STATEMENT

This bill provides an additional category of service retirement for
a member of the Police and Firemen’s Retirement System (PFRS).
Under the bill, a member of the PFRS who is enrolled before or
after the effective date of this bill may retire after the effective date,
regardless of age, upon attaining 20 or more years of service credit
and receive a retirement allowance equal to 50 percent of the
member's final compensation.

Under current law, a member must be 55 years of age or older to
retire on a service retirement allowance of 50 percent of final
compensation upon attaining 20 years or more of service credit. In
addition, a 1999 law permitted members, who were already enrolled
in PFRS at that time, to retire at any age with 50 percent of final
compensation upon attaining 20 or more years of service credit.
This bill extends the annual retirement benefit of 50 percent of final
compensation after 20 or more years of service to all PFRS
members regardless of enrollment date and regardless of age at
retirement.
