STATEMENT

10

11 This bill clarifies the time to file a gross income tax or
12 corporation business tax return or make payments to July 15, 2020,
13 adjusts the timing for the payment of interest and penalties and the
14 assessment of tax, alters the duration of State Fiscal Years 2020 and
15 2021 without impacting municipalities that adopt the State's fiscal
16 year, requires the State Treasurer to provide certain updates on
17 economic conditions, revenues, and spending plans, and requires
18 the Governor to formulate and present a revised budget message for
19 State Fiscal Year 2021.

20 The bill clarifies that taxpayers who would typically file a return,
21 report, or make a payment for the gross income tax or the
22 corporation business tax by an original due date of April 15, 2020
23 will be granted an automatic extension to July 15, 2020. Taxpayers
24 will not be subject to penalties or interest if the taxpayer files a
25 return, report, or makes a payment by the end of the extension.

26 Provisions governing the payment of interest for overpayments
27 are extended for six months after the conclusion of the state of
28 emergency declared by the Governor pursuant to Executive Order
29 No. 103 of 2020, or any extension thereof, or within six months
30 after the return is filed, whichever is later. The bill also extends the
31 statute of limitations to assess taxes by 90 days following the
32 conclusion of the state of emergency.

33 The bill modifies the duration of State Fiscal Year 2020 to
34 conclude on September 30, 2020 and sets October 1, 2020 as the
35 start of State Fiscal Year 2021. The bill also requires that any
36 additional spending required to support the operations of the State
37 from July 1, 2020 through September 30, 2020 be made through the
38 enactment of a general law that amends or provides for a
39 supplemental appropriation to that annual appropriations act. This
40 change does not apply to municipalities that adopt the State's fiscal
41 year and does not prevent municipalities from converting to a
42 calendar fiscal year.

43 The bill requires the State Treasurer to prepare a report on the
44 financial condition of the State budget for State Fiscal Years 2020
45 and 2021, which must be submitted to the Legislature by May 22,
46 2020 and prominently display on the Office of Management and
47 Budget's website.

1 The State Treasurer’s report is to include: (1) an update on State
2 revenue collections through the first nine months of State Fiscal
3 Year 2020 and a revised forecast of revenue projections for the
4 remainder of the current fiscal year; (2) a detailed plan of spending
5 from State, federal, and all other governmental funds for the
6 continuation of essential governmental operations during the
7 remainder of State Fiscal Year 2020; and (3) an assessment of
8 current economic conditions and the potential impact of the
9 economy on the proposed budget for State Fiscal Year 2021.

10 The Governor is required to formulate and transmit a revised
11 budget message for State Fiscal Year 2021, as altered by the bill.
12 The revised budget message is to meet all requirements set forth in
13 law for the budget message, except that the required estimate of
14 balances on hand shall be as of October 1 instead of July 1. The
15 Governor is required to present the revised budget message by
16 August 25, 2020.
