41 d. Members of the committee shall not receive compensation

38 The committee in each county is tasked with identifying those
39 services available in the county that may be needed by inmates
40 upon release from a county correctional facility. These services

42 treatment, mental health care, employment, and education. The
43 committee also is to establish a health information exchange for
44 sharing county inmate health data between the county correctional
45 facility and appropriate medical, mental health, social service, and
46 other providers. In addition, the committee is required to establish
47 best practices for preparing county inmates for release; providing

2 Finally, the committee is to make recommendations to the county
3 and municipalities as to laws and regulations that may be needed to
4 prepare county inmates for successful reentry into the community
5 and reduce recidivism.

6 These nine-member county committees are to be comprised of: a

16 among the members to serve a one-year term. The committee is to
17 meet at least monthly and five members constitute a quorum to
18 conduct official business. The meetings of the county committees
19 are subject to the "Open Public Meetings Act."
