1. N.J.S.2C:35-14 is amended to read as follows:

8 2C:35-14. Rehabilitation Program for Drug and Alcohol 9 Dependent Persons Subject to a Presumption of Incarceration or a 10 Mandatory Minimum Period of Parole Ineligibility; Criteria for 11 Imposing Special Probation; Ineligible Offenders; Commitment to 12 Residential Treatment Facilities or Participation in a Nonresidential 13 Treatment Program; Presumption of Revocation; Brief Incarceration 14 in Lieu of Permanent Revocation.

15 a. Any person who is ineligible for probation due to a 16 conviction for a crime which is subject to a presumption of 17 incarceration or a mandatory minimum period of parole ineligibility 18 may be sentenced to a term of special probation in accordance with 19 this section, and may not apply for drug and alcohol treatment 20 Nothing in this section shall be pursuant to N.J.S.2C:45-1. 21 construed to prohibit a person who is eligible for probation in accordance with N.J.S.2C:45-1 due to a conviction for an offense 22 23 which is not subject to a presumption of incarceration or a 24 mandatory minimum period of parole ineligibility from applying for 25 drug or alcohol treatment as a condition of probation pursuant to 26 N.J.S.2C:45-1; provided, however, that a person in need of 27 treatment as defined in subsection f. of section 2 of P.L.2012, c.23 28 (C.2C:35-14.2) shall be sentenced in accordance with that section. 29 Notwithstanding the presumption of incarceration pursuant to the 30 provisions of subsection d. of N.J.S.2C:44-1, whenever a drug or 31 alcohol dependent person who is subject to sentencing under this 32 section is convicted of or adjudicated delinquent for an offense, 33 other than one described in subsection b. of this section, the court, 34 upon notice to the prosecutor, may, on motion of the person, or on 35 the court's own motion, place the person on special probation, 36 which shall be for a term of five years, provided that the court finds 37 on the record that:

38 (1) the person has undergone a professional diagnostic
39 assessment to determine whether and to what extent the person is
40 drug or alcohol dependent and would benefit from treatment; and

41 (2) the person is a drug or alcohol dependent person within the
42 meaning of N.J.S.2C:35-2 and was drug or alcohol dependent at the
43 time of the commission of the present offense; and

44 (3) the present offense was committed while the person was45 under the influence of a controlled dangerous substance, controlled

substance analog or alcohol or was committed to acquire property
 or monies in order to support the person's drug or alcohol
 dependency; and

4 (4) substance use disorders treatment and monitoring will serve
5 to benefit the person by addressing the person's drug or alcohol
6 dependency and will thereby reduce the likelihood that the person
7 will thereafter commit another offense; and

8 (5) the person did not possess a firearm at the time of the 9 present offense and did not possess a firearm at the time of any 10 pending criminal charge; and

11 (6) the person has not been previously convicted on two or more 12 separate occasions of crimes of the first or second degree, other 13 than those listed in paragraph (7); or the person has not been 14 previously convicted on two or more separate occasions, where one 15 of the offenses is a crime of the third degree, other than crimes 16 defined in N.J.S.2C:35-10, and one of the offenses is a crime of the 17 first or second degree; and

(7) the person has not been previously convicted or adjudicated
delinquent for, and does not have a pending charge of murder,
aggravated manslaughter, manslaughter, kidnapping, aggravated
assault, aggravated sexual assault or sexual assault, or a similar
crime under the laws of any other state or the United States; and

(8) a suitable treatment facility licensed and approved by the
Division of Mental Health and Addiction Services in the
Department of Human Services is able and has agreed to provide
appropriate treatment services in accordance with the requirements
of this section; and

(9) no danger to the community will result from the personbeing placed on special probation pursuant to this section.

In determining whether to sentence the person pursuant to this 30 31 section, the court shall consider all relevant circumstances, and 32 shall take judicial notice of any evidence, testimony or information 33 adduced at the trial, plea hearing or other court proceedings, and 34 shall also consider the presentence report and the results of the 35 professional diagnostic assessment to determine whether and to 36 what extent the person is drug or alcohol dependent and would 37 benefit from treatment. The court shall give priority to a person 38 who has moved to be sentenced to special probation over a person 39 who is being considered for a sentence to special probation on the 40 court's own motion or in accordance with the provisions of section 41 2 of P.L.2012, c.23 (C.2C:35-14.2).

