, a statement indicating that a
12 sample ballot will be available at the polling place on the day of the
13 election, and, if applicable, information on a county website where
14 a sample ballot may be viewed. The notice in lieu of a sample
15 ballot authorized pursuant to this subsection shall be sent return
16 service requested as required by R.S.19:14-23. The notice in lieu
17 of a sample ballot authorized pursuant to this subsection shall be
18 mailed on or before October 23, 2020. Notwithstanding R.S.19:63-
19 6, in lieu of the statutory notice, the county clerks shall, in a time
20 set forth by the Secretary of State, publish a notice to be prepared
21 by the Secretary of State.

22 d. All public primary and secondary schools shall be closed to
23 in-person instruction on November 3, 2020, and pursuant to
24 R.S.19:8-2, the authorities in charge of such schools shall not deny
25 the request of a county board of elections for use of the buildings as
26 polling places. All public primary and secondary schools shall work
27 cooperatively with the county elections officials for the delivery of
28 the necessary equipment for the November 2020 General Election.

29 e. Each county shall open a minimum of at least one polling
30 place in each municipality for the November 2020 General Election.
31 Each county shall open a minimum of 50 percent of its regularly
32 used polling places, and may open more than the minimum number
33 of its regularly used polling places. If a county board of elections is
34 unable to reach a minimum of 50 percent of its regularly used
35 polling places, the county boards of elections shall utilize schools or
36 other large facilities to serve as large voting centers, which shall
37 accommodate more voting districts in one polling place. Each
38 polling place shall meet the applicable requirements of the federal
39 “Americans with Disabilities Act of 1990”
40 (42 U.S.C. s.12101 et seq.). To the best of their ability, the county
41 boards of elections shall select polling places based on geographic
42 location and population density to best serve the voters of each
43 municipality. County boards of elections shall ensure that polling
44 places and poll workers implement, at a minimum, the following
45 requirements for the November 2020 General Election:

46 (1) Limit occupancy within all polling places to a number that
47 permits voters to maintain a distance of six feet between each other
48 and poll workers at any time;

1 (2) Ensure six feet of distance between voters and ensure six
2 feet of distance between voters and poll workers through the
3 demarcation of six feet of spacing in voter lines and poll worker
4 stations to demonstrate appropriate spacing for social distancing;

5 (3) Require infection control practices, such as regular hand
6 washing, coughing and sneezing etiquette, and proper tissue usage
7 and disposal;

8 (4) Provide poll workers break time for repeated handwashing
9 throughout their shifts;

10 (5) Require frequent sanitization of high-touch areas in polling
11 places consistent with CDC guidelines as of the date of the election;

12 (6) Place conspicuous signage at entrances and throughout the
13 polling place alerting poll workers and voters to the required six
14 feet of physical distance;

15 (7) Provide sanitization materials, such as hand sanitizer and
16 sanitizing wipes, to poll workers, voters, and those accompanying
17 voters;

18 (8) Require poll workers to adhere to CDC guidelines as of the
19 date of the election regarding face coverings while in the polling
20 place, except where doing so would inhibit that individual's health,
21 and require poll workers to wear gloves when in contact with voters
22 and those accompanying voters. County boards of elections shall
23 provide any required face coverings and gloves for poll workers,
24 without charge to the poll workers. If a poll worker refuses to wear
25 a required cloth face covering for non-medical reasons, then a
26 county board of elections may decline entry to the individual.
27 Nothing herein should prevent a poll worker from wearing a
28 surgical grade mask or other more protective face covering if the
29 individual is already in possession of such equipment. Where a poll
30 worker declines to wear a required face covering at a polling place
31 due to a medical condition that inhibits such usage, they shall not be
32 required to produce medical documentation verifying the stated
33 condition;

34 (9) Require appointed challengers to adhere to CDC guidelines
35 as of the date of the election regarding face coverings while in the
36 polling places and while in any location where the challenger is
37 servicing in such a capacity, such as while observing the counting of
38 ballots. If an appointed challenger refuses to wear a required cloth
39 face covering, then a county board of elections may decline entry to
40 the individual; and

