STATEMENT

19

20 This bill prohibits a government entity or school from requiring
21 influenza vaccinations for persons who are 18 years of age or
22 younger.

23

24 Under the bill, no State, county, or local government employee,
25 entity, or elected official, and no private or public school is to directly
26 or indirectly require an individual who is 18 years of age or younger
27 to undergo the administration of an influenza vaccine or any other
28 injection, medication, or procedure that is designed to provide
immunity from influenza.