As a condition of special probation, the court shall order the person to enter a residential treatment program at a facility licensed and approved by the Division of Mental Health and Addiction Services in the Department of Human Services or a program of nonresidential treatment by a licensed and approved treatment provider, which program may include the use of medicationassisted treatment as defined in paragraph (7) of subsection f. of

1 this section, to comply with program rules and the requirements of 2 the course of treatment, to cooperate fully with the treatment 3 provider, and to comply with such other reasonable terms and 4 conditions as may be required by the court or by law, pursuant to 5 N.J.S.2C:45-1, and which shall include periodic urine testing for 6 drug or alcohol usage throughout the period of special probation. In 7 determining whether to order the person to participate in a 8 nonresidential rather than a residential treatment program, the court 9 shall follow the procedure set forth in subsection j. of this section. 10 Subject to the requirements of subsection d. of this section, the 11 conditions of special probation may include different methods and 12 levels of community-based or residential supervision.

b. A person shall not be eligible for special probation pursuant
to this section if the person is convicted of or adjudicated
delinquent for:

16 (1) a crime of the first degree;

(2) a crime of the first or second degree enumerated in
subsection d. of section 2 of P.L.1997, c.117 (C.2C:43-7.2), other
than a crime of the second degree involving N.J.S.2C:15-1
(robbery) or N.J.S.2C:18-2 (burglary);

(3) a crime, other than that defined in section 1 of P.L.1987,
c.101 (C.2C:35-7), for which a mandatory minimum period of
incarceration is prescribed under chapter 35 of this Title or any
other law; or

(4) an offense that involved the distribution or the conspiracy or
attempt to distribute a controlled dangerous substance or controlled
substance analog to a juvenile near or on school property.

c. (Deleted by amendment, P.L.2012, c.23)

28

29 Except as otherwise provided in subsection j. of this section, d. 30 a person convicted of or adjudicated delinquent for a crime of the 31 second degree or of a violation of section 1 of P.L.1987, c.101 32 (C.2C:35-7), or who previously has been convicted of or 33 adjudicated delinquent for an offense under subsection a. of 34 N.J.S.2C:35-5 or a similar offense under any other law of this State, 35 any other state or the United States, who is placed on special probation under this section shall be committed to the custody of a 36 37 residential substance use disorders treatment facility licensed and 38 approved by the Division of Mental Health and Addiction Services 39 in the Department of Human Services. Subject to the authority of 40 the court to temporarily suspend imposition of all or any portion of 41 the term of commitment to a residential treatment facility pursuant 42 to subsection j. of this section, the person shall be committed to the 43 residential treatment facility immediately, unless the facility cannot 44 accommodate the person, in which case the person shall be 45 incarcerated to await commitment to the residential treatment 46 facility. The term of such commitment shall be for a minimum of 47 six months, or until the court, upon recommendation of the 48 treatment provider, determines that the person has successfully

1 completed the residential treatment program, whichever is later, 2 except that no person shall remain in the custody of a residential 3 treatment facility pursuant to this section for a period in excess of 4 five years. Upon successful completion of the required residential 5 treatment program, the person shall complete the period of special 6 probation, as authorized by subsection a. of this section, with credit 7 for time served for any imprisonment served as a condition of 8 probation and credit for each day during which the person 9 satisfactorily complied with the terms and conditions of special 10 probation while committed pursuant to this section to a residential 11 treatment facility. Except as otherwise provided in subsection 1. of 12 this section, the person shall not be eligible for early discharge of 13 special probation pursuant to N.J.S.2C:45-2, or any other provision 14 of the law. The court, in determining the number of credits for time 15 spent in residential treatment, shall consider the recommendations 16 of the treatment provider. A person placed into a residential 17 treatment facility pursuant to this section shall be deemed to be 18 subject to official detention for the purposes of N.J.S.2C:29-5 19 (escape).

20 e. The probation department or other appropriate agency 21 designated by the court to monitor or supervise the person's special 22 probation shall report periodically to the court as to the person's 23 progress in treatment and compliance with court-imposed terms and 24 conditions. The treatment provider shall promptly report to the 25 probation department or other appropriate agency all significant 26 failures by the person to comply with any court imposed term or 27 condition of special probation or any requirements of the course of 28 treatment, including but not limited to a positive drug or alcohol 29 test, which shall only constitute a violation for a person using 30 medication-assisted treatment as defined in paragraph (7) of 31 subsection f. of this section if the positive test is unrelated to the 32 person's medication-assisted treatment, or the unexcused failure to 33 attend any session or activity, and shall immediately report any act 34 that would constitute an escape. The probation department or other 35 appropriate agency shall immediately notify the court and the 36 prosecutor in the event that the person refuses to submit to a 37 periodic drug or alcohol test or for any reason terminates the 38 person's participation in the course of treatment, or commits any act 39 that would constitute an escape.

f. (1) Upon a first violation of any term or condition of the
special probation authorized by this section or of any requirements
of the course of treatment, the court in its discretion may
permanently revoke the person's special probation.

