21 needs; State psychiatric hospitals; post-acute rehabilitation centers;
22 medical day care centers; residential schools for children with
23 complex medical needs; group homes for individuals with mental
24 health, substance use, or behavioral health conditions; and homeless
25 shelters.

26 No later than five days following the effective date the bill, the
27 Director of the Division of Budget and Accounting, in collaboration
28 with Commissioners of Health, Human Services, Children and
29 Families, and Community Affairs, shall determine the methodology
30 for allocation of the funds across the applicable facilities. No later
31 than 10 days following the effective date the bill, the Director of the
32 Division of Budget and Accounting shall transfer such funds to the
33 applicable departments and divisions for distribution to the
34 facilities.

35 COVID-19 is a respiratory disease caused by a novel coronavirus
36 that was first detected in China and which has now been detected in
37 60 locations internationally, including in the United States.
38 Reported illnesses have ranged from mild to severe, including
39 illness resulting in death. According to the federal Centers for
40 Disease Control and Prevention, it is likely that at some point,
41 widespread transmission of COVID-19 in the United States will
42 occur. On March 11, 2020, the World Health Organization declared
43 the coronavirus outbreak a pandemic.