41 (10) Strongly encourage voters and those accompanying voters
42 to adhere to any CDC guidelines as of the date of the election
43 regarding face coverings while inside polling places except where
44 doing so would inhibit that individual's health. County boards of
45 elections may provide such face coverings for voters and those
46 accompanying voters, without charge to them. If a voter or person
47 accompanying a voter refuses to comply with the CDC guidelines, a
48 poll worker shall not deny entry to the voter or person. Nothing

- 1 herein should prevent a voter from wearing a surgical grade mask or
2 other more protective face covering if the individual is already in
3 possession of such equipment.
- 4 f. Notwithstanding the provisions of R.S.19:31-21, for the
5 November 2020 General Election, the Secretary of State may
6 modify the requirements concerning the use of poll books and the
7 information contained therein as necessary to address the procedure
8 by which the November 2020 General Election will be conducted
9 pursuant to this section, and the needs resulting therefrom.
- 10 g. Any voter who appears at a polling place on the day of the
11 November 2020 General Election and does not return a voted mail-
12 in ballot, pursuant to subsection h. of this section, shall vote via a
13 provisional ballot, except that accommodations will be made for
14 voters with disabilities.
- 15 h. Pursuant to section 16 of P.L.2009, c.79 (C.19:63-16), the
16 county boards of elections shall designate each polling place as a
17 location to receive voted mail-in ballots. A voter may return only
18 the mail-in-ballot that they personally voted to their designated
19 polling place. The Secretary of State shall establish appropriate
20 standards for the acceptance of mail-in ballots, including, but not
21 limited to, the poll worker verification that the voter returning the
22 voted mail-in ballot at the polling place is the individual who voted
23 the mail-in ballot, the securing of the returned mail-in ballots, and
24 the return of the mail-in ballots to the county boards of elections
25 after the close of polls.
- 26 i. Each polling place shall have signage that provides the
27 location of all ballot drop boxes in the county in which the polling
28 place is located.
- 29 j. The time restrictions of section 9 of P.L.2009, c.79
30 (C.19:63-9) shall be modified as follows: vote-by-mail ballots shall
31 be mailed to all “Active” voters on or before the 29th day before the
32 November 2020 General Election and in a manner to ensure the
33 timely receipt and return of ballots for counting in the November
34 2020 General Election, and whenever the county clerk forwards a
35 mail-in ballot by mail to a voter between the 29th day and the 13th
36 day before the November 2020 General Election it shall be
37 transmitted within three business days of receipt of the application
38 and in a manner to ensure the timely receipt and return of ballot for
39 counting in the November 2020 General Election. All other
40 provisions of section 9 of P.L.2009, c.79 (C.19:63-9) remain, and
41 this subsection, shall not modify the requirements set forth in the
42 Uniformed and Overseas Citizens Absentee Voting Act,
43 52 U.S.C. §20302(a)(8)(A).
- 44 k. Notwithstanding any other law to the contrary, to allow
45 enough time for the county clerks to print and mail the ballots to
46 voters, the following deadlines are modified as follows:

1 (1) the deadline to submit a public question for November 2020
2 school board elections to the county clerk by the school board
3 secretary, pursuant to R.S.19:16-4, shall be August 31, 2020;

4 (2) the last day a vacancy may occur for primary election
5 nominees for the November 2020 General Election, under
6 R.S.19:13-20, shall be August 28, 2020;

7 (3) the deadline to fill a vacancy in the primary election
8 nominees for the November 2020 General Election, under
9 R.S.19:13-20, shall be August 31, 2020;

10 (4) the deadline to apply for a mail-in ballot by mail, under
11 section 3 of P.L.2009, c.79 (C.19:63-3), shall be October 23, 2020;
12 and

13 (5) the deadline for returning a vote-by-mail application in-
14 person in subsection d. of section 3 of P.L.2009, c.79 (C.19:63-3)
15 shall be suspended for the November 2020 General Election.

16 (6) Vacancies occurring after August 28, 2020 shall not be
17 placed on the November General Election ballot.

18 l. Vote-by-mail ballots shall be processed and canvassed in
19 accordance with guidelines provided by the CDC, the New Jersey
20 Department of Health, and the respective county departments of
21 health.