(2) Upon a second or subsequent violation of any term or
condition of the special probation authorized by this section or of
any requirements of the course of treatment, the court shall, subject
only to the provisions of subsection g. of this section, permanently
revoke the person's special probation unless the court finds on the

1 record that there is a substantial likelihood that the person will 2 successfully complete the treatment program if permitted to 3 continue on special probation, and the court is clearly convinced, 4 considering the nature and seriousness of the violations, that no 5 danger to the community will result from permitting the person to 6 continue on special probation pursuant to this section. The court's 7 determination to permit the person to continue on special probation 8 following a second or subsequent violation pursuant to this 9 paragraph may be appealed by the prosecution.

10 (3) In making its determination whether to revoke special 11 probation, and whether to overcome the presumption of revocation 12 established in paragraph (2) of this subsection, the court shall 13 consider the nature and seriousness of the present infraction and any 14 past infractions in relation to the person's overall progress in the 15 course of treatment, and shall also consider the recommendations of 16 the treatment provider. The court shall give added weight to the 17 treatment provider's recommendation that the person's special 18 probation be permanently revoked, or to the treatment provider's 19 opinion that the person is not amenable to treatment or is not likely 20 to complete the treatment program successfully.

21 (4) If the court permanently revokes the person's special 22 probation pursuant to this subsection, the court shall impose any 23 sentence that might have been imposed, or that would have been 24 required to be imposed, originally for the offense for which the 25 person was convicted or adjudicated delinquent. The court shall 26 conduct a de novo review of any aggravating and mitigating factors 27 present at the time of both original sentencing and resentencing. If 28 the court determines or is required pursuant to any other provision 29 of this chapter or any other law to impose a term of imprisonment, 30 the person shall receive credit for any time served in custody 31 pursuant to N.J.S.2C:45-1 or while awaiting placement in a treatment facility pursuant to this section, and for each day during 32 33 which the person satisfactorily complied with the terms and 34 conditions of special probation while committed pursuant to this 35 section to a residential treatment facility. The court, in determining 36 the number of credits for time spent in a residential treatment 37 facility, shall consider the recommendations of the treatment 38 provider.

(5) Following a violation, if the court permits the person to
continue on special probation pursuant to this section, the court
shall order the person to comply with such additional terms and
conditions, including but not limited to more frequent drug or
alcohol testing, as are necessary to deter and promptly detect any
further violation.

(6) Notwithstanding any other provision of this subsection, if
the person at any time refuses to undergo urine testing for drug or
alcohol usage as provided in subsection a. of this section, the court
shall, subject only to the provisions of subsection g. of this section,

1 revoke the person's special permanently probation. 2 Notwithstanding any other provision of this section, if the person at 3 any time while committed to the custody of a residential treatment 4 facility pursuant to this section commits an act that would constitute 5 an escape, the court shall forthwith permanently revoke the person's 6 special probation.

7 (7) An action for a violation under this section may be brought 8 by a probation officer or prosecutor or on the court's own motion. 9 Failure to complete successfully the required treatment program 10 shall constitute a violation of the person's special probation. In the 11 case of the temporary or continued management of a person's drug 12 or alcohol dependency by means of medication-assisted treatment 13 as defined herein, whenever supported by a report from the 14 treatment provider of existing satisfactory progress and reasonably 15 predictable long-term success with or without further medication-16 assisted treatment, the person's use of the medication-assisted 17 treatment, even if continuing, shall not be the basis to constitute a 18 failure to complete successfully the treatment program. A person 19 who fails to comply with the terms of the person's special probation 20 pursuant to this section and is thereafter sentenced to imprisonment 21 in accordance with this subsection shall thereafter be ineligible for 22 entry into the Intensive Supervision Program, provided however 23 that this provision shall not affect the person's eligibility for entry 24 into the Intensive Supervision Program for a subsequent conviction.

As used in this section, the term "medication-assisted treatment" means the use of any medications approved by the federal Food and Drug Administration to treat substance use disorders, including extended-release naltrexone, methadone, and buprenorphine, in combination with counseling and behavioral therapies, to provide a whole-patient approach to the treatment of substance use disorders.

