7. a. On or after December 31, 2005, every registered contractor who is engaged in home improvements shall secure, maintain and file with the director proof of a certificate of
commercial general liability insurance in a minimum amount of
$500,000 per occurrence.

b. Every registered contractor engaged in home improvements
whose commercial general liability insurance policy is cancelled or
nonrenewed shall submit to the director a copy of the certificate of
commercial general liability insurance for a new or replacement
policy which meets the requirements of subsection a. of this section
before the former policy is no longer effective.

c. Every home elevation contractor engaged in performing
home elevations, in addition to the insurance required pursuant to
subsection a. of this section, shall secure and maintain cargo or
other insurance that specifically covers home elevation activities, in
a minimum amount of $1,000,000 per occurrence to cover damages
or other losses to the homeowner, lessee, tenant or other party
resulting from a home elevation, except as otherwise provided in
this subsection. The Director of the Division of Consumer Affairs
in consultation with the Department of Banking and Insurance may
promulgate rules and regulations to implement this subsection,
which rules and regulations also may require that home elevation
contractors secure and maintain additional insurance of such kind
and in such amounts as the director may determine in consultation
with the Department of Banking and Insurance. In addition to or as
an alternative to the insurance required by this subsection, the
director may also require the posting of a bond in favor of the
owner, lessee, tenant or other party to the home improvement
contract for home elevation. Every bond and insurance policy
required to be maintained under this subsection shall provide that
the issuer of that bond or policy shall give the director written
notice of cancellation or non-renewal of the bond or policy within
10 days of the cancellation or non-renewal.

d. A home elevation contractor, prior to entering into an
agreement to perform a home elevation, shall provide proof of
insurance to the homeowner including the issuing insurer, policy
number, type, and amount of insurance coverage maintained by the
contractor in accordance with this section.

e. As of December 31, 2018, every registered contractor who is
engaged in home improvements shall maintain:

(1) in effect during the entire period of the registration, a bond,
in the form prescribed by the director, issued by one or more
sureties authorized to transact business in this State;
(2) maintain an irrevocable letter of credit, in a form prescribed
by the director, issued by a bank; or
(3) maintain with the director securities, moneys or other
security acceptable to the director to fulfill the requirements of this
section.

The principal sum of the bond, letter of credit, or securities,
moneys or other security shall be a minimum of $50,000. The
contractor shall, from time to time, to the extent that claims are
paid, replenish the amount of bond, letter of credit, securities, moneys or other security maintained with the director to a minimum of $50,000.

f. The bond, letter of credit, or securities, moneys or other security shall be filed or deposited with the director and shall be executed to the State of New Jersey for the use or benefit of any consumer who, after entering into a home improvement contract, incurs damages or suffers any loss arising out of a violation of this act by the contractor.

g. The bond shall cover restitution and penalties.

(1) Any person claiming against the bond, letter of credit, or securities, moneys or other security may maintain an action at law against the contractor and the surety, bank, or director, as the case may be.

(2) The bond shall not be payable for treble damage claims pursuant to the consumer fraud act, P.L.1960, c.39 (C.56:8-1 et seq.).

(3) The director may make a claim against the bond, letter of credit, or securities, moneys or other security on behalf of a consumer, with notice to the registered contractor.

(4) The aggregate liability of the surety, bank, or the director to all persons for all breaches of the conditions of the bond, letter of credit or the securities, moneys or other security held by the director shall not exceed the amount of the bond, letter of credit, or the securities, moneys or other security held by the director.

h. Every bond required to be filed with the director shall provide that any consumer who may be claiming against the bond shall notify the director and the surety of the amount and nature of the claim prior to the initiation of any action at law against the contractor. The bond shall provide that the surety may not pay any claim against the bond unless and until it shall have received authorization from the director to pay the claim.

i. If the director determines that there is a substantial likelihood that the aggregate amount of claims against a bond will exceed the available principal amount of the bond, the director may apportion the proceeds of the bond among the claimants in an equitable manner.

j. Every bond required to be filed with the director shall provide that cancellation or nonrenewal of the bond shall not be effective unless and until at least 10 days’ notice of intention to cancel or nonrenew has been received in writing by the director from the issuer.

6. Section 11 of P.L.2004, c.16 (C.56:8-146) is amended to read as follows:

a home improvement in accordance with the home improvement contract or otherwise, or to violate any provision of this act. (cf: P.L.2004, c.16, s.12)

8. Section 13 of P.L.2004, c.16 (C.56:8-148) is amended to read as follows:

IF YOU WISH YOU MAY USE THIS PAGE AS NOTIFICATION BY WRITING "I HEREBY RESCIND' AND ADDING YOUR NAME AND ADDRESS. A DUPLICATE OF THIS RECEIPT IS PROVIDED BY THE HOME IMPROVEMENT CONTRACTOR FOR YOUR RECORDS.”

(cf: P.L.2004, c.155, s.4)
10. (New section) A county or municipal office of consumer affairs established pursuant to P.L.1975, c.376 (C.40:23-6.47 et seq.), that enters into a written agreement with the director in the form specified by the director to accept consumer complaints, directly or on a referral basis, and enforce this act against contractors whose principal place of business is in the county or municipality, shall be entitled to a share of registration fees paid by contractors having their principal place of business in the county or municipality as determined by the director by regulation.

11. (New section) The Director of Consumer Affairs, pursuant to the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall promulgate rules and regulations to effectuate the purposes of this act.

12. This act shall take effect on the first day of the second month next following enactment, but the Director of Consumer Affairs may take any anticipatory action in advance of that date as may be necessary for the timely implementation of this act.

STATEMENT

This bill clarifies that the exemption from certain requirements of the "Contractor's Registration Act," afforded to the persons listed in section 5 of P.L.2004, c.16 (C.56:8-140), applies only to the registration, insurance, and bonding requirement for home improvement contractors. All home improvement contractors would continue to be subject to the other requirements of the act.

Under the bill, a consumer would be permitted to waive the three day waiting period during which the consumer would otherwise have the right cancel a contract for home improvements in the event that the work is necessary to meet a bona fide emergency.

The bill would provide a funding source for restitution to consumers who have been damaged by a contractor’s violation of the "Contractor's Registration Act," by requiring registered contractors to post a bond.

The bill establishes that a contractor would be liable for fines or penalties imposed on a consumer as a result of a contractor’s failure to obtain construction permits. Work performed without a required permit, and thus not inspected by local building code officials, often violates building codes and zoning ordinances designed to protect the health and safety of residents.

Finally, the bill makes it an unlawful practice under the consumer fraud act for a contractor to fail to complete a home improvement in accordance with the home improvement contract,
and provides a consumer who suffers damage as a result of a violation of the "Contractor's Registration Act" with the remedy of restitution. An unlawful practice is punishable by a monetary penalty of not more than $10,000 for a first offense and not more than $20,000 for any subsequent offense. Additionally, violations can result in cease and desist orders issued by the Attorney General, the assessment of punitive damages, and the awarding of treble damages and costs to the injured party.