22 m. Notwithstanding the provisions of subsection d. of section 4
23 of P.L.1995, c.195 (C.19:59-15) and section 22 of P.L.2009, c.79
24 (C.19:63-22) to the contrary, to account for the increase in vote-by-
25 mail ballots and to ensure that registered voters' efforts to vote are
26 not impacted by delays in the postal service, every vote-by-mail

28 received by November 10, 2020, at 8:00 p.m. shall be considered
29 valid and shall be canvassed, assuming the ballot meets all other
30 statutory requirements. Every ballot without a postmark, and ballots
31 mis-marked and confirmed by the post office that those ballots were
32 received by the post office on or before November 3, 2020, that is
33 received by the county boards of elections from the United States
34 Postal Service within 48 hours of the closing of polls on November
35 3, 2020, shall be considered valid and shall be canvassed, assuming
36 the ballot meets all other statutory requirements. In addition, a
37 county board of elections may begin opening the inner envelopes
38 and canvassing each mail-in ballot from the inner envelopes no
39 earlier than ten days prior to the day of the election. The Secretary
40 of State shall establish guidelines concerning the early canvassing
41 process. If a county board of elections begins opening the inner
42 envelopes and canvassing the mail-in ballots from the inner
43 envelopes prior to the day of the election, the county board shall
44 implement the measures necessary to ensure the security and
45 secrecy of the mail-in ballots. The contents of the mail-in ballots
46 and the results of the ballot canvassing shall remain confidential
47 and shall be disclosed only in accordance with the provisions of
48 Title 19 of the Revised Statutes, regulations and guidelines

1 concerning the disclosure of election results, and in no
2 circumstances disclosed prior to the close of polls on the day of the
3 election.

4 n. Notwithstanding the provisions of section 18 of P.L.2009,
5 c.79 (C.19:63-18), to account for the increase in vote-by-mail
6 ballots and to provide the county boards of elections sufficient time
7 to canvass the returned ballots, the county boards of elections may
8 continue the counting of ballots beyond the close of polls on
9 November 3, 2020, and may adjourn counting after 11:00 pm on
10 November 3, 2020 to immediately continue counting at 9:00 am on
11 November 4, 2020, and continue every day thereafter, until the
12 counting is completed within the limits of this section. In addition,
13 notwithstanding the provisions of section 19 of P.L.1999, c.232
14 (C.19:53C-13), the county commissioner of registration may
15 forward provisional ballots to the county board of election for
16 counting on an ongoing basis as the verification process is
17 completed.

18 o. In order to expedite the signature-verification process
19 outlined in section 17 of P.L.2009, c.79 (C.19:63-17), the county
20 boards of elections shall meet at least four days per week starting
21 October 13, 2020. Voters whose ballots are rejected pursuant to
22 section 17 of P.L.2009, c.79 (C.19:63-17), for a missing or
23 discrepant signature, shall be given the opportunity to cure the
24 signature defect in accordance with procedures established by the
25 Secretary of State, in the absence of any governing statute.

26 p. Because of the need to meet the federal deadlines for the
27 State's electors to meet, the meeting of the county Board of
28 Canvassers, under R.S.19:19-1, shall occur on or before November
29 20, 2020 to certify the results of the November 2020 General
30 Election, and no extension under R.S.19:19-4 or R.S.19:19-6 shall
31 be sought. The county clerks' transmittal of the official November

36 occur on or before December 8, 2020 to certify the results of the
37 November 2020 General Election.

38 q. Notwithstanding the provisions of R.S.19:6-2 to the
39 contrary, county residency shall not be a prerequisite for
40 employment as a poll worker for the November 2020 General
41 Election to allow for greater flexibility in obtaining poll workers,

42 r. Notwithstanding the provisions of R.S.19:8-2 to the

2 P.L.2005, c.152 (C.19:53B-21 and C.19:53C-21) is extended to
3 November 23, 2020.

4 t. Notwithstanding the provisions of paragraph (8) of
5 subsection c. of section 1 of P.L.2007, c.349 (C.19:61-9), to allow
6 enough time for results to be certified prior to the meeting of
7 electors, counties may certify their election results prior to the
8 commencement of the election audit required in that section,
9 provided that the audit is completed by December 4, 2020.