31 When a person on special probation is subject to a g. presumption of revocation on a second or subsequent violation 32 33 pursuant to paragraph (2) of subsection f. of this section, or when 34 the person refuses to undergo drug or alcohol testing pursuant to 35 paragraph (6) of subsection f. of this section, the court may, in lieu 36 of permanently revoking the person's special probation, impose a 37 term of incarceration for a period of not less than 30 days nor more 38 than six months, after which the person's term of special probation 39 pursuant to this section may be reinstated. In determining whether 40 to order a period of incarceration in lieu of permanent revocation 41 pursuant to this subsection, the court shall consider the 42 recommendations of the treatment provider with respect to the 43 likelihood that such confinement would serve to motivate the 44 person to make satisfactory progress in treatment once special 45 probation is reinstated. This disposition may occur only once with 46 respect to any person unless the court is clearly convinced that there 47 are compelling and extraordinary reasons to justify reimposing this 48 disposition with respect to the person. Any such determination by

1 the court to reimpose this disposition may be appealed by the 2 prosecution. Nothing in this subsection shall be construed to limit 3 the authority of the court at any time during the period of special 4 probation to order a person on special probation who is not subject 5 to a presumption of revocation pursuant to paragraph (2) of 6 subsection f. of this section to be incarcerated over the course of a 7 weekend, or for any other reasonable period of time, when the court 8 in its discretion determines that such incarceration would help to 9 motivate the person to make satisfactory progress in treatment.

10 The court, as a condition of its order, and after considering h. 11 the person's financial resources, shall require the person to pay that 12 portion of the costs associated with the person's participation in any 13 residential or nonresidential treatment program imposed pursuant to 14 this section which, in the opinion of the court, is consistent with the 15 person's ability to pay, taking into account the court's authority to 16 order payment or reimbursement to be made over time and in 17 installments.

i. The court shall impose, as a condition of the special
probation, any fine, penalty, fee or restitution applicable to the
offense for which the person was convicted or adjudicated
delinquent.

Where the court finds that a person has satisfied all of the 22 j. 23 eligibility criteria for special probation and would otherwise be 24 required to be committed to the custody of a residential substance 25 use disorders treatment facility pursuant to the provisions of 26 subsection d. of this section, the court may temporarily suspend 27 imposition of all or any portion of the term of commitment to a 28 residential treatment facility and may instead order the person to 29 enter a nonresidential treatment program, provided that the court 30 finds on the record that:

(1) the person conducting the diagnostic assessment required
pursuant to paragraph (1) of subsection a. of this section has
recommended in writing that the proposed course of nonresidential
treatment services is clinically appropriate and adequate to address
the person's treatment needs; and

36 (2) no danger to the community would result from the person
37 participating in the proposed course of nonresidential treatment
38 services; and

39 (3) a suitable treatment provider is able and has agreed to40 provide clinically appropriate nonresidential treatment services.

If the prosecutor objects to the court's decision to suspend the commitment of the person to a residential treatment facility pursuant to this subsection, the sentence of special probation imposed pursuant to this section shall not become final for ten days in order to permit the appeal by the prosecution of the court's decision.

47 After a period of six months of nonresidential treatment, if the 48 court, considering all available information including but not

1 limited to the recommendation of the treatment provider, finds that 2 the person has made satisfactory progress in treatment and that 3 there is a substantial likelihood that the person will successfully 4 complete the nonresidential treatment program and period of special 5 probation, the court, on notice to the prosecutor, may permanently 6 suspend the commitment of the person to the custody of a 7 residential treatment program, in which event the special 8 monitoring provisions set forth in subsection k. of this section shall 9 no longer apply.

Nothing in this subsection shall be construed to limit the authority of the court at any time during the term of special probation to order the person to be committed to a residential or nonresidential treatment facility if the court determines that such treatment is clinically appropriate and necessary to address the person's present treatment needs.

16 k. (1) When the court temporarily suspends the commitment of 17 the person to a residential treatment facility pursuant to subsection 18 j. of this section, the court shall, in addition to ordering 19 participation in a prescribed course of nonresidential treatment and 20 any other appropriate terms or conditions authorized or required by 21 law, order the person to undergo urine testing for drug or alcohol 22 use not less than once per week unless otherwise ordered by the 23 The court-ordered testing shall be conducted by the court. 24 probation department or the treatment provider. The results of all 25 tests shall be reported promptly to the court and to the prosecutor. 26 If the person is involved with a program that is providing the person 27 medication-assisted treatment as defined in paragraph (7) of 28 subsection f. of this section, only a positive urine test for drug or 29 alcohol use unrelated to the medication-assisted treatment shall 30 constitute a violation of the terms and conditions of special 31 probation. In addition, the court shall impose appropriate curfews 32 or other restrictions on the person's movements, and may order the 33 person to wear electronic monitoring devices to enforce such 34 curfews or other restrictions as a condition of special probation.

