33 STATEMENT

34
35 This bill establishes employment protections for paid first
36 responders who are diagnosed with certain cases of work-related
37 post-traumatic stress disorder (PTSD).

38 Under the bill, an employer would be prohibited from
39 discharging, harassing, or otherwise discriminating against an
40 employee, or threatening to do so, with respect to the compensation,
41 terms, conditions, duties, or privileges of employment on the basis
42 that the employee took or requested any leave related to a
43 qualifying diagnosis of PTSD. Under the bill, a PTSD diagnosis
44 qualifies if it is made by a licensed physician or licensed mental
45 health professional and as determined by the practitioner, the post-
46 traumatic stress disorder arose:

1 (1) as a direct result of the employee experiencing or witnessing
2 a traumatic event during and within the scope of the performance of
3 regular or assigned duties of the employee; or

4 (2) due to vicarious trauma experienced by the employee as a
5 direct result of the performance of regular or assigned duties of the
6 employee.

7 The bill provides that if an employer violates its provisions, an
8 employee or former employee would be authorized to institute a
9 civil action in the Superior Court for relief. All remedies available
10 in common law tort actions would be available to a prevailing
11 plaintiff. Additionally, the bill provides that a court would be
12 authorized to order any or all of the following relief:

13 (1) an assessment of a civil fine of \$5,000 and \$10,000 for each
14 subsequent violation;

15 (2) an injunction to restrain the continued violation of any of the
16 provisions of the bill;

17 (3) reinstatement of the employee to the same position or to a
18 position equivalent to that which the employee held prior to
19 unlawful discharge or retaliatory action;

20 (4) reinstatement of full fringe benefits and seniority rights;

21 (5) compensation for any lost wages, benefits and other
22 remuneration;

23 (6) payment of reasonable costs and attorney's fees.

24 The bill defines a "first responder" to include a law enforcement
25 officer, paid firefighter, or paid member of a duly incorporated first
26 aid, emergency, ambulance, or rescue squad association. "Law
27 enforcement officer" is defined in the bill as a person employed as a
28 permanent full-time member of any federal, State, county or
29 municipal law enforcement agency, department, or division of those
30 governments who is statutorily empowered to act for the detection,
31 investigation, arrest, conviction, detention, or rehabilitation of
32 persons violating the criminal laws of this State or of the United
33 States and statutorily required to successfully complete a training
34 course approved by the Police Training Commission or certified by
35 the commission as being substantially equivalent to an approved
36 course.
