SYNOPSIS
Ensures student well-being during school security drills.

CURRENT VERSION OF TEXT
As reported by the Assembly Judiciary Committee on December 13, 2021, with amendments.

(Sponsorship Updated As Of: 12/20/2021)
AN ACT concerning school security drills and supplementing chapter 41 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. a. Notwithstanding any other provision of law to the contrary, a school district shall ensure that a school security drill that occurs when students are present:
   (1) is conducted only after advance written notice has been provided to staff and the parents and guardians of enrolled students in the district that such a drill has been scheduled;
   (2) includes clear, developmentally and age-appropriate messaging to students and staff at the conclusion of the drill that the event is a drill and that no current danger exists;
   (3) does not expose students to content or imaging that is not developmentally or age-appropriate;
   (4) is paired with trauma-informed approaches to address any student inquiries or concerns which may arise as a result of a school security drill;
   (5) does not include the use of fake blood, real or prop firearms, or the simulations of gun shots, explosions, or other sounds or visuals that may induce panic or a traumatic response from a student or school district employee;
   (6) does not require a student to role play as a victim, but may include first aid training in which students participate;
   (7) does not include the presence of emergency personnel who are not typically present at the school during school hours; and
   (8) is accessible to students with disabilities and mental health conditions, and provides all necessary accommodations for these students.

b. A school district shall provide written notification to the parent or guardian of a student enrolled in the district following completion of a school security drill, which notice shall be provided to the parent or guardian by no later than the end of the school day on which the school security drill is conducted.

A school district may permit emergency personnel access to the buildings and grounds of its schools for school security drills that are scheduled outside of school hours and during such times as students are not present.

A school district shall review and update its school security drill procedures every three years using a process that coincides with the review of the school safety and security plan.

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.
Matter enclosed in superscript numerals has been adopted as follows:
Assembly AJU committee amendments adopted December 13, 2021.
developed pursuant to N.J.A.C.6A:16-5.1 and collects input from emergency personnel, parents and guardians of students enrolled in the district, teachers and staff employed in the district, mental health professionals, and student government representatives from multiple grade levels.

A school district shall annually track data on the efficacy and the effects of the school security drills, including such measures and information as are required by the Commissioner of Education, and shall report the data to the commissioner.

2. This act shall take effect immediately.
