STATEMENT

11 This amendment to the State Constitution would require that the
 12 constitutional affordable housing obligation be calculated at the
 13 State level. Currently, municipal affordable housing obligations

ACR78 SCHEPISI, B.DECROCE

1 mandated by the State Constitution are calculated based upon
2 regional housing needs. This amendment would eliminate that
3 requirement. Accordingly, any affordable housing obligation
4 placed on a municipality would no longer be based on regional
5 housing needs. Instead, this amendment would require the
6 Legislature to pass laws providing for the calculation of the
7 affordable housing needs of the entire State. This single number
8 calculation of affordable housing units needed Statewide would
9 represent the exclusive affordable housing obligation required by
10 the State Constitution.