35 (2) The probation department or other appropriate agency shall 36 immediately notify the court and the prosecutor in the event that the 37 person fails or refuses to submit to a drug or alcohol test, knowingly 38 defrauds the administration of a drug test, terminates the person's 39 participation in the course of treatment, or commits any act that 40 would constitute absconding from parole. If the person at any time 41 while entered in a nonresidential treatment program pursuant to 42 subsection j. of this section knowingly defrauds the administration 43 of a drug test, goes into hiding, or leaves the State with a purpose of 44 avoiding supervision, the court shall permanently revoke the 45 person's special probation.

I. If the court finds that the person has made exemplary
progress in the course of treatment, the court may, upon
recommendation of the person's supervising probation officer or on

1 the court's own motion, and upon notice to the prosecutor, grant 2 early discharge from a term of special probation provided that the 3 person: (1) has satisfactorily completed the treatment program 4 ordered by the court; (2) has served at least two years of special 5 probation; (3) within the preceding 12 months, did not commit a 6 substantial violation of any term or condition of special probation, 7 including but not limited to a positive urine test, which shall only 8 constitute a violation for a person using medication-assisted 9 treatment as defined in paragraph (7) of subsection f. of this section 10 if the positive test is unrelated to the person's medication-assisted 11 treatment; and (4) is not likely to relapse or commit an offense if 12 probation supervision and related services are discontinued.

13 m. (1) The Superior Court may order the expungement of all 14 records and information relating to all prior arrests, detentions, 15 convictions, and proceedings for any offense enumerated in Title 16 2C of the New Jersey Statutes upon successful discharge from a 17 term of special probation as provided in this section, regardless of 18 whether the person was sentenced to special probation under this 19 section, section 2 of P.L.2012, c.23 (C.2C:35-14.2), or N.J.S.2C:45-20 1, if the person satisfactorily completed a substance abuse treatment 21 program as ordered by the court and was not convicted of any 22 crime, or adjudged a disorderly person or petty disorderly person, 23 during the term of special probation. The provisions of N.J.S.2C:52-24 7 through N.J.S.2C:52-14 shall not apply to an expungement 25 pursuant to this paragraph and no fee shall be charged to a person 26 eligible for relief pursuant to this paragraph. The court shall grant 27 the relief requested unless it finds that the need for the availability 28 of the records outweighs the desirability of having the person freed 29 from any disabilities associated with their availability, or it finds that the person is otherwise ineligible for expungement pursuant to 30 31 paragraph (2) of this subsection. An expungement under this paragraph shall proceed in accordance with rules and procedures 32 33 developed by the Supreme Court.

34 (2) A person shall not be eligible for expungement under 35 paragraph (1) of this subsection if the records include a conviction 36 for any offense barred from expungement pursuant to subsection b. 37 or c. of N.J.S.2C:52-2, except for any offense set forth in paragraph 38 (2) of subsection a. of N.J.S.2C:24-4 if the person was a drug or 39 alcohol dependent person within the meaning of N.J.S.2C:35-2 and 40 was drug or alcohol dependent at the time of the commission of the 41 offense. It shall be the obligation of the prosecutor to notify the 42 court of any disqualifying convictions or any other factors related to 43 public safety that should be considered by the court when deciding 44 to grant an expungement under paragraph (1) of this subsection.

(3) The Superior Court shall provide a copy of the expungement
order granted pursuant to paragraph (1) of this subsection to the
prosecutor and to the person and, if the person was represented by
the Public Defender, to the Public Defender. The person or, if the

person was represented by the Public Defender, the Public Defender on behalf of the person, shall promptly distribute copies of the expungement order to appropriate agencies who have custody and control of the records specified in the order so that the agencies may comply with the requirements of N.J.S.2C:52-15.

6 (4) If the person whose records are expunged pursuant to 7 paragraph (1) of this subsection is convicted of any crime following 8 discharge from special probation, the full record of arrests and 9 convictions may be restored to public access and no future 10 expungement shall be granted to such person.

11 (5) A person who, prior to the effective date of P.L.2015, c.261, 12 was successfully discharged from a term of special probation as 13 provided in this section, regardless of whether the person was 14 sentenced to special probation under this section, section 2 of 15 P.L.2012, c.23 (C.2C:35-14.2), or N.J.S.2C:45-1, may seek an 16 expungement of all records and information relating to all arrests, 17 detentions, convictions, and proceedings for any offense 18 enumerated in Title 2C of the New Jersey Statutes that existed at 19 the time of discharge from special probation by presenting an 20 application to the Superior Court in the county in which the person 21 was sentenced to special probation, which contains a duly verified 22 petition as provided in N.J.S.2C:52-7 for each crime or offense 23 sought to be expunged. The petition for expungement shall proceed 24 pursuant to N.J.S.2C:52-1 et seq. except that the requirements 25 related to the expiration of the time periods specified in 26 N.J.S.2C:52-2 through section 1 of P.L.1980, c.163 (C.2C:52-4.1) 27 shall not apply. A person who was convicted of any offense barred 28 from expungement pursuant to subsection b. or c. of N.J.S.2C:52-2, 29 except for any offense set forth in paragraph (2) of subsection a. of 30 N.J.S.2C:24-4 if the person was a drug or alcohol dependent person 31 within the meaning of N.J.S.2C:35-2 and was drug or alcohol dependent at the time of the commission of the offense, or who has 32 33 been convicted of any crime or offense since the date of discharge 34 from special probation shall not be eligible to apply for an 35 expungement under this paragraph. In addition, no application for 36 expungement shall be considered until any pending charges are 37 disposed. It shall be the obligation of the prosecutor to notify the 38 court of any disqualifying convictions or any other factors related to 39 public safety that should be considered by the court when deciding 40 to grant an expungement under this paragraph. The Superior Court 41 shall consider the person's verified petition and may order the 42 expungement of all records and information relating to all arrests, 43 detentions, convictions, and proceedings of the person that existed 44 at the time of discharge from special probation as appropriate. The 45 court shall grant the relief requested unless it finds that the need for 46 the availability of the records outweighs the desirability of having 47 the person freed from any disabilities associated with their 48 availability, or it finds that the person is otherwise ineligible for

1 expungement pursuant to this paragraph. No fee shall be charged to 2 a person eligible for relief pursuant to this paragraph. 3 (cf: P.L.2015, c.261, s.1) 4 5 2. This act shall take effect immediately. 6 7 8 **STATEMENT** 9 10 This bill would expand the offenses that are eligible for 11 expungement upon a defendant's successful discharge from special 12 probation (drug court). Under current law, upon successful 13 discharge from a term of special probation the Superior Court may 14 order the expungement of the defendant's records and information 15 relating to all prior arrests, detentions, convictions, and proceedings 16 for any offense set forth in Title 2C of the New Jersey Statutes. 17 However, the offenses set forth in subsection b. and c. of 18 N.J.S.2C:52-2 are barred from expungement. This bill would add 19 an exception to this provision and permit the expungement of 20 records that include a conviction for any offense set forth in 21 paragraph (2) of subsection a. of N.J.S.2C:24-4 (endangering the 22 welfare of a child by causing the child harm that would make the 23 child an abused or neglected child) if the person was a drug or 24 alcohol dependent person within the meaning of N.J.S.2C:35-2 and 25 was drug or alcohol dependent at the time of the commission of the 26 offense. 27 In addition, pursuant to paragraph (5) of subsection m. of 28 N.J.S.2C:35-14, an individual who, prior to the effective date of 29 P.L.2015, c.261, was successfully discharged from special 30 probation may seek an expungement of all records and information 31 relating to all arrests, detentions, convictions, and proceedings for 32 any offense provided in Title 2C of the New Jersey Statutes that 33 existed at the time of discharge. Any offenses set forth in 34 subsection b. and c. of N.J.S.2C:52-2 are barred from expungement. 35 This bill would also provide an exception if the individual was 36 convicted of any offense set forth in paragraph (2) of subsection a. 37 of N.J.S.2C:24-4 (endangering the welfare of a child by causing the 38 child harm that would make the child an abused or neglected child) 39 if the person was a drug or alcohol dependent person within the 40 meaning of N.J.S.2C:35-2 and was drug or alcohol dependent at the 41 time of the commission of the offense, in which case that individual 42 is eligible to apply for an expungement under N.J.S.2C:35-14.
